Summary: The Vikings see some of Hiccup's secrets along with his sisters, that both have hidden from them for a long time. I suck at summaries, please read and it's my first HTTYD story. Changed a few things in the story.

### 1. Chapter 1

**\*\*Ok, so this happens before the movie and everyone sees Hiccup's secret.\*\***

**\*\*Hiccup: Wait a minute.\*\***

**\*\*Me: Don't worry; you don't have to see it with them.\*\***

**\*\*Hiccup: but I want to know what happens.\*\***

**\*\*Me: Hey, I said you don't have to see it **\*\*\_\*\*with\*\*\_\*\*** them; I didn't say you couldn't see it.\*\***

**\*\*Hiccup: Ohh, ok.\*\***

**\*\*Me: Also, as always, Faolan will be joining you and you are her older brother.\*\***

**\*\*Faolan: How come I'm your only OCs?\*\***

**\*\*Me: That's for me too know and for you to find out and Hiccupâ€¦|\*\***

**\*\*Hiccup: Yeah?\*\***

**\*\*Me: Do the disclaimer, 'cause Faolan always does it.\*\***

**\*\*Hiccup: OK, NightPegasus13 owns nothing but her OCs.\*\***

**\*\* - In a room with a big screen in front of them - \*\***

The village of Berk were in a large room on the bottom level, the Outcasts were on their left, the Berserkers were at their right and Hiccup and Faolan were in the level above the Vikings, having an entire room to themselves with bean bags, popcorn, candies and drinks that have been given to them.

Gobber: Where are we?

Tuff: More like, what are we doing here?

New voice: You're here to see something none of you know. "A girl with long black hair, plain dark shirt, jeans and eyes blue-er than the ocean, showed up in front of the village-

Stoick: I demand that you tell me who you are and why you brought us here.

"Like I said, you are here to see something you don't know." said the new girl.

Dagur: And your name?

Girl: The names NightPegasus13, Night for short.

Gobber: Wait, where's Hiccup?

Stoick: -looking and failing to find Hiccup- Where's my son witch?

Night: 1. I'm not a witch, and 2. your son is here, but on the level above you. He wanted to see it alone with Faolan, so I let him.

Stoick: "I can't believe I forgot about her.

Alvin: Poor Stoick "not.

Snotlout: Why do you bother talking to a fishbone like him when you can talk a strong Viking like me?

Night: Ok, first, Eww "I.

Other teens: -are laughing because she had rejected him, along with a lot of other girls.-

Night: And second, don't even think to flirt with me.

Snotlout: Why?

Night: Because I have a brother that's over protective and will beat you up if I told him too.

Snotlout: Let's not get mad here.

Dagur: Like you can scare me.

Night: Don't test me Dagur or you'll regret it, alright, now look at the screen and no fighting. And I'm talking to you Ruff and

Tuff.

The twins stop their arguments and hitting and look at the screen along with the other Vikings. The lights are turned off and the show starts.

**\*\*We see the village of Berk that is being zoomed in.\*\***

**\*\*Hiccup (V.O): This is Berk. It's twelve days north of hopeless, and a few degrees south of freezing to death. It's located solidly on the meridian of misery. \*\***

Hiccup's voice came out of no ware, spooking some of the Vikings because he wasn't in the same room as them.

**\*\*Hiccup (Con.): My name, is Hiccup, Hiccup Horrendous Haddock the 111. \*\*\_\*\*We see Hiccup in his room along with his sister.\*\*\_**

Snotlout: We know what your name is.

Tuff: Yeah, why even bother telling who he is?

Dagur: The fishbone is in big trouble now.

**\*\*Hiccup (Con.): And this if Faolan, Faolan Haddock. She's my younger sister and only sister. Our father is Stoick the Vast, Chief of the tribe, but, we aren't what he wants us to be.\*\***

**\_\*\*Stoick is yelling at Hiccup and Faolan about the mess they made for going outside. After he finished yelling at them he left.\*\*\_**

**\*\*Hiccup: For him, we are just disappointment.\*\***

Astrid: Wellâ€| this is sort of true.

Stoick: I hate to say it, but it is.

Alvin: Well what can you except from a weak boy and girl like them?

Spitelout: Shut up Alvin.

**\*\*Hiccup: Instead of teaching us, he just yells and scolds at us, along with the rest of the village. The only one, who has taught us things, was Gobber. We've been his apprentice since we were littleâ€|well, little-er.\*\***

Gobber was happy to know that they weren't sad or mad at him, but he couldn't say the same for the rest of the village.

**\*\*Hiccup: But what no one knows, it that we are stronger than they think...\*\***

Snotlout: That's a lie, they are so weak.

Dagur: I don't want to agree with you but it's true.

**\_\*\*Hiccup opens the back door and hold is so that Faolan can get out**

first, then he follows her and quietly closes the door. They both then head to the woods while it's night.\*\*\_

Stoick: Why don't they stay inside like I tell them to!?

Gobber: Well, their stubbornness runs in the family. â€Stoick just glares at him-

Dagur and Alvin: -laughing-

\*\*Hiccup: My nameâ€¦|\*\*

Fishlegs: Why is he telling us his name again? I mean, he already told us in the beginning.

Viking #1: He's probably too dumb to knottiest that he already said it. â€Everyone laughed at this, but it hurt Hiccup a lot (\_A/N: He is able to hear them, but they can't hear him or Faolan.)-\_

\*\*Hiccup: My name is Hiccup; Hiccup Starlight Nightlight.\*\*

This stopped every Viking that was laughing.

Astrid: Star what?

Ruff: I must be hearing things?

Tuff: Me too.

Stoick: Did he say a different name?

\*\*Hiccup (Con.): And this is Faolan, Faolan Starnight Nightlight, my younger sister, and we go to a place where we are happy. \*\*\_\*\*They enter a cave in the cove (A/N: It's the cove were Hiccup found Toothless.) and head to a wall that has the carving of many stars in it. Faolan takes off a crystal necklace that's around her neck and places it on the star that's in the center and has a gap in it. The walls separate, revealing a path, as they come to the edge of it, you can see another village that is so different form Berk. \*\*\_\*\*This is Elemental; the land where the elements are found and our home, the home of the Nightlights. \*\*\_\*\*Faolan has a smile on her face and heads for the castle that's in the center along with Hiccup.\*\*\_

Dagur: Home? Berk is their home and they don't even know it.

Viking #2: What does he mean home?

Stoick: I'm going to have a word with those two.

Alvin: So they never do listen to you.

\*\*Hiccup: Why Nightlight? That's a name for both Starlight and Starnight. Star\*\*\_\*\*light\*\*\_\*\* is for boys and Star\*\*\_\*\*night\*\*\_\*\* is for girls, but this is use only for the family members of Nightlight.\*\*

Fishlegs: What's he talking about?

\_\*\*Faolan and Hiccup enter the castle and are greeted by a red head boy (A/N: It's Koga from Saint Seiya omega if you were wondering)

\*\*\_  
\_

Random teenage girls: OMG! HE'S SO DAM HANSOME!

Teen #1: I want to marry him!

Teen #5: No I am!

Teen #3: No me!

Teen #4: No, he's mine!

Snotlout: Seriously? They will go out with him but not with me?

Astrid: Deal with it.

\*\*Faolan: Koga onii-sama!\*\*

Everyone: What?

\*\*Koga: Faolan, how's my favorite sister doing?\*\*

Ruff: Favorite sister?

\*\*Faolan: Great.\*\*

\*\*Koga: Faolanâ€¦.\*\*

\*\*Faolan: Ok, fine, it was good.\*\*

\*\*Koga: There, that wasn't so hard now was it? â€œKoga just received a glare from Faolan-\*\*

\*\*Hiccup (V.O): That's Koga from a place called 'Saint Seiya Omega'; he's older than us by a year. I'm the 2\*\*\*\*nd\*\*\*\* youngest and Faolan is the youngest out of all of us, and also the only girl; that makes her the lucky one 'cause she gets a lot of attention from our other brothers.\*\*

Teens: Other brothers?

Stoick: I don't have any other kids besides them.

Alvin: You sure Stoick?

Stoick: Of course I'm sure!

\*\*Hiccup: Where's Gingka?\*\*

\*\*Faolan: Yeah, where's my brother?\*\*

\*\*Koga: He's in a tournament right now; you know he can't resist a battle.\*\*

\*\*Faolan: In that case, I'm going to cheer for him. Bye guys.

\*\*\_\*\*With that, she left.\*\*\_  
\_

**\*\*Hiccup (V.O):** Gingka is from a place called 'Beyblade', he owns Pegasus, the winged horse along with Faolan, he is a few days younger than Koga and he's Faolan's real brother. I am her brother but by name, not blood.\*\*

Spitelout: Wait, so your blood doesn't run in her? Why didn't you tell us brother?

Stoick: I didn't know either.

Alvin: And you said you knew your kids.

**\*\*Hiccup (Con.):** Turns out that Gingka's parents were afraid that someone would try to hurt her, so they sent her to Berk, where my mother took her as her own. \*\*

Fishlegs: OKâ€¦.. That explains it.

Dagur: Bet that her parents didn't actually care.

**\*\*Koga:** Ok, come on little brother, we have training to do.\*\*

**\*\*Hiccup:** Do I have to?\*\*

**\_\*\*Another red head boy shows up (A/N: This is Rai from Tai Chi Chasers.) \*\*\_\*\*Yes you do.\*\***

**\*\*Hiccup:** Oh would you look at the time; I have to go to doâ€¦.uhâ€¦. SWORDS! Yeah that's it; I have to go sharpen some swords, later.\*\*

**\*\*Rai:** On no you don't. I might be older than you by only 8 days, but you can't run away forever.\*\*

**\*\*Koga:** He's got a point.\*\*

**\*\*Hiccup:** But-\*\*

**\*\*Koga and Rai:** A brother knows what's best.\*\*

Stoick: How come he obeys to them and not me?

Dagur: Possible that you're not his real father like Faolan.

Stoick: Zip it.

**\*\*Hiccup:** Fine, I surrender. At least it's better than with my dad.\*\*

**\*\*Rai:** Why? (A/N: Rai and Why, it rhymes!)\*\*

**\*\*Hiccup:** He expects me to do it well on the first try or do it better.\*\*

**\*\*Koga:** Ouch.\*\*

Snotlout: â€¦I think that answers your question uncle.

Astrid: You think?

**\*\*Me: So, what do you think?\*\***

**\*\*Vikings: -glare at me-\*\***

**\*\*Me: What did I do now?\*\***

**\*\*Vikings: -still glaring at me-\*\***

**\*\*Me: â€|I give up.\*\***

**\*\*Hiccup: It was awesome; I never had brothers and had someone who cares.\*\***

**\*\*Stoick: I do care.\*\***

**\*\*Hiccup: You don't even show it.\*\***

**\*\*Me: â€|I just knottiest something.\*\***

**\*\*Faolan: What?\*\***

**\*\*Me: That I'm starting to have other characters from other series be in the story and that I finished this in one day, R&R please.\*\***

## 2. Chapter 2

**\*\*I'm back! And I'm happy to be able to post this chapter.\*\***

**\*\*Hiccup: Can I go sit now?\*\***

**\*\*Me: â€|.??**

**\*\*Faolan: We want to see what happens next.\*\***

**\*\*Me: Ohhâ€|sure and disclaimer please\*\***

**\*\*Hiccup: NightPegasus13 owns nothing but her OCs, and enjoy.\*\***

**\_\*\*We see Hiccup running and dodging arrows (A/N: These are illusion arrows, (explanation at end of chap.) One almost hits him in the eye, but he ducked just in time.\*\*\_**

**Stoick: That was a close one.**

**Snotlout: Rats, he dodged it.**

**Twins: Wow, so dangerous.**

**Astrid: I can't believe he managed to dodge it.**

**Fishlegs: He should wear some armor.**

**\*\*Koga: Come on Hiccup, a bit faster.\*\***

**\*\*Hiccup: That's what I'm trying to do.\*\***

**\*\*Rai: Come on, or I'll add more but with swords.\*\***

**\_\*\*With that said, Hiccup went faster. After another hour of dodging, Koga and Rai allowed him to stop and rest.\*\*\_**

**\*\*Koga: Good job.\*\***

Snotlout: I could do better

Gobber: Yeah right.

Dagur: You would probably not even make it to your second one.

**\*\*Koga: You managed to dodge 12,436,000 arrows in 6 hours.\*\***

Everyone: WHAT!?

Tuff: Is that even possible!?

Fishlegs: From what I know, no.

**\*\*Rai: Really? That's 3,984,000 added from last time. You're improving, but I'm going to train more so that you can't pass me.\*\***

**\*\*Hiccup: Thanks for the info.\*\***

**\*\*Faolan: -enters with another red head boy- Hi guys.\*\***

**\*\*Hiccup: Hey Faolan, Gingka.\*\***

Ruff: So the guy next to Faolan is Gingka and her brother?

Fishlegs: From what I remember, yes.

**\*\*Gingka: Nice job Hiccup though, you need more training.  
\*\***

Snotlout: HA, I bet he's also weak over there.

Alvin: He'll always be weak.

**\*\*Hiccup: Huh?\***

**\*\*Koga: Gingka has a point.\*\***

**\*\*Rai: You can't always use your eyes.\*\***

**\*\*Hiccup: â€|.I'm lostâ€|\*\***

**\*\*Faolan: They mean that you can't always use your eyes. They want you to use your other senses.\*\***

**\*\*Gingka: Yep, smell, sound, taste, touch and sight. Everyone uses their eyes, but that could be used against you, someone might cover your eyes or through something at them, making it difficult for you to see.\*\***

**\*\*Faolan:** By using your other senses, like sound, you can defeat you enemy if your eyes are covered. **\*\***

Gobber: Does that even help?

Spitelout: I don't know.

Alvin: No.

Dagur: How do you know?

Alvin: I don't, I'm just saying that it won't work.

**\*\*Koga:** Faolan, you're up. I want to see how good you are, by using your sense of sound.**\*\***

**\*\*Faolan:** I'm not sure their good enough.**\*\***

**\*\*Rai:** You'll do fine; Haruto, Shun, and Fin have been training you.**\*\***

**\*\*Gingka:** Chao Xin and Dash Xian have also been helping you out. I don't think you're going to fail, especially since they taught you some of Beylin's **\*\*\_\*\***'China's 4 thousand year old tricks'**\*\*\_\*\***.

**\*\*Faolan:** â€|Sometimes I wonder if you're even on my sideâ€| Fine I'll do it.**\*\***

Stoick: There's no way she's going to make it.

Gobber: You never know; I mean Hiccup did it.

Spitelout: He's got a point.

Alvin: For the first time, I agree with Stoick.

**\_\*\***We see Koga help Faolan cover her eyes, He then leaves her and other people enter and start to attack. Faolan gets hit but can't tell where the others are.**\*\*\_**

Tuff: Loser. **-\_**Though he stayed quiet when Stoick and Gobber glared at him.**-\_**

**\*\*Gingka:** -muttering- Come on Faolan, you can do it.**\*\***

Snotlout: NO she can't.

**\_\*\***Faolan stands still while the others make a circle around her; moving very fast that they look like a blur. When one of them went ahead to hit her, she dodges out of the way in time and hit him; making him fall. Faolan then attacked the others easily and before long, she wins.**\*\*\_**

Everyone: Wow.

Fishlegs: I'm lost for words.

Ruff: Thatâ€|

Tuff: Wasâ€|.

Ruff and Tuff: -sync- AWESOME!

Dagur: Is everything that's dangerous awesome to them?

Gobber: Yep.

**\*\*Faolan: -holding right leg- Ahhh! The pain, the horrorâ€|..THE PAIN!\*\***

**\*\*Boys: WHAT!?!\*\***

**\*\*Faolan: Joking.\*\***

Everyone: -laughing-

Gobber: Ohhâ€|she always got me with that one.

Astrid: Did she always say that when she was with you and Hiccup?

Gobber: Yep, she always got us with that one; it never failed, not even once.

Stoick: Not even once?

Gobber: No.

**\*\*Hiccup: Don'tâ€|\*\***

**\*\*Rai: Doâ€|\*\***

**\*\*Koga: Thatâ€|\*\***

**\*\*Gingka: Never ever again.\*\***

**\*\*Faolan: â€|.I feel so loved. Hey lets go to the ice ring and go skating.\*\***

**\*\*Koga: â€|nahâ€|\*\***

**\*\*Rai: I don't feel like skating.\*\***

**\*\*Hiccup: Nether do I.\*\***

**\*\*Gingka: I have other things to do.\*\***

Snotlout: Ha, she got rejected.

Astrid: Yeah, just like you.

Everyone (except Snotlout): -laughing-

**\*\*Faolan: Fine, then I'll just go by myself, skating, in the ring, alone, forever, a lone lonely loner.\*\***

**\*\*Rai: Sure.\*\***

**\*\*Faolan: I'm telling on you guys.\*\***

**\*\*Hiccup: On who?\*\***

**\*\*Faolan: Let's seeâ€|.there's Jackâ€|.uhâ€|Max and do I need to go on?\*\***

**\*\*Koga: â€|.Fine, you win. --\*\***

**\*\*Faolan: Hooray for me! ^\_^\*\***

**\*\*Rai: How is it that she wins?\*\***

**\*\*Gingka: Jack and Max are the oldest out of all of us, and you guys know that they are very, very, but very over protective of Faolan and Hiccup and same goes for me.\*\***

Ruff: Really?

Tuff: I don't believe them.

Astrid: Well you might as well believe it, because you saw what they can do and it looked impossible.

Tuff: â€|good point.

**\*\*Hiccup (V.O): Jack is the oldest one, his full name is Jack Frost, he's from a series called 'Rise of the Guardians', is the spirit of winter, guardian of fun and is 300 years old, but he stayed as a teenager for all those years.\*\***

Everyone: 300 YEARS!?

**\*\*Hiccup (CON.): Max is from a series called 'Max Steel', he may not be the oldest of age but if you look at him and Jack at the same time, you would say that Max is older than him. Both of them are considered to be the oldest Brothers, they are mostly in charge of us and decisions when our fathers aren't around.\*\***

Everyone: Fathers?

Spitelout: Hey Stoick, you might be lucky to have so many children.

Stoick: Be quiet.

Alvin: Yeah, and enough for me to grab and use them against you.

Stoick: I don't even know who the others are.

**\*\*--5 days later--\*\***

**\_\*\*Hiccup enters with a sad face\*\*\_**

**\*\*Jack: Hiccup? What's wrong?\*\***

Dagur: So that's Jack.

**\*\*Hiccup: Nothing, nothing's wrong.\*\***

Gobber: Why is he like that Stoick?

Stoick: I don't know.

**\*\*Jack:** Hiccup you know that I know you better than anyone else.**\*\***

**\*\*Hiccup:** â€|..I knowâ€|**\*\***

Spitelout: Ouch, he knows Hiccup more than you brother, and you're his father.

Alvin: Shame on you Stoick.

**\*\*Jack:** â€|It's about your dad yelling and scolding at you again isn't it.**\*\***

**\*\*Hiccup:** â€|Yeahâ€|**\*\***

**\*\*Jack:** I'm gonna freeze that man if he keeps this up.**\*\***

Stoick: I'm I actually that mean to my son?

Tuff: By the looks of it, yep.

**\*\*Jack (CON.):** I swear, one more, ONE more and that man is a goner.**\*\***

**\*\*Hiccup:** It's pointless; I don't think he's even my father anymore.**\*\***

Alvin and Dagur: Ohhhhhâ€|..

**\*\*Jack:** Why do you say that? **\*\***

**\*\*Hiccup:** He yells at me, he scolds me, he doesn't listen, he doesn't help me, he sees me as a disappointment and he gives up on me easily when I don't do something right on the first try and the same goes for Faolan.**\*\***

Everyone: -looks at Stoick-

**\*\*Hiccup (CON.):** And the village does the same thing. Just because I'm a hiccup, they think that I'm useless. I try to help but it only got me to get the name 'Hiccup the useless'â€|..and my father even forgets that he has Faolan as a daughter, he's acting like she doesn't even exist.**\*\***

\_The village of Berk and Stoick feel bad for what they did to Hiccup and Faolan.\_

**\*\*Jack:** â€|.THAT'S IT! THE ENTIRE VILLAGE IS DONE FOR! **\*\*\_\*\*Jack** and Hiccup head to a room and when they get thereâ€|wellâ€|Jack had kicked the door open because he was mad. Everyone that was inside jumped in surprise, there were also other people they didn't know.**\*\*\_**

**\*\*Faolan:** What's wrong Jack?**\*\***

Snotlout: What do you think?

Ruff: Uhâ€|that he's mad.

\*\*Jack: Faolan, just how long have you and Hiccup been ignored and mistreated in Berk? \*\*\_\*\*That took everyone in the room by surprise.  
\*\*\_

\*\*Faolan: Uhâ€|aboutâ€|.uhâ€|let's seeâ€|there wasâ€|noâ€|hmmâ€|.likeâ€|aboutâ€| 10 or 11â€|\*\*

\*\*Jack: Months?\*\*

Dagur: So you've been ignoring them for months, this is getting interesting.

\*\*Faolan: Well, when you put it that way it isn't so bad, but it's actuallyâ€|.uhâ€|let's just sayâ€|years.\*\*

\*\*Everyone in the room (except for Hiccup and Faolan):  
WHAT!\*\*

Alvin: So you've actually ignored them for years?

Dagur: Now it's getting even more interesting.

\*\*Rai: That village is going to be on fire in the next few minutes.\*\*

\*\*Faolan: We've gotten used to it.\*\*

\*\*Hiccup: Besides, many other villages have done the same thing.\*\*

\*\*Max: WAIT a minute, what did you say?\*\*

\*\*Hiccup: Nothingâ€|..\*\*

\*\*Max: -warning tone- Hiccupâ€|..\*\*

\*\*Hiccup: â€|..\*\*

Stoick: Oh, so he argues with me but not with them.

Dagur: Wow, I'm so surprised to hear that, literally.

\*\*Koga: -warning tone-: Faolanâ€|\*\*

\*\*Faolan: â€|.I was never hereâ€|. \*\*

\*\*Everyone in the room (except for Hiccup): -looks at her-\*\*

\*\*Faolan: â€|.Some other villages form other places might or might not treat us the same way as Berkâ€|..\*\*

\*\*Everyone in the room (except for Hiccup): -still looking at her-\*\*

\*\*Faolan: â€|Quit pressuring me, can we please just forget about it.\*\*

**\*\*Gingka: No.\*\***

**\*\*Faolan: "I'm gonna start to cry because thinking about it makes me cry" and I'm going to burn my own hands if you keep looking at me like that.\*\***

Dagur: Would she actually do that Stoick?

>Stoick: Yeah, she once did it before.<p>

**\*\* Man with brown hair: Koga "!"\*\***

**\*\*Koga: Yes father?\***

Alvin: So that's the father of all of them, shocking.

**\*\*Man with brown hair: Take your sister to some place to have fun; she has been training a lot lately.\*\***

**\*\*Koga: Are you sure? \*\***

**\*\*Man with red hair: Seiya has a point; go have some fun and you to Gingka.\*\***

**\*\*Gingka: OK dad.\*\***

Fishlegs: So " they have 2 fathers.

Tuff: ".I'm lost.

Ruff: You're always lost.

**\*\*Seiya: Thanks Ryo. \*\***

**\*\*Ryo: NO problem. \*\***

**\*\*Hiccups (V.O): Seiya is from 'Saint Seiya Omega', he's been taking care of Koga since he was little and has been looking after Faolan whenever he can; also, he wears the Golden Armor of Sagittarius. \*\***

Snotlout: Gold? Did he say \_GOLD\_?

Dagur: He did, and he said \_Golden Armor\_, so this Seiya guy has an armor made of Gold.

Alvin: If I get it, it's mine.

Tuff: No, it'll be mine.

Gobber: What are you talking about; it's going to be mine.

Stoick: No, since I'm the chief and Hiccup knows about this, it's going to be mine.

Fishlegs: If you can get it that is.

**\*\*Hiccups (CON.): Ryo is from 'Beyblade', he owns Phoenix, the fire bird, he's Gingka's and Faolan's real father. To be honest, I feel as if he was my actual father and he feels as if I was his son in blood**

and so does Seiya.\*\*

Astrid: â€|..Ok, I did not expect that.

Fishlegs: No one did.

\_\*\*To be Continuedâ€|..\*\*\_

\*\*Me: Soâ€|..What do you think? R&R please.\*\*

### 3. Chapter 3

\*\*Ok in the last chapter I forgot to explain about the illusion arrows, so the arrows were just a moorage and if it hit you, it'll just go right through you and it won't hurt you at all. Also, I'm back.\*\*

\*\*Hiccup: I knottiest.\*\*

\*\*Me: â€|.I'm ignoring that, disclaimer please.\*\*

\*\*Hiccup: NightPegasus13 owns nothing except for her OC's\*\*

\_\*\*The boys (except for Hiccup) are all laughing and celebrating.\*\*\_

\*\*Jack: Now that was fun.\*\*

Alvin: what in Thor's name are they talking about?

Dagur: I don't know.

\*\*Koga: So what did you do Jack?\*\*

\*\*Jack: I made a blizzard that was the worse one that Berk has had, I heard that they named it 'the Blizzard of Olaf'\*\*

Snotlout: So he was the one who caused the blizzard!?

Tuff: When I get my hand on Hiccup, he's so done for.

\*\*Rai: Ha good one, when winter finished, I set the village on fire along with 'the immortal Phoenix'.\*\*

\*\*Gingka: Ok, I get it that my dad used his bey Phoenix to start the fire, but how did you do it?\*\*

\*\*Rai: I used this â€"takes a card out- Tai Chi Hwa, Fire, though, I used it more than once.\*\*

\*\*Koga: Bravo Rai, even my dad started a fire a month after you guys did.\*\*

\*\*Jack: Sweet. What did you do Gingka?\*\*

\*\*Gingka: -smiling- Let's just say that I brought them a storm with lots of wind that destroyed the entire village, well, except for Hiccup's house of course.\*\*

**\*\*Max: I gave them a giftâ€|.\*\***

**\*\*Rai: What was your gift?\*\***

**\*\*Max: Well, their water supply had run out so I thought 'I could help them with that'â€|.\*\***

**\*\*Koga: And?\*\***

**\*\*Max: And I made a flood that covered the village, it stopped at the footsteps of Hiccup's house and it stayed like that forâ€|.uhâ€|let's seeâ€| a week.\*\***

**Stoick: So that's how all of those things happened.**

**Outcasts and Berserkers: -laughing-**

**\*\*Koga: Even I did it to the Outcasts.\*\***

**\*\*Boy with Blue eyes: And like Max, I gave the Berserkers a gift.\*\***

**\*\*Gingka: What was your gift Percy?\*\***

**\*\*Percy: Well, I'm going to be grinning like an idiot at the end, but I gave them a flood, a dry out, tsunamis, and with Jacks help we were able to freeze the village with ice during winter.\*\***

**\*\*Jack: Yeah, it took them a month to clear it all out, but since the two of us kept adding more, it took them the entire winter to clear it all out.\*\***

**\*\*Boys: AWSOME!\*\***

**Everyone: WHAT!?**

**Astrid: Who knew that just by ignoring and mistreating Hiccup and Faolan would make this happen.**

**\*\*Percy: However, Faolan did get mad at us for doing it to Berk.\*\***

**\*\*Koga: Hiccup got so mad at us for doing it to everyone; I know he cares about them even if they don't care about him, even Faolan cares about them. \*\***

**\*\*Rai: They might be mistreated, but they still have a heart of pure gold; that we all know.\*\***

**\*\*Faolan: -from another room- PERCY JACKSON STARLIGHT NIGHTLIGHT, WHAT DID I SAY ABOUT FLOODING THE VILLAGE AGAIN!\*\***

**\*\*Max: You're in big trouble Percy.\*\***

**\*\*Gingka: Yeah, she called you by your full name.\*\***

**\*\*Percy: Got' a go. â€"Leaves in a hurry-\*\***

**\*\*Faolan: -enters- Alright, were is he, Were. Is. He?\*\***

**\*\*Rai:** Left that way my dear sister. -points to were Percy  
exit-**\*\***

**\*\*Percy:** -from the other side of the exit- TRADOR!**\*\***

**\*\*Faolan:** Thanks Rai â€"Fallows Percy- Come back here! You're in big  
trouble mister!**\*\***

Fishlegs: Wow, for being the youngest, she looks like she's the  
boss.

**\*\*Next day- \*\*\_\*\***There are many people with different clothes that  
are facing forwards to a stage and they are all screaming with  
excitement.**\*\*\_**

Astrid: What's going on?

Snotlout: Looks like it's a meeting.

Dagur: If it was, they wouldn't be screaming.

**\*\*Koga:** You ready Hiccup?**\*\***

**\*\*Hiccup:** Ready as I'll ever be.**\*\***

**\*\*Koga:** Ok let's go. â€"Koga and Hiccup go on stage- (Your love is  
like a river flowing from my heart)**\*\***

**\*\*Koga: \*\*\_\*\***Your love is like a river flowing from my  
heart**\*\*\_**

**\*\*Hiccup\*\*\_\*\*:** Your love is like a river flowing from my  
heart**\*\*\_**

**\*\*Hiccup and Koga make roses made of water and hand them to girls  
that are in front of them.\*\***

**\*\*Koga\*\*\_\*\*:** When this cruel world teas us apart**\*\*\_**

**\_\*\*Your love is like a river flowing from my heart\*\*\_**

**\_\*\*When sharpened words have left their scars\*\*\_**

**\_\*\*Your love is like a river flowing from my heart\*\*\_**

**\_\*\*And it's overflowing and showing us all \*\*\_**

**\_\*\*How deep and how wide is your love\*\*\_**

**\*\*Koga makes more roses and hands them to a brown haired girl who  
then blushes madly but smiles.\*\***

**\*\*Hiccup\*\*\_\*\*:** It never stops, it rages on**\*\*\_**

**\_\*\*Your love is like a river flowing form my heart\*\*\_**

**\*\*Hiccup makes a beautiful rose than before and hands it to a girl  
with red hair who also blushed madly.\*\***

**\_\*\*When I am tired and so afraid \*\*\_**

**\*\*Koga\*\*\_\*\*:** Your love is like a fire that will light my way\*\*\_

\_\*\*When darkness falls and my vision fades\*\*\_

\_\*\*Your love is like a fire that will light my way\*\*\_

\_\*\*And it's always burning and stirring my soul\*\*\_

\_\*\*To know you and love you much more\*\*\_

\_\*\*It never stops or ever fades\*\*\_

\_\*\*Your love is like a fire that will light my way\*\*\_

**\*\*Koga** then makes a rose of fire, but this one doesn't burn, and hands it to another girl, who smiles and blushes as he gives it to her and smiles at her.\*\*

**\*\*Hiccup:\*\*\_\*\*** It's never gonna stop\*\*\_

**\*\*Hiccup** makes a rose of pure light, and it looks beautiful when it glows. He then goes further into the crowd and gives it to another girl.\*\*

**\*\*Koga:\*\*\_\*\*** It's flowing from my heart\*\*\_

**\*\*Koga** follows Hiccup and he too gives a rose of light to a girl.\*\*

**\*\*Hiccup:\*\*\_\*\*** It's never gonna fade away\*\*\_

**\*\*Koga** and Hiccup return to the stage.\*\*

**\*\*Hiccup** and **\*\*Koga:\*\*\_\*\*** You fire will light my way\*\*\_

**\*\*Before** they get there they both made a rose that had light and fire and handed it to a very luck girl with blond hair.\*\*

**\*\*Hiccup:\*\*\_\*\*** When all my strength and hope is gone\*\*\_

\_\*\*Your love is like a rock that I am standing on\*\*\_

**\*\*Hiccup** makes a rose that's made of rock, but it still looks beautiful like the others, and gives it to a black haired girl.\*\*

**\*\*Koga:\*\*\_\*\*** It's never gonna stop\*\*\_

**\*\*Koga** then shots a blue light above the crowds' heads on his right, it then explodes; many water and rock roses fall and girls start to grab them.\*\*

**\*\*Hiccup:\*\*\_\*\*** It's flowing from my heart\*\*\_

**\*\*Hiccup** does the same thing but on his left and instead of water and rock, they are fire and light roses.\*\*

**\*\*Koga:\*\*\_\*\*** It's never gonna fade away\*\*\_

**\*\*Hiccup:\*\*\_\*\*** Your love is like a river flowing from my heart**\*\*\_**

**\*\*Koga:\*\*\_\*\*** Your love is like a fire that will light my way**\*\*\_**

**\*\*Hiccup:\*\*\_\*\*** Your love is like a rock that I am standing on**\*\*\_**

**\*\*Koga and Hiccup:\*\*\_\*\*** Your love is like a river flowing from my heart**\*\*\_**

**\*\*Hiccup** makes a water and rock rose while **Koga** makes a fire and a light rose, they both put them together to make one big and beautiful rose and give it to the luckiest girl in the entire crowd; a red head girl name Lily. Everyone goes wild when they had finished their song and congratulated Lily.**\*\***

Everyone: â€|

Alvin: This is so shockingâ€|

Dagur: I agree with you Alvinâ€|.

Teenaged Girls: That was so beautiful! I want a rose like that!

**\*\* -20 minutes later- \*\***

**\*\*Koga: -Backstage with others- Come on, it's almost time for her to start.\*\***

**\*\*Faolan: -enters, wearing fancy clothes, has her hair down and has makeup on- Sorry I'm late.\*\***

**\*\*Gingka: It's ok, the important thing is that you got here.\*\***

**\*\*Hiccup: And just in time.\*\***

Alvin: What are they talking about?

Stoick: How are we supposed to know? I'm still shocked about the last one.

**\*\*Jack: Wow, first time I've seen you put your hair down and put makeup on.\*\***

**\*\*Faolan: My dad forced me to use something fancy and my helpers put the makeup on me.\*\***

**\*\*Gingka: Never again did I think I would see you with your hair down and wear fancy cloths.\*\***

**\*\*Faolan: You know that I only do this in special moments.\*\***

**\*\*Gingka: True.\*\***

Gobber: I barely recognize her.

Dagur: She looks like a different person.

Stoick: I've never seen her with her hair down, not even when she was a baby.

**\*\*Koga: Ok Faolan, are you ready?\*\***

**\*\*Faolan: Ready, nervous, but ready.\*\***

**\*\*Koga: Good, go on ahead, they are waiting for you to sing.\*\***

Everyone: Sing?

Viking #9: Does she even sing?

Alvin: She might but not good enough.

**\*\*Gingka: Break a leg.\*\***

**\*\*Faolan: Thanks. -Goes on stage and the crowd goes wild- \*\***

Tuff: He wants her to break a leg?

Ruff: Cool.

Fishlegs: That just means good luck when you are performing on stage.

Twins: Ohâ€¦

\*\*Again the crowd went wild when she finished singing and they started to throw roses and other flowers at her for her wonderful performance. She thanked them and went backstage where the others were waiting for her, wiping away some tears.\*\*

Teenaged boys: BRAVO, BRAVO! SHE WAS SO AWESOME!

\_\*\*A boy with white-ish hair came from behind Faolan and tapped her

left shoulder.\*\*\_

\*\*Boy with white-ish hair: Great job Miss Hagane or should I say; Miss Faolan. \*\*\_\*\*He gives Faolan a rose that has all of the elements of Earth; Fire, Water, Ice/Snow, Rock/Soil, Lightning, Wind, Light and Dark.\*\*\_

Teenaged girls: KYAA! He's so very dam Handsome!

\*\*Faolan: Awww, arigato Eden, you're such a gentlemen. \*\*\_\*\*Faolan takes the rose from Eden's hand and gives him a quick kiss in the cheek, leaving a kiss mark of her lips in his right cheek; which makes him blush and have Koga tease him.\*\*\_

Snotlout and Tuff: Eww get a room.

Fishlegs: I can't look anymore.

Dagur: Eww, I think I'm going to through up.

Astrid: Come on, it was just a kiss on the cheek.

Ruff: You boys exaggerate too much.

\*\*Koga: I can't believe I'm seeing this. Eden has a crush on my sister.\*\*

\*\*Eden: Shut up Pegasus.\*\*

\*\*Hiccup: Ohh, come on Eden, we all know you love her but don't want to admit it.\*\*

\*\*Eden: I'm not even going to argue with you, you're both impossible.\*\*

\*\*Koga: Soâ€|when's the wedding? \*\*

Teenaged girls: WHAT! No, I want to marry Eden!

Snotlout: Seriously?

Alvin: Who would have thought that someone would fall in love with her?

\*\*Faolan: Ignore them Eden, you know that they are just teasing you, which reminds me, hey Koga, are you and Yuna dating yet?\*\*

\*\*Koga: -blushes- Iâ€|uhâ€|I have no idea what you're talking about.\*\*

\*\*Faolan: See Eden, just use something against him.\*\*

\*\*Rai: -crying- I can't believe it, my little sister is all grown up.\*\*

\*\*Percy: I know right â€|starting to cry- she's growing up so fast.\*\*

\*\*Ryo: Young love.\*\*

**\*\*Gingka:** She'll soon be married to Eden, -tears start to fall- and then she's going to leave us.\*\*

**\*\*Rai:** NO! Not our dear little sister -crying harder along with the others-\*\*

Everyone: â€¦..

Ruff: Wow, they really care about her so much.

Tuff: Yeah, and they exaggerate about her growing up.

**\*\*Faolan:** -sweat dropping- Ohh guysâ€¦.I'm not leaving you.\*\*

**\*\*Boys that were crying:** Really?\*\*

**\*\*Faolan:** Really, **\*\*\_\*\*Eden** puts his arms around Faolan's shoulders and she hugs him. **\*\*\_\*\*At least not yet.\*\***

**\*\*Boys:** WHAT!?\*\*

**\*\*Faolan:** I'm just playing around with you guys. I'll always be your little sister, no matter what.\*\*\_\_

**\*\*Boys:** Group hug! **\*\*\_\*\*Faolan** and Eden get stuck in a group hug.\*\*\_

Kids: Awwwâ€¦.

**\*\*Soâ€¦.what so ya think?\*\***

**\*\*Boys:** Faolan and Eden sitting in a tree, K-I-S-S-I-N-G, first comes love then comes marriage, then comes Faolan with a baby-\*\*

**\*\*Faolan:** Oh shut up you guys.\*\*

**\*\*Me:** â€¦..I'm not part of thisâ€¦R&R please. \*\*

#### 4. Chapter 4

**\*\*I'm back! :D** So some parts of the movie are going to be shown or maybe not and Hiccup, the-\*\*

**\*\*Hiccup:** NightPegasus13 doesn't own HTTYD or anything else except for her OC's.\*\*

**\*\*Me:** â€¦.How did you know I was going to say, do the disclaimer?  
\*\*

**\*\*Hiccup:** -to Faolan- Is she serious?\*\*

**\*\*Faolan:** Don't look at me.\*\*

**\*\*Me:** Joking, I always say that so of course you would have known. Enjoy.\*\*

\_\*\*Seiya, Koga and Hiccup are in the living room, but Hiccup doesn't seem to be paying attention on what Seiya and Koga are saying.\*\*\_  
\_

**Hiccup (Flash back):** **\_Hiccup** is outside during a dragon raid, he launches a bola with the help of his new invention. The bola hits something; a Night Fury, it starts to fall from the sky.**\_**

Everyone was surprise to see that Hiccup had hit a Night Fury, the unholy offspring of Lightning and death itself.

**\_Hiccup (Flash back CON.):** A Nightmare follows him and is about to kill him, but Stoick saves him just in time. When the dragon raid is over, Hiccup tells his dad that he shot down a Night Fury but he doesn't believe him and has Gobber to take him home.**\_**

**\_Hiccup** was in the forest and was about to kill the Night Fury but he then cuts the ropes to set it free. The Night Fury pinned him down by his neck, roared in his face and then left.**\_**

**\_(End of Flash back)\_**

**Koga:** Hiccup, Hey, stop daydreaming. Hiccup Starlight Nightlight!**\*\***

**Hiccup:** -thoughts interrupted- Hmm, what?**\*\***

**Seiya:** What's wrong?**\*\***

**Hiccup:** -avoiding eye contact- Nothing.**\*\***

**Seiya:** -warning tone- Hiccupâ€¦**\*\***

**Hiccup:** â€¦there was a dragon raid today, I shot down a Night Fury but no one believed me.**\*\***

**Koga:** So that's why you're like this, and you killed the Night Fury?**\*\***

Snotlout: NO he didn't!

Tuff: He let it go!

**Hiccup:** No, when I looked at him in the eyes I saw myself, scared and alone, so instead of killing it I let it go. But, what always hurts me is that my father doesn't believe me.**\*\***

**Seiya:** -muttering- That man.**\*\***

**Hiccup (CON.):** He also doesn't listen to me and when he does, it's with this disappointed scowl, like someone skimped on the meat in his sandwich.**\*\***

**(Mimics Stoick):** **\_Excuse me, barmaid.** I'm afraid you brought me the wrong offspring. I ordered an extra-large boy with beefy arms, extra guts and glory on the side. This here, this is a talking fishbone.**\_**

**Seiya:** That man is asking for a death wish.**\*\***

Dagur: Shame on you Stoick, you should be very ashamed.

Stoick: You think I'm not?

Dagur: Wellâ€¦

Stoick: Don't answer that.

\*\*Hiccup: â€¦though, I find it strange that he didn't kill me.\*\*

Dagur: Which, it should have.

Stoick and Gobber: -glaring at Dagur-

\*\*Koga: What makes you say that?\*\*

Everyone: 'Cause a dragon always kills on sight.

\*\*Hiccup: Because everyone says that dragons kill on sight, it evens says that in the book of dragons.\*\*

\*\*Koga: Then I'd say that you guys judge people and others by how they look don't they.\*\*

\*\*Hiccup: Pretty much.\*\*

Astrid: And he doesn't judge people by how they look?

\*\*Seiya: No surprise there.\*\*

Everyone: Hey!

Spitelout: What's that supposed to mean?

Alvin: I don't know but if he's calling us dumb, he's going to regret that.

\*\*Hiccup: I also saw it today in this cove and it didn't kill me.\*\*

\*\*Koga: Well, there might be more to dragons than just scales and fangs.\*\*

\*\*Hiccup: What do you mean?\*\*

\*\*Seiya: You said that many Vikings had said that dragons kill on sight and the book said the same thing. Well, the Night Fury didn't kill you when he saw you so it's possible that there is something that you don't know.\*\*

Stoick: What is he talking about?

Alvin: Who knows?

\*\*Hiccup: So you're saying that Dragons may not be what we think they are?\*\*

\*\*Koga: Yep.\*\*

\*\*Seiya: Never judge someone by how they look or what they are. What you should judge is **\_\_who\_\_** they are. This is something Vikings can't do; judge people by who they are they don't even know that

you're actually better than them.\*\*

Tuff: How is it that he's better than us?

Fishlegs: I have no idea.

\*\*Hiccup: No I'm not, you forgot that I'm a hiccup; I can't even lift an ax.\*\*

\*\*Koga: True, but strength won't always help you win a battle. Your smarter than other Vikings, like, if you were at the Dragon Arena and were going to the Great Hall, the other Vikings would have taken the trail that was longer, you on the other hand, would have taken a short cut; a faster way than the long one. Sometimes, smartness and weakness could turn out be your strength, you might not believe me but you'll understand later on.\*\*

Everyone: â€¦.

Viking #1: Wellâ€¦ the boy's got a point; we would have taken the long way to the Great Hall.

Alvin: Looks like his better than we thought.

\*\*Hiccup: I guess you're right.\*\*

\*\*Seiya: Alright Hiccup, it's time for you to go train with Rai.\*\*

\*\*Hiccup: OH, yeah, he's teaching me how to use Tai Chi Cards, you know the one he used to start a fire on Berk, which I'm still mad about. \*\*\_\*\*An image of Rai taking a card out; Tai Chi Hwa, Fire, when they were telling each other on what they did to the villages. (A/N: In the 3\*\*\_\_\*\*rd\*\*\_\_\*\* chapter at the beginning)\*\*\_

\*\*Koga: He heâ€¦.uhâ€¦sorry about that.\*\*

\*\*Hiccup: It's ok, you only did it because you were mad, I'm not blaming you there.\*\*

\*\*Koga: True, well, good luck little bro and do your best, I know you can do it.\*\*

\*\*Hiccup: Thanks Koga.-leaves-\*\*

\*\*Seiya: The only thing he needs is support and he is able to become strong and give it all that he's got.\*\*

Snotlout: Really?

Alvin: Well, if you ask me, that's not a Viking thing.

Everyone: Agreed.

\*\*Koga: Yea, but, it's a shame that his own father doesn't know that, if he did, Hiccup wouldn't have to be bullied and suffer all the time. \*\*

\*\*Seiya: The good thing is that Hiccup hasn't given up. When he came here, he was about to give up on everything and maybe even kill

himself, but seeing that we never gave up, no matter what, made him want to keep going and become stronger, like we did. That gave him hope, have something to live for and enjoy some time with his family; us.\*\*

\*\*Koga: You know, during Christmas or which he calls Snoggletog, I asked him what he wanted because I wasn't able to get him something. He said that I already gave him a gift, as did everyone else.\*\*

Fishlegs: So to them, Snoggletog is Christmas? Huh, that's new.

Astrid: I kind of like the name.

Ruff: Me too.

\*\*Seiya: What was it?\*\*

\*\*Koga: â€|I asked the same thing and he said 'a family'. I didn't think it was much, but for him it was.\*\*

\*\*Outside: Training arena-\*\*

\*\*Woman in mask: Faolan, for today, you're going to battle against Koga. He knows more than you and since he's your brother, it should be easier for you, any questions?\*\*

Dagur: Who's the lady with the mask on?

Tuff: Wow, did she get a burn on her face?

Ruff: I think she did, that would explain why she has a mask on.

\*\*Faolan: None right now, thanks for asking Shina-san.\*\*

Spitelout: What kind of name is Shina?

Gobber: I don't know, they'll probably say 'What kind of name is Spitelout?' if they heard it.

Alvin: True.

\*\*Shina: No problem, but I got to say, you're learning faster than Koga when I trained him.\*\*

\*\*Faolan: Really?\*\*

\*\*Shina: Yes, example; break that rock. \*\*\_\*\*Shina-san is pointing to a 10 feet rock.\*\*\_

Everyone: Hahaha!

Tuff: No way is she going to break it.

Stoick: You're right; she'll just break her hand and will complain like she did with me.

\*\*Faolan: \*\*\_\*\*Hits the rock but hurt her right hand.

**\*\*\_\*\*OW!\*\***

Alvin: You're right Stoick; she can't break the rock.

Dagur: But then again, she didn't complain.

**\*\*Koga: Don't worry Faolan the same thing happened to me.\*\***

**\*\*Shina: You need to concentrate Faolan, you concentrate, and you're able to do it. Try it again. \*\***

Snotlout: Yeah right.

Ruff: Even if she did concentrated she won't be able to break it.

**\*\*Faolan: \*\_\*\*looks at the rock. "\*\*\*\_\*\*Concentrate\*\_\*\*" \*\_\*\*she thought. \*\_\*\*'Feel the cosmos within you Faolan.' \*\_\*\*said a voice in Faolan's head, which was actually Seiya's voice.\*\***

Fishlegs: What's a Cosmo?

Astrid: Don't know, but I wonder what it can do.

**\*\*Faolan: \*\_\*\*Keeps looking at the rock then closes her eyes. "\*\*\*\_\*\*Concentrateâ€|Feel the cosmos within me." She thought. \*\_\*\*A white with a shade of blue aurora surrounded her, Faolan's eyes shot open and she again hit the rock with her right hand. The rock started to crack and in those cracks; there was a white and blue light, the rock then broke, completely.\*\*\_**

Everyone: WHAT!

**\*\*Faolan: -eyes open wide in surprised (at the same time her aurora disappears) and looks at her right hand- How did Iâ€|.??\*\***

**\*\*Koga: That, my dear sister, is the power that you possess.\*\***

Dagur: Wait, wait, waitâ€|..so she had that type of power?

Tuff: So cool.

Ruff: Yeah imagine that we had that power.

Everyone: -think about having Faolan's type of power- Awesome.

**\*\*Shina: You did well Faolan, it took Koga longer for him to do it.\*\***

**\*\*Koga: HEY!\*\***

**\*\*Shina: Here â€"gives a crate to Faolan- you earned it.\*\***

Astrid: A box?

Viking #8: What's so special about a plain box?

Gobber: Aside for the shiny metal.

**\*\*Faolan: -looks at the crate- Isâ€¦..is thisâ€¦.??\*\***

**\*\*Koga: Yes, this is Pendra, your armor.\*\***

Spitelout: How's armor going to fit in there?

Snotlout: She can't even wear our armor, so I don't think she deserves to have it.

**\*\*Faolan: Soâ€¦.I'mâ€¦.\*\***

**\*\*Shina: Yes, you're now a Bronze Saint, Faolan of Pendra.\*\***

Dagur: Is that something good?

**\*\*Koga: Hey, Faolan, try it out, it takes time for beginners and since I'm helping you out you can ask me things if you have trouble.\*\***

**\*\*Faolan: Ok.\*\***

**\*\*Koga: Let me just go get mine.-leaves-\*\***

**\*\* -10 minutes later- \*\***

**\*\*Koga: Pegasus. \*\*\_\*\*Koga's create opens and shows the armor of Pegasus, it then separates and by itself; puts itself on Koga. (A/N: Look it up 'cause I'm terrible at explaining.) \*\*\_**

Snotlout: Cool, I should have it.

Astrid: You want anything that awesome.

**\*\*Faolan: Pendra. \*\*\_\*\*The same thing happens to Faolan; her armor puts itself on her. When it's completely on, it looks a bit like Koga's, but instead of having red highlights, she had light blue and in her arms, she has chains wrapped around them. (A/N: like the Andromeda armor.)\*\*\_**

Stoick: Wowâ€¦.

Alvin: Can't believe your daughter has that.

**\*\*Koga: Ready?\***

**\*\*Faolan: Ready as I'll ever be.\*\***

**\*\*Koga: Ok.-charges at her but she moves out of the way-\*\***

**\_\*\*Battle continues\*\*\_**

**\*\*Shina: \*\*\_\*\*At the top of hill with Seiya looking down at Koga and Faolan. \*\*\_\*\*Seiya, you worry too much about her, she's now a bronze saint. If something bad happens and Stoick isn't around, she'll now be able to protect and defend herself.\*\***

**\*\*Seiya: I know, but stillâ€¦..-looks at Faolan-\*\***

**\*\*(Seiya's Flash Back) \*\*\_\*\*It's raining and\*\*\_\_\*\*4 year**

old\*\*\_\_\*\*Faolan is in the forest running and is seriously injured.\*\*\_

\_\*\*Outcast #3: Over there.-an arrow hits her on her left leg and that makes her fall-\*\*\_

\_\*\*Outcast #2: We got her know.\*\*\_

Stoick: When did this happen Alvin?

Alvin: Uhhâ€|.when we did a sneak attack on you.

\_\*\*The outcasts surround her and are about to grab her but are stopped when Seiya appears and gets in front of her.\*\*\_

\_\*\*Outcast #7: Get out of the way if you know what's good for you.\*\*\_

\_\*\*Seiya: -doesn't move at all-\*\*\_

\_\*\*Outcast: Fine, have it your way â€"all of the outcasts that were chasing Faolan aimed their arrows at Seiya and launched them at him-\*\*\_

\_\*\*Seiya: -Puts on his Golden Armor.-\*\*\_

Dagur: So that's the Golden Armor

Snotlout: Look how shiny it is.

Ruff: Forget about that.

Tuff: Yeah, think about what it can do.

\_\*\*Seiya: Ryu Sei Ken! â€"A blue light comes out of his right hand and it heads for the outcasts, it destroys the arrows and sent the outcasts flying. When they get up they quickly leave.\*\*\_

Twins: Wow

Alvin: Now that I've seen how powerful it is, it's mine.

Stoick: No, it's mine.

Spitelout: NO, mine.

Astrid: Here we go again.

\_\*\*Seiya: Can you get up?\*\*\_

\_\*\*Faolan: -shakes her head; no-\*\*\_

\_\*\*Seiya: -takes out any arrows she has carefully, but she still screams in pain, he picks her up giving her a piggy-back ride, and leaves.\*\*\_

\_\*\*-In Faolan's room at the castle- \*\*\_

\_\*\*Faolan: -in her bed with lots of bandages on, and is asleep-\*\*\_

Tuff: Wow, look at how badly hurt she is.

Ruff: Just how many times did she get hit?

\_\*\*Ryo: How bad is it?\*\*\_

\_\*\*Healer: It's not too bad, but make sure that she gets enough rest.\*\*\_

\_\*\*Seiya: Thank you.\*\*\_

\_\*\*Healer: No problem.-leaves-\*\*\_

\_\*\*Koga and a few other boys (Kids age): -enter-\*\*\_

Teenage girls and adults: Awww, they're so cute.

\_\*\*Koga: Dad, how is she?\*\*\_

\_\*\*Gingka: Is she going to be ok?\*\*\_

\_\*\*Percy: How hurt is she?\*\*\_

\_\*\*Rai: What happened to her?\*\*\_

\_\*\*Ryo: Calm down everyone. Faolan's all right, she just needs to rest.\*\*\_

\_\*\*Rai: When I find out who did it, they'll pay.\*\*\_

Alvin: Even at a young age they're tough.\_\_

\_\*\*Seiya: Don't worry, I already showed them not to mess with her, but if they hurt her again, then they'll be in bigger trouble.  
\*\*\_

\_\*\*Ryo: The good thing is that she wasn't hurt too badly, but what about Hiccup?\*\*\_

\_\*\*Gingka: Jack went to see him to make sure he was fine and he said that he's ok.\*\*\_

\_\*\*Ryo: Good.\*\*\_

\*\*(Flash back ended)\*\*

\*\*Seiya: I became more protective after that, she could have been in worse conditions.\*\*

\*\*Shina: The good thing was that she wasn't.\*\*

\*\*Seiya: But what if she was?\*\*

\*\*Shina: Don't worry Seiya; she's stronger than before. You know that you can't always protect her, you can only prepare her.\*\*

\*\*Seiya: I knowâ€¦|-looks at Faolan-\*\*

\*\*Faolan: -dodges one of Koga's attacks-\*\*

**\*\*Seiya:** Faolan isn't the same girl she used to be, but like everyone else, she still has a lot to learn. By the way, I have a question.\*\*

**\*\*Shina:** Which is?

**\*\*Seiya:** Why do girls that are saints wear masks again?

Gobber: Yes, that's something I want to know.

Tuff: Uh...because they have a scar?

**\*\*Shina:** Seiya, do I need to say it again?

**>Seiya:** Yes.<strong>

**\*\*Shina:** Girls that are saints are supposed to have masks to hide our identity.\*\*

**\*\*Seiya:** Ohh thanks, but Faolan doesn't need one.\*\*

**\*\*Shina:** No, she doesn't need one.\*\*

**\*\*Faolan:** HA, I win!\*\*

**\*\*Koga:** I demand to have a rematch!\*\*

**\*\*Seiya and Shina:** -laughing-

**\*\*Seiya:** Good job Faolan!\*\*

**\*\*Faolan:** Thanks dad! I'm so happy!\*\*

**\*\*Shina:** Koga, I think you're getting a bit soft.\*\*

**\*\*Koga:** I need to train more.\*\*

Everyone: -laughing-

Dagur: I can't believe it; she just started using that armor of hers and she won against her brother that has been using his for a long time.

**\*\*So,** what do y'all think?

**\*\*Twins:** Cool!\*\*

**\*\*Faolan:** I can't believe it. I became a Saint like Koga!\*\*

**\*\*Me:** That reminds me, Pendra is an invention of mine.\*\*

**\*\*Faolan:** so you finally made a new OC's\*\*

**\*\*Me:** No.\*\*

**\*\*Faolan:** Meany.\*\*

**\*\*Me:** Pendra has the body of Pegasus and has Andromeda's chains. Look at the Pegasus in Saint Seiya Omega, it looks like that but this one has chains as highlights for Pegasus hair and tail and it's also in

Pegasus wings.\*\*

\*\*Hiccup: Cool.\*\*

\*\*Me: Thanks, also I just came up with the idea that girls that are Saints hide their identity with masks. I can't remember why they exactly have masks on, so I just put this instead. \*\*

\*\*Faolan: Really?

>Me: Yes, and a warning, I won't be updating for a while, you got lucky because I was able to use the internet during spring break. Now that school is going to start again, I won't be updating much, may take a month or longer but I will do my best to do it sooner. R&R please.<strong>

## 5. Chapter 5

\*\*Againâ€|.I'M BACK! Hiccup, disclaimer please.\*\*

\*\*Hiccup: NightPegasus13 owns nothing but her OC's, Pendra and her invented armor and Ideas.\*\*

\*\*Me: Thanksâ€|I think, anyway enjoy.\*\*

\_\*\*Faolan and Hiccup are in bed, Faolan in the bunk above and Hiccup at the bottom one, and are both asleep. Suddenly, a noise is heard, both Faolan and Hiccup do their best to ignore it but fail.\*\*\_

Gobber: What is that noise?

Dagur: Who knows, but I've never heard it beforeâ€|..and it's too loud!\_\_

\*\*Hiccup: Turn the alarm off.\*\*

\*\*Faolan: I'm up here and it's next to you so you do it.\*\*

\*\*Hiccup: Fine. \*\*\_\*\*Hiccup stretches his hand to turn it off, he's only a few inches away but he's a bit too tired and lazy to turn it off. \*\*\_\*\*Almostâ€|almostâ€|no can't reach it.\*\*

\*\*Faolan: Fine, I'll do it. \*\*\_\*\*Faolan lazily reaches the alarm and presses a button but nothing happens, she presses the button again and again nothing happens, and Faolan starts to get frustrated.\*\*\_\*\*Off, off, off, off.â€|why won't it turn off!? \*\*\_\*\* Faolan hits the alarm then finally pulls the plug and the noise stops.\*\*\_

Alvin: â€|Temperâ€|.

Gobber: She's only like that when she's tired.

Astrid: You seem to know them more than us.

Gobber: That's because they spent a lot of time in the forge.

\*\*Hiccup: Finally.\*\*

**\*\*Gingka and Koga: \*\*\_\*\*Burst into the room.\*\*\_**

**\*\*Koga: Ok guys; get up because we have more training to do.\*\***

**\*\*Gingka: Come on you two, let's move it. \*\*\_\*\*Gingka shakes Hiccup until he gets up.\*\*\_**

**\*\*Hiccup: Ok, I'm up, I'm up. \*\***

**\*\*Koga: You to Faolan.\*\***

**\*\*Faolan: â€|.10 more minutes.\*\***

**Fishlegs: â€|.Soâ€|.is she also like that?**

**Gobber: Only when she doesn't get enough sleep.**

**\*\*Gingka: Nope.\*\*\_\*\* Gingka and Koga drag her out of bed by her legs but she has a hold of the bed.\*\*\_**

**\*\*Faolan: NO! Just a few more minutes! I need to sleep! I need to sleep!\*\***

**Snotlout: Hahahaâ€|. Is she also like that?**

**Gobber: I don't know, never seen her like that before.**

**\*\*Koga: Come on Faolan, you can't stay in bed all day.\*\***

**\*\*Faolan: I can and I will.\*\***

**\*\*Other Brothers: -enter-\*\***

**\*\*Gingka: Hey guys, help us out; she doesn't want to get up.\*\***

**\*\*Boys (except Hiccup): -smirks-\*\***

**Ruff: I hope there's going to be a battle.**

**Tuff: Yeah, that would be interesting.**

**Fishlegs: One girl against all those boys?**

**Snotlout: I bet the boys are going to win.**

**Alvin: Same here.**

**Dagur: And here.**

**\*\*Boys (except Hiccup): \*\*\_\*\*All the boys pull Faolan by her legs but she doesn't budge.\*\*\_**

**\*\*Rai: Come on guys, we can do it!\*\***

**\*\*Percy: She won't budge.\*\***

**Everyone: â€|..**

Stoick: Wowâ€¦.

Viking #17: You're lucky to have kids like them Stoick.

Stoick: Yeah I guess you're right.

\*\*Hiccup: -enters- â€¦..What's going on?\*\*

\*\*Max: She doesn't want to get out of bed.\*\*

\*\*Hiccup: â€¦..-walks to Faolan and whispers something into her ear-\*\*

\*\*Faolan: â€¦Really?\*\*

\*\*Hiccup: Yep.\*\*

\*\*Faolan: -let's go of the bed and that makes all the boys (except Hiccup) fall backwards-\*\*

\*\*Boys (except Hiccup): AAAHHHHH!\*\*

\*\*Faolan: \*\*\_\*\*In a blur, Faolan goes to the bathroom closes the door but before the boys get up; Faolan comes out already changed and heads to the kitchen table.\*\*\_

Stoick: I've never seen her go that fast before.

\*\*Jack: Okâ€¦.what did you say that made her go that fast?\*\*

\*\*Hiccup: One wordâ€¦\*\*

\*\*Koga: And that would beâ€¦.?.\*\*

\*\*Hiccup: Fai.-runs to the kitchen table-\*\*

Everyone: Fai?

Dagur: Who on earth is Fai?

\*\*Boys: Fai?\*\*

\*\*Rai: Wait, if he said Fai and said it to Faolanâ€¦.\*\*

\*\*Max (CON. For Rai): And they both headed to the table in a rushâ€¦\*\*

\*\*Koga (CON. For Max): Then that would meanâ€¦.\*\*

\*\*Gingka (Finishes for Koga): FAI COOKED TODAY!\*\*

\*\*Boys: WHAT!?\*\*

\*\*Gingka: Hey, wait for me!\*\*

\*\*Rai: Let's hurry before they finish all the food!-boys run to the table-\*\*

Fishlegs: Wonder what's so special about Fai being there.

Astrid: It could be one of the favorite brothers.

Ruff: Or a friend.

**\*\*Kitchen Table\*\***

**\*\*Hiccup: That was delicious, thanks Fai.\*\***

**\*\*Fai: No problem.\*\***

Teenage Girls: KYAAAA! HE'S SO HANDSOME!-Hearts flying every ware-

Snotlout: Again, seriously?

**\*\*Faolan: I just can't get enough of your food Fai-san, can you teach me?\*\***

**\*\*Fai: Sure, when do you want to start?\*\***

**\*\*Faolan: Whenever you want, you are after all going to teach me.\*\***

**\*\*Fai: Ok, we can start tomorrow if you like.\*\***

**\*\*Faolan: Sure and thanks Fai-san.-hugs Fai-\*\***

**\*\*Hiccup (V.O.): Fai is from a series called Tsubasa, he, like the others, is very protective of Faolan and me; he'll get mad if someone hurt us and he'll probably get revenge for us. Also, he's not exactly a member of the Nightlights, but if one of us takes someone as a brother or a sister; they are accepted by everyone else and are considered to be one of our family members.\*\***

Alvin: If that's true, then I'm going to get someone to be part of that family.

Gobber: Why?

Alvin: 'Because if I do that, I'll be considered to be a Nightlight member and I'll be able to get something they have, like the armor.

Dagur: And what makes you say that you'll be a Nightlight member?

Alvin: I find someone that sees me as a brother or a father; make that person be a member of the Nightlights and since they said that if one of them takes someone else as a brother or sister or something else, that person I sent would see me as a family member, making all the other take me in as a Nightlight and that would help me get an armor like Faolan's and other things.

Everyone: â€|.

Tuff: Who knew you would come up with an idea like that.

Snotlout: That's a great idea, and if I do that, I could also have a lot of power.

**\*\*Gingka: That was so delicious.\*\***

**\*\*Rai: Totally.\*\***

**\*\*Jack: None are compared to it.\*\***

**\*\*Max: Agreed.\*\***

**\*\*Fai: Thanks.\*\***

**\*\*Hiccup: Well, we'll see you later guys.-gets up along with Faolan and head to the door-\*\***

**\*\*Jack: Where are you going?\*\***

**\*\*Faolan: We have Dragon training today.\*\***

**\*\*Jack: Ohh, be careful ok?\*\***

**\*\*Hiccup: We will.\*\***

**\*\* -At the catapult at night with the teens and Gobber underneath it- \*\***

**\_\*\*Gobber was telling the teens on how he lost his hand and leg.  
\*\*\_**

**\*\*Snotlout: I swear, I'm so angry right now. I'll avenge your beautiful hand and your beautiful foot. I'll chop off the legs of every dragon I fight, with my face.\*\***

**Dagur: Yeah right, if you can't do it with a weapon I don't think you can do it with your face.**

**Snotlout: Yes I can.**

**Astrid: Not really.**

**\*\*Gobber: It's the wings and the tails you really want. If it can't fly, it can't get away. A **\*\*\_\*\*downed\*\*\_\*\*** dragon is a **\*\*\_\*\*dead\*\*\_\*\*** dragon.\*\***

**\_\*\*Hiccup and Faolan are thinking on what Gobber had just said.\*\*\_**

**\*\*Gobber (CON.): **\*\*\_\*\*Yawns. **\*\*\_\*\*All right, I'm off to bed. You should be too. Tomorrow we get to the big boys, slowly but surely making our way up to the Monstrous Nightmare. But who'll win the honor of killing it?\*\*******

**\*\*Tuff: It's gonna be me. It's my destiny. See?\*\***

**\_\*\*At that moment, Astrid notice that Hiccup and Faolan are no longer there.\*\*\_**

**\*\*Fishlegs: **\*\*\_\*\*gasps.\*\*\_\*\*** Your mom let you get a tattoo?\*\***

**\*\*Tuff: It's not a tattoo, it's a birthmark.\*\***

\_\*\*Hiccup and Faolan are going down the stairs of the catapult and Astrid sees them and starts to wonder what they're up to but then returns with the others. \*\*\_

\*\*Ruff: OK, I've been stuck with you since birth, and that was never there before.\*\*

\*\*Tuff: Yes it was. You've just never seen me from the left side until now.\*\*

Snotlout: Hey Astrid, why were you following them?

Astrid: I don't know, could have been because I found it strange.

\_\*\*Hiccup and Faolan are in the forge in Hiccups little room. Hiccup opens his leather-bound book to where he drew the Night Fury and Faolan handed him a pencil that he used to draw a tail fin that they were going to make.\*\*\_

Tuff: Never knew he could draw.

Viking #7: Got to admit, he's a good drawer.

Viking #3: Yep.

\_\*\*We see Hiccup heating up a sword, then making it take the form he wants it to have and puts it in the water to cool it off.\*\*\_

Alvin: â€|never new that he was good at that.

Gobber: Well, he is.

Stoick: Really?

Gobber: Yep, all of the weapons that are very sharp were made by Hiccup.

\_\*\*Faolan takes out a piece of cloth and starts to cut it; making it takes the form she wants it to have so it can fit on the tail fin. Faolan then starts to sew it together. \*\*\_

Astrid: She knows how to sew?

Ruff: That's new.

\_\*\*Hiccup takes out nails from a shield and makes them into small spheres. He gives them to Faolan who puts them on a balance scale to make sure they weigh the same. When that's done, Hiccup puts all the parts together and lastly, Faolan puts the cloth on it. Both Hiccup and Faolan look at their work, they nod to each other and Hiccup closes the tail fin.\*\*\_

Fishlegs: Do you think it'll work?

Snotlout: Of course not.

\*\*~At the cove~\*\*

**Hiccup:** Hey Toothless. **\_Hiccup** enters with him carrying a basket and Faolan carrying the tail fin. **\_I** brought breakfast. I hopeâ€¦ I hope you're hungry. **\_**

**Stoick:** Wait, he's giving a Dragon our food?

**Spitelout:** More like our fish, the ones we caught.

**\_Faolan** hands Hiccup the tail fin, opens the basket and takes out a fish, giving it to Toothless while Hiccup goes behind him. **\_**

**\_Hiccup** intends to put the tail fin on but Toothless moves his tail away from him. Hiccup looks up to see that Faolan is moving the fish back and forth causing Toothless to move. Hiccup again tries to put the tail fin on but Toothless move forward to grab the fish in Faolan's hands. **\_**

**Hiccup:** Faolan! **\_**

**Faolan:** -looks to see what happen- Opps, sorry.-gives Toothless the entire basket and goes to help Hiccup- **\_**

**\_Hiccup** and Faolan put the tail fin on Toothless, but when he feels it, he secretly opens his wings. **\_**

**Hiccup:** Ok.-looks at their work- **\_**

**Faolan:** Looks good.-standing next to Hiccup- (looking over Hiccup's shoulder) **\_**

**Hiccup:** That's not too bad. It works. **\_**

**\_Toothless** then shoots up into the air and starts to fly; taking Hiccup with him and Faolan dodges out of the way so that she won't get hit. **\_**

**Hiccup:** No, no, no, no, no, no, no! **\_Hiccup** suddenly notices that the tail fin didn't open. **\_**

**Snotlout:** See? What did I tell you, it didn't work at all.

**\_Toothless** starts to fall because the new tail fin didn't open when he wanted it to. **\_**

**Faolan:** Hiccup! **\_**

**\_Hiccup** opens the tail fin and Toothless starts to fly; leaving the cove. **\_**

**Fishlegs:** It actually worked!

**Snotlout:** I can't believe it.

**Hiccup:** Oh myâ€¦! It's working! **\_**

**\_Hiccup** changes the course back to the cove, were they fly over the lake that's inside the cove. **\_**

**Hiccup: Yes, yes! We did it!**

**Toothless then takes a turn and that makes Hiccup fall off and land in the lake. But, because Hiccup is no longer holding the tail fin open, Toothless also falls into the lake.**

**Hiccup: Yeah!-still in the lake but is celebrating-**

**Everyone: "Lost for words"**

**-At the table- (In the Elemental castle)**

**Hiccup: I just had to open it and it worked.**

**Faolan: Now we just need to find out how to keep it open.**

**Fai: I'm glad to hear it, but you're not hurt right Hiccup?**

**Hiccup: No.**

**Fai: Well that's good to know.**

**Faolan: Yep... Faolan gets up but, suddenly her eyes go dull and she loses consciousness.**

**Hiccup: Faolan!**

**Fai catches Faolan before she falls, but just as he does, Hiccup also loses consciousness. Fai quickly but also gently lowers Faolan down and grabs Hiccup just in time.**

**Fai: Hey Hiccup, Faolan! Guys, wake up! Guys, GUYS!**

**Seiya: -enters- Fai, what's- Sees Hiccup and Faolan unconscious. Hiccup, Faolan!**

**Koga enters and sees what's happening and rushes to Faolan and Hiccup. Everyone else enter and see what's happening and they all start to crowd around Faolan and Hiccup, calling their names but they get no respond. Max has Hiccup in his arms and Gingka has Faolan in his arms. The image slowly fades away until you see nothing on the screen.**

**Stoick held his breath because he was worried for what had happened to his two children. Everyone else was curious for what had just happened and some of them were worried.**

**To Be Continued**

**Yep, I left it with a cliffhanger**

**Hiccup: Meany.**

**Me: I know.**

**Berk: -glaring at me-**

**Me: Ok, know what?**

**\*\*Stoick:** -glares at me with daggers, swords and many other things-**\*\***

**\*\*Me:** I'm just going to ignore that, R&R please.**\*\***

## 6. Chapter 6

**\*\*Like alwaysâ€|..I'M BACK! And we continueâ€|Hiccup, disclaimer please.\*\***

**\*\*Hiccup:** Sure.**\*\***

**\*\*Me:** And I have one more thing to sayâ€|..**\*\***

**\*\*Faolan:** And that would beâ€|..**\*\***

**\*\*Me:** I'm so sorry, sorry, sorry, sorry, sorry, sorry, sorry, sorry, sorry, sorry, sooooo sorry (continue)**\*\***

**\*\*Hiccup:** â€|?**\*\***

**\*\*Faolan:** She's saying sorry for updating lateâ€|..again.**\*\***

**\*\*Hiccup:** Figures.**\*\***

**\*\*Me:** Hey! Do not judge my typing and slowness!**\*\***

**\*\*Hiccup:** â€|.. I'll just do the disclaimer; NightPegasus13 owns nothing but her OC's. **\*\***

**\*\*Continued from last timeâ€|..**\*\*****

**\_\*\*Faolan gets up but, suddenly her eyes go dull and she loses consciousness. \*\*\_**

**\_\*\*Hiccup: Faolan! \*\*\_**

**\_\*\*Fai catches Faolan before she falls, but just as he does, Hiccup also loses consciousness. Fai quickly but also gently lowers Faolan down and grabs Hiccup just in time.\*\*\_**

**\_\*\*Fai: Hey Hiccup, Faolan! Guys, wake up! Guys, GUYS!\*\*\_**

**\_\*\*Seiya: -enters- Fai, what's- (Sees Hiccup and Faolan unconscious.) Hiccup, Faolan!\*\*\_**

**\_\*\*Koga enters and sees what's happening and rushes to Faolan and Hiccup. Everyone else enter and see what's happening and they all start to crowd around Faolan and Hiccup, calling their names but they get no respond. Max has Hiccup in his arms and Gingka has Faolan in his arms. The image slowly fades away until you see nothing on the screen.\*\*\_**

**\*\*~In a room~\*\***

**\*\*Hiccup and Faolan are both in containers that are laid down, Hiccup on the left one that has carvings and drawings of a Night Fury, but instead of it being a black Night Fury; it was white Night Fury.**

Faolan was in the container in the right, it has carvings of stars and Pegasus, but instead of it being a white Pegasus; it was a black Pegasus. Fai was in between both of them; looking at them with sad eyes. \*\*

\*\*Ryo (V.O): This had happened to them when they were young. I had hoped that it wouldn't happen again, but it did.\*\*

\*\*In the living room\*\*

\*\*Koga: Why didn't you tell us?\*\*

\*\*Seiya: We were busy finding a way to help them, and we also didn't want to tell you guys yet.\*\*

\*\*Rai: Butâ€¦..how did it happen?\*\*

\*\*Ryo: For you to understand a bit, I'm going to start from the very beginning, it all started the day after they turned 4â€¦.\*\*

\*\*(Flash Back)\*\*

\_\*\*Hiccup and Faolan are in the table; both reading a different book.\*\*\_

\*\*Boy with brown hair: Hey guysâ€¦\*\*

Teens: Who is the cool guy?

\*\*Hiccup: \*\*\_\*\*-looks up-\*\*-\*\* Hey Dan.\*\*

\*\*Jack: \*\*\_\*\*-enters-\*\*-\*\* We've been looking for you two.\*\*

\*\*Faolan: Really?\*\*

Snotlout: Busted!

Tuff: Totally.

\*\*Dan: Yep.\*\*\_\*\*-gives Hiccup a present and Jack does the same with Faolan-\*\*-\*\*

\*\*Jack: Happy Birthday you two.\*\*

Dagur: Wait, it's their birthday?

Alvin: What do you think? They just said it.

Dagur: Quiet Alvin.

\*\*Hiccup: Thanks.\*\*

\_\*\*Hiccup and Faolan both open their presents and find a necklace. Hiccups was in boys style; a plain long black string with a figure of a swirl that was dark purple. Faolan's necklace was in girl style, a bit shorter than Hiccup's, but was a long light blue string with a figure of a star; four of the tips were longer than the others and it was a mixture of white and shining yellow.\*\*\_

Astrid: Wow, it's beautiful.

Ruff: I know right?

Woman Viking #1: It looks like it's a diamond.

Snotlout: I want to have it!

**\*\*Faolan: It's beautiful, Thank you!-hugs Dan and Jack-\*\***

**\*\*Jack: You're welcome; it was actually Koga's idea.\*\***

Tuff: Like he give them something that awesome.

Ruff: He just did.

Tuff: Ohâ€¦.

**\*\*Dan: And it also suits you.\*\***

**\*\*Hiccup: Huh?\***

**\*\*Dan: Faolan is active in the day and you're more active in the night. So Faolan's the master of the day and you're the master of the night.\*\***

Gobber: Now that he mentions it, it's true.

Stoick: I think you're right.

Gobber: What do you mean 'I think you're right', of cores I'm right!

**\*\*Faolan: Cool\*\***

**\*\*Dan: Oh yea, tomorrow you're going to Coma Village to take a break from all of your training.\*\***

Alvin: Coma Village?

Dagur: Is that close to Berk?

Fishlegs: Nope.

Dagur: Ohhâ€¦.then maybe I can have that village as an ally.

**\*\*Hiccup and Faolan: YAY!\*\***

**\*\*Ryo: \*\_\*\*-enters\*\_\*\* - Hey you two, can you come over for a second?\***

**\*\*Hiccup: Sure dad.-walks over and so does Faolan-\*\***

**\*\*Ryo: Here.\*\_\*\*-hands something to Faolan and Hiccup- \*\_\*\*It's for you. Hiccup, since you're now the ruler of the night, your bey is Wing Night Fury, and Faolan, now that you rule the day, your bey is Star Pegasus.\*\***

Teens: Why is it that they get awesome things and we

don't!?

Grownups: â€|.Temper, but trueâ€|.

**\*\*Faolan and Hiccup: Thanks dad!-hug Ryo-\*\***

**\*\*Ryo: You're welcome.\*\***

**\*\*Next day-\*\***

**\_\*\*Ryo, Seiya, Hiccup, Faolan and Jack are at the village, but it's different from the Vikings.\*\*\_**

**\*\*Faolan: Wow!\*\***

Spitelout: It looks like a peaceful villageâ€|.

Stoick: I wonder what they do for it to be like that.

**\*\*Hiccup: I know. So this is the bey village?\*\***

**\*\*Ryo: Yep, and it's also the place where Faolan was born.\*\***

**\*\*Seiya: Speaking of Faolan, where is she? \*\***

**\*\*Hiccup: Uhhâ€|..up thereâ€|\*\*\_\*\*-points at the roof of their house-\*\*\_**

**\*\*Faolan: Cool! You can see everything from up here!\*\***

**\*\*Ryo: CAREFUL FAOLAN!\*\***

**\*\*Jack: Speaking of careful, shouldn't the same go for Hiccup?\*\_\*\*-points to Hiccup going up to the roof Faolan is on top of-\*\*\_**

**\*\*Seiya: Careful you two!\*\***

**\*\*Hiccup: Come on dad, when am I not careful.\*\***

**\*\*Faolan: You're never careful.\*\***

Everyone: -laughing-

**\*\*Hiccup: HEY! You're supposed to help me, not go against me!\*\***

**\*\*Faolan: Opps, silly me.\*\***

**\*\*Seiya: Ok you two, as much fun you're having, could you please get down from there?\*\***

Stoick: Good luck with that sir, 'because that's impossible.

Alvin: Agreed.

Spitelout: I say everyone agrees.

Fishlegs: I don't think they'll listen at all.

**\*\*Hiccup and Faolan: OK daddy. ^-^ \*\*\_\*\*They both get off of the roof and go to their fathers' side.\*\*\_**

Everyone: â€|.

Stoick: Did they actually obey him?

Gobber: Yep.

Alvin: This is surprising.

Dagur: So very shocking. They obey him but not youâ€|.very shocking.

Astrid: And they called him '\_daddy'.\_

**\*\*Ryo: Ok, so, what do you want to do? Beybattle, hide 'n' seek, tag, soccer, swimming and so on.\*\***

Astrid: Beybattle?

Snotlout: Soccer?

Twins: Hide 'n' seek?

Fishlegs: What odd names.

**\*\*Faolan: Soccer!\*\***

**\*\*Hiccup: Hide n' seek!\*\***

**\*\*Jack: Well, we'll have to do one of those at a time. So, which one is first?\*\***

**\*\*Faolan: â€|.\*\***

**\*\*Hiccup: â€|.\*\***

**\*\*Seiya: If you want, we can eat first and then we can play a game, and it'sâ€|.uhâ€|.\*\***

**\*\*Hiccup and Faolan: LET'S GO SWIMMING! \*\***

Dagur: They'll drown and the water only reaches them up to their ankles.

**\*\*Ryo: Sure.\*\***

**\*\*Jack: In that case, EVERYONE TO THE RIVER!\*\***

**\*\*At the river-\*\***

Alvin: Wow.

Gobber: It's so clear and clean.

Teenage Girls: It's beautiful.

**\*\*Jack: Hey Hiccup, think fast.\*\***

\_\*\*Hiccup turns around to see what Jack was talking about, and he sees that he's going to splash water at him. Hiccup tries to move out of the way, but he reacted too late.\*\*\_

Snotlout: As expected; he's so slow.

\*\*Hiccup: Hey! So that's how it's going to be. \*\*\_\*\*Hiccup sends a wave of water to Jack that sends him 6 feet away.\*\*\_

Tuff: Wow! I want to be thrown that far.

Ruff: I want you to be thrown that far too.

Tuff: Shut up.

\*\*Faolan: 9 Points! \*\*\_\*\*Faolan holds a board that has the number 9 in it, and she suddenly gets hit by a splash of water.\*\*\_\*\*  
Hey!\*\*

\*\*Jack: Point for me!\*\*

\*\*Faolan: â€|..Hey, I got an ideaâ€|. \*\*

\*\*Jack: Huh?\*\*

\*\*Faolan: \*\*\_\*\*-Faolan points to the water and then at their fathers' \*\*\_\*\*- Want to join?\*\*

Dagur: What's that supposed to mean?

Fishlegs: That they'll wet themâ€|.I think.

\*\*Boys: \*\*\_\*\*-evil smirk-\*\*\_

\_\*\*The boys and Faolan, silently creep up to their fathers'.\*\*\_

\*\*Kids: TSUNAMI WAVE! ^\_^ -a giant wave of water goes to their fathers;-\*\*

\*\*Seiya and Ryo: WHAT!?\*\*\_\*\*-get wet from head to toe-\*\*\_

Everyone: -looks at Fishlegs-

Fishlegs: It was just a thought ok!

Ruff: Sure.

\*\*Faolan: They did it, they did it. It was their idea.\*\*\_\*\*-points to the boys-\*\*\_

\*\*Boys: HEY!\*\*

\*\*Hiccup: You lie!\*\*

\*\*Faolan: I told them not to do it, but NO, they decided to ignore me and get you wet.\*\*

\*\*Ryo: Is that so?\*\*

**\*\*Seiya: Well, none of you are getting out alive. \*\***

**\_\*\*Seiya and Ryo go after the kids and they all start a water war.\*\*\_**

**\*\*Back at the village and it's night-\*\***

**\_\*\*Hiccup and Faolan are outside while everyone else is inside the house.\*\*\_**

**\*\*Faolan: Look.-\*\*\_\*\*points to a group of stars in the sky\*\*\_\*\*- It's your constellation; Draco.\*\***

Stoick: His constellation?

Alvin: Draco?

Dagur: Never heard of it before.

Snotlout: All I see is a bunch of glowing dots in the sky.

Astrid: You're so dumb.

Fishlegs: Those are stars.

Ruff: I don't get it.

Night: -appears- I knew it. I knew you weren't going to know what it was.

Dagur: Soâ€¦what is it?

Night: What Fishlegs said; stars. Though, some of them make pictures of creatures, like Draco.

**\*\*Hiccup: Wowâ€¦.. So, Draco is what again? A lizard?\*\***

Tuff: Ha, his is a lizard, so lame.

Night: You don't know what it is ether so be quiet.

**\*\*Faolan: No silly, Draco is short for Dragon. That is the constellation of a dragon. Connect that star with that one and then connect it with the bottom one. Do you see the image of it?\*\***

Stoick: Wait, so his conste- whatever you called it, is a Dragon?

Night: Yep.

Dagur: Why?

Night: Because it just is so deal with it.

**\_\*\*The spot that Faolan was pointing to was shown. In a group of stars, lines started to connect until it made a shape, then the drawing of a dragon was shown on top of it. \*\*\_**

**Hiccup: Yeah.**

**Hiccup and Faolan keep naming constellations. The screen then changed to a mountain and then it went to the opening of a door that was on the mountain. Inside, you can see a path, more ahead there was a bey that was inside a crystal and was said to be sealed away; Lightning L-Draco, an aurora had suddenly surrounded it. Outside, a white aurora surrounded Faolan and a dark purple-ish aurora surrounded Hiccup.**

Stoick: This can't be good

Astrid: Hmm?

Fishlegs: What's wrong Astrid?

Astrid: Nothing. -thinking- But, their aurora

**Faolan: What's going on?**

**Hiccup: Something's not right, this shouldn't be happening.**

**Faolan: .uh. is it just me, or does it feel like you're being overloaded with power?**

**Hiccup: It's not just you.**

**Both of Faolan's and Hiccup's auroras had gotten brighter and bigger.**

**-Inside the house-**

**Seiya: -his eyes suddenly widen-**

**Jack: Dad, what's wrong?**

**Ryo: -his eyes also widen-**

**Jack: Dad?**

**Ryo: That aurora. .**

**Seiya: It's. .too. .powerful. .**

Tuff: Is that supposed to be something bad?

Ruff: -sarcastically-NO, it means that something good is going to happen.

Tuff: Really? That's cool.

Ruff: -face palms-

Astrid: She was being sarcastic.

Tuff: Oh

**-Outside- .**

**\*\*Faolan:** If we don't do something, this would end up bad.\*\*

**\*\*Hiccup:** We have to switch.\*\*

**Stoick:** Wait, what does he mean switch?

**Tuff:** This is getting interesting.

**Ruff:** Very interesting.

**Snotlout:** â€|.Very, very interesting.

**\*\*Faolan:** But, Hiccupâ€|.we've never done it before.\*\*

**\*\*Hiccup:** It's the only way.\*\*

**\*\*Faolan:** Ok. \*\*

**\_\*\*Hiccup takes out his bey; Night Fury and Faolan takes out her bey; Pegasus. Both Faolan and Hiccup close their eyes; making the aurora bigger and brighter. \*\*\_**

**\*\*Hiccup:** Night Fury, Special Move: Pure Darkness! **\*\*\_\*\*A Night Fury is shown behind Hiccup, and it charges at Faolan with a bunch of darkness following it.\*\*\_**

**Snotlout:** Cool

**\*\*Faolan:** Pegasus, Special Move: Pure Light! **\*\*\_\*\*A Pegasus is shown behind Faolan and it charges at Hiccup with a bunch of light following it.\*\*\_**

**Astrid and Ruff:** Wow.

**\_\*\*Both Pegasus and the Night Fury charge at each other, but just when it looks like they're going to hit; the image turns to white and black, showing that instead of colliding; they passed by each other.\*\*\_**

**Alvin:** What?

**Dagur:** Did they miss?

**\_\*\*Pegasus went to Hiccup, hitting him in the necklace of darkness and making his aurora turn white. The Night Fury went to Faolan, hitting her in the necklace of light and making her aurora turn dark purple. Once they've taken in all of the power sent to them; they both collapsed.\*\*\_**

**\*\*Ryo: \*\*\_\*\*-runs to Hiccup and Faolan-\*\*-\*\* Hiccup! Faolan!\*\***

**\*\*Seiya: \*\*\_\*\*-follows Ryo and then turns to Jack-\*\*-\*\* Go get the healer as fast as you can.\*\***

**\*\*Jack:** On it.\*\*\_\*\*-runs to get the healer-\*\*-\*\*\_

**\*\*Ryo:** Wake up you two.\*\*

**\*\*Seiya: Ryo, look.\*\***

**\_\*\*Seiya points to Faolan's and Hiccup's necklaces'. Faolan's was now dark purple instead of golden yellow and Hiccup's was now golden yellow instead of dark purple. \*\*\_**

**\*\*Ryo: Noâ€¦|..they switched their powersâ€¦|..\*\***

Gobber: So that's what he meant by 'switch'.

**\*\*Seiya: Hiccup knew that if they didn't do it, both of them would be in worse conditions.\*\***

Alvin: What does that mean?

Night: There are people that can control their powers, those who can't are under control of that power, the one they were trying to control, and that could make them turn evil.

**\*\*Ryo: We're lucky that we can reverse it, but we can't let any of the others know about this, not even their other brothers.\*\***

**\*\*Seiya: I'll talk to Dan and Jack about this. For now, let's take them inside.\*\***

**\*\*(Flash back ended)\*\***

**\*\*Gingka: So you knew!?!\*\***

**\*\*Jack: Yeah.\*\***

**\*\*Rai: But why did you have to keep it a secret Dan? You weren't with them when it happened.\*\***

**\*\*Dan: I knew what they ruled over, if I found out that they had switch, I would have told you guys something about it. None of you, except for Jack, Seiya, Ryo and I, new that in reality; Faolan was actually the master of light and Hiccup was the master of darkness. Once we talked about it, we decided to let you \*\*\_\*\*think \*\*\_\*\*that Hiccup mastered the light and Faolan mastered the dark.\*\***

Stoick: Really?

Night: Yes really, could you just watch as see for yourself!

**\*\*Koga: But, shouldn't have I also known about this?\*\*\***

**\*\*Max: Yeah, I mean, it was his idea to give them the power of dark and light; night and day.\*\***

Snotlout: I don't know why he decided to give it to them, its better if I had that power.

Night: Want to say that to Koga right now?

Snotlout: Yesâ€¦|

Night: Are you sure?

Snotlout: Yep.

Night: Ok, let me just call him.-disappears-

**\*\*Seiya: It's true that it was Koga's idea to give them that power, but he never said who would control light/day and who would control darkness/night.\*\***

**\*\*Koga: Now that you mention it, I never did say who gets control over what.\*\***

**\*\*Rai: But, does it matter what element they control?\*\***

**\*\*Ryo: Yes, the body and mind have to be able to control it, if it doesn't, then the element they try to control; will control them itself.\*\***

Everyone: -eyes are wide-

**\*\*Gingka: So it's like how I tried to control Pegasus.\*\***

**\*\*Ryo: In a way, yes.\*\***

**\*\*Percy: What do you mean? Aren't you able to control it once you get it?\*\***

**\*\*Gingka: Nope, also, this was Galaxy Pegasus I was trying to control.\*\***

**\*\*Jack: Isn't Galaxy Pegasusâ€|.??**

**\*\*Ryo: Yes, Galaxy Pegasus is known as the Legendary bey.\*\***

Snotlout: I call that it's mine.

Tuff: What? No, it's mine ok.

Dagur: What are ya talking about, it's mine.

Girls: Here we go again.

Night: -appears- To make this clear; someone already owns it.

Boys: â€|Ohâ€|.

**\_\*\*An image of Galaxy Pegasus is shown; spinning slowly and stars are shown in the background.\*\*\_**

Tuff: Coolâ€|

**\*\*Gingka (V.O): A very long time ago, Galaxy Pegasus was created, but it was a powerful bey that no one could control, and because of that; Pegasus, the wild winged horse, was sealed away. \*\***

Snotlout: I can control it.

Night and Astrid: No you can't.

Night: And I just said that someone already owns it!

Ruff: And who's that again?

Night: Faolan's real brother; Gingka.

**\*\*Back to reality\*\***

**\*\*Gingka:** When I lost Storm Pegasus I went to get Galaxy Pegasus, and once when I retrieved it and battled with it, Pegasus had gone wild. That's when I realized that I had to understand Pegasus and once I did, Pegasus and I had battled together as one.**\*\***

Snotlout: If he lost the one he had, then he shouldn't get one at all for not taking care of it.

Astrid: Like you can do any better.

Night: It was actually destroyed in a battle when he tried to protect the world from evil. So don't bad mouth about my Gingka  
Snotlout!

Snotlout: Ok, ok, ok, I get already.

Everyone (except Night): -thinking- \_Her\_ Gingka?

Night: -disappears-

**\*\*Seiya:** And the same goes for Hiccup and Faolan. **\*\***

**\*\*Dan:** There's just one thing I don't get.**\*\***

**\*\*Percy:** What?**\*\***

**\*\*Dan:** Why is their original power going back to its rightful owner? I mean, what cause the power of darkness to return to Hiccup and the power of light to return to Faolan?**\*\***

**\*\*Gingka:** I think it's because they bonded with someone in their home; the place they were born. I remember that Faolan had bonded and mastered controlling her Star Pegasus when she was like 5 years old. And Pegasus is a creature of light; day.**\*\***

**\*\*Percy:** So then Hiccup must have bonded with that Night Fury he shot down and is now helping.**\*\***

Alvin and Stoick: He BONDED with a Night Fury!?

Dagur: So Hiccup really did bond with a Night Fury.

**\*\*Max:** But why did it take years for Hiccup to bond?**\*\***

**\*\*Jack:** Well, from what I've seen and know Hiccup doesn't get along with anyone in Berk aside from Faolan, so because of this, he hasn't bonded with anyone until now.**\*\***

**\*\*Koga:** Also, Hiccup has told me about the Dragon raids and that they always occur at night, and the Night Fury also comes out at night. Known as the unholy offspring of lightning and death itself, and this is like darkness, but of course, Hiccup is able to control darkness.**\*\***

**\*\*Ryo:** So if the Night Fury comes out at night, then that means that it's more of a night creature; a creature of the night is also a creature of Darkness, but a darkness that can be controlled.\*\*

**\*\*Percy:** It seems that the Night Fury might be his only friend and the only one who he can trust completely besides Faolan.\*\*

**\*\*Fai (V.O): \*\*\_\*\*Everyone, it's happening.\*\*\_**

Alvin: What's happening?

**\*\*Seiya:** We'll be right there, thanks Fai.\*\*

**\_\*\*Everyone gets up and head to where Fai was waiting them.\*\*\_**

The screen remained stopped and Night appeared.

Night: The next part is loading and I talked to Koga to come.

Koga: -enters- Hi Night.

Night: Hi Koga.

Teenage Girls: KYAAAAA!-hearts fly every ware-

Fishlegs: So you're Koga?

Koga: Yep, and you must be Fishlegs.

Ruff: How do you know his name?

Koga: Hiccup has been telling me a lot about you guys and the village.

Snotlout: I have a question about Hiccup and Faolan. Why did you decide to give Hiccup and Faolan the power of light and darkness; day and night? I mean, they're so weak and useless. You should give it to me instead.

Koga: First, I decided to give it to them because no one else used it and second, they're my little brother and sisterâ€|and why would I give it to you?

Snotlout: 'Cause I'm they're cousin, so that would make me a Nightlight member and I'm stronger than them. So that means that you're my big awesome brother.

Koga: From what I've seen and heard; you bully them, you'll never be a Nightlight and I am definitely not your big brother.

Twins: Ha, you got burned!

Snotlout: Can I at least see and meet the others and see the castle?

Koga: NO way, I might let the other teens go but definitely not you.-to the crowd and black aurora appears - If any of you dares to hurt my little brother and sister, you're gonna wish you never did

it! Especially you Dagur, Faolan told me that you use Hiccup as a target practice, if I see a scratch or a hair misplaced; you're so dead. And you Alvin, you hurt them you die.

Everyone (except Night): -pale and are trembling in fear-

Koga: Don't worry ladies; you won't get hurt by me or the other Nightlight members.

Girls: -sights-

Dagur: Why so protective?

Koga: Like I said, both are our dear little brother and sister.

Night: Yes, yes they are.

Stoick: What do you mean?

Night: I'll explain later.

Koga: Oh, and thank you Gobber for taking care of them and teaching all you can; The Nightlight thank you for that.-bows to Gobber-

Gobber: Na, it was nothing.

**\*\*I will definitely explain later\*\***

**\*\*Tuff: So what do you mean when you said 'yes, yes they are'?\*\***

**\*\*Me: I said I was going to explain later!\*\***

**\*\*Astrid: Come on, just tell us.\*\***

**\*\*Me: NO, I'll tell you in the next chapter.\*\***

**\*\*Fishlegs: Just tell us now.\*\***

**\*\*Me: I said NO! If this keeps up; I'll tell you at the end the next chapter.\*\***

**\*\*Ruff: Come one, just tell us already.\*\***

**\*\*Me: I just said NO!\*\***

**\*\*Faolan: Hiccup, you might as well say it 'cause I don't think she will.\*\***

**\*\*Hiccup: Yep, you're so right, like Faolan said; Night won't be able to say it:\*\***

**\*\*1. What do you think?\*\***

**\*\*2. If you have any other ideas to put here in this story, R&R or PM her.\*\***

**\*\*3. If you got confused on how the necklaces look, which you did,**

look up the design of the elements of Saint Seiya Omega. It should be in episode 3 or 4, if not, it'll be some where in episodes 2-5. The shapes of the necklaces are in the center of the design.\*\*

\*\*4. R&R and see you in the next chapter.\*\*

## 7. Chapter 7

\*\*Ok, I'm back! Also, I'm-\*\*

\*\*Astrid: Gonna tell us what you meant by saying "yes, yes they are"\*\*

\*\*Me: I'll tell you later.\*\*

\*\*Ruff: Just tell us.\*\*

\*\*Me: Later.\*\*

\*\*Fishlegs: Come on, the sooner you tell us; the better.\*\*

\*\*Me: Lord, please help me; I can't take this any longer.\*\*

\*\*Faolan: Here we go again.\*\*

\*\*Hiccup: Yep, NightPegasus13 owns nothing but her OCs, enjoy.\*\*

\_\*\*Last timeâ€|\*\*\_

\_\*\*Fai (V.O): Everyone, it's happening.\*\*\_

\_\*\*Seiya: We'll be right there, thanks Fai.\*\*\_

\_\*\*Everyone gets up and head to where Fai was waiting for them.\*\*\_

\*\*~Present~\*\*

\_\*\*The screen comes to life and shows a room; where both Hiccup and Faolan are in containers.\*\*\_

\*\*Gingka: How are they? \*\*

\*\*Fai: So far; good. Heart beat is good, breathing is good and so is their blood pressure.\*\*

\*\*Ryo: Good.\*\*

\*\*Max: Looks like they're gonna go back to their original form now.\*\*

\_\*\*Just as Max said that; a dark purple-ish aurora surrounded Faolan and a white aurora surrounded Hiccup. A white light came out of Hiccup and headed to Faolan, at the same time a dark purple-ish light left Faolan and headed to Hiccup. The dark purple-ish light went into Hiccup's necklace; making the Night Fury container (the one Hiccup was in) turn black with a highlight of red, starting from the bottom

and going up. The white light went into Faolan's necklace; making the Pegasus container (the one Faolan was in) turn white with a highlight of light blue, starting from top and going down. Once the Night Fury container was completely black and the Pegasus container was completely white; both containers opened and so did Hiccup's eyes, but not Faolan's. \*\*\_

Astrid: Wait a minuteâ€¦|.

\*\*Jack: Welcome back to the real world.\*\*

\*\*Hiccup: Thanksâ€¦|..I thinkâ€¦|.soâ€¦|I'm, backâ€¦|toâ€¦|normalâ€¦|?\*

\*\*Ryo: Yes, how do you feel?\*

\*\*Hiccup: Tired. \*\*

\*\*Seiya: That's normal; you should go on ahead and eat something, ok?\*

\*\*Hiccup: Ok, but what about Faolan?\*

\*\*Fai: She's just very tired; she'll wake up in about 30 minutes or an hour.\*\*

\*\*Hiccup: AN HOUR!?\*

\*\*Gingka: Don't worry about your father; we made images of you two. So your father thinks that you're actually over there with him.\*\*

Everyone: Images?

\*\*Hiccup: Images?\*

\*\*Rai: Basically saying illusions of you guys.\*\*

Stoick: So that's why they never argued with me for an entire week, it was never them.

\*\*Hiccup: Ohâ€¦|\*\*

\*\*Percy: Yeah, so you might as well go eat and get some rest to recover. \*\*

\*\*Hiccup: I won't complain there.\*\*\_\*\*-gets up and leaves-\*\*\_

\*\*Ryo: Is she really just tired or did you just say that to not worry Hiccup?\*

\*\*Fai: No, she really is tired. \*\*

\*\*Seiya: Well, now we should go back to our chores and work.\*\*

\*\*Dan: Yeah, I still have work to do, well, see you guys' later.\*\*\_\*\*-leaves and so do the others except Fai-\*\*\_

\*\*Fai: \*\*\_\*\*picks Faolan up and takes her to her room, putting a

blanket over her.\*\*\_\*\* Sleep well Faolan-chan. \*\*\_\*\*Leaves the door a bit open and leaves.\*\*\_

\_\*\*Fai enters a room with Ryo and Seiya already inside.\*\*\_

\*\*Fai: What's going on?\*\*

\*\*Ryo: Well, know that Hiccup and Faolan returned to their original form or powers; the barrier that Hiccup put around Berk has gotten stronger.\*\*

Everyone: Barrier?

\*\*Seiya: Looks like the dragons will have a harder time getting to Berk.\*\*

\*\*Fai: Well that's good news.\*\*

\*\*~1 hour later~\*\*

\_\*\*Faolan's eyes slowly open and she finds out that she's in her room. She gets up, opens the doors and heads towards the kitchen.\*\*\_

\*\*~At the kitchen~\*\*

\*\*Fai: Sleep well Faolan-chan?\*\*

\*\*Faolan: Yeah, sorry I woke up late.\*\*

\*\*Fai: It's ok, besides, you were very tired. You and Hiccup work non-stop.\*\*

Astrid: Yeah right.

Gobber: It's true; they work for hours at the forge.

Stoick: Really?

Gobber: Yep.

Dagur: Are you sure?

Gobber: Of course I'm sure; they help me at the forge a lot.

\*\*Faolan: Speaking of Hiccup, where is he?\*\*

\*\*Fai: Behind you.\*\*

\*\*Faolan: -\*\*\_\*\*turns around to see Hiccup eating and reading something-\*\*-\*\*\_\*\* What are you doing?\*\*

\*\*Hiccup: Resting, and yes, this is my definition of resting.\*\*

\*\*Faolan: Sure it isâ€|\*\*

\*\*~30 minutes later~\*\*

**Hiccup and Faolan:** **\_**-sleeping in the table-**\_**

Tuff: Lazy!

Stoick: Tuff, the boy had said that they worked non-stop, so that would make them tired.

Tuff: Ohâ€|..

**Boy with black hair:** **\_**-enters-**\_**

**Fai:** Hungry big dog?**\***

Outcast #2: Big Dog?

Alvin: That's his name?

**Boy with black hair:** Quit calling me that! It's Kurogane!**\***

**Fai:** No need to get mad.**\***

**Kurogane:** So where's Hiccup; he has sword training with me today.**\***

Snotlout: Like Hiccup could lift up a sword.

**Fai:** Shhhh. **\_**â€points to the table were Hiccup and Faolan are sleeping-**\_**

**Kurogane:** **\_**-lightly shakes Hiccup's shoulder-**\_** Hey, kid, wake up.**\***

**Hiccup:** **\_**-mumbles something-**\_** Connect point B to point Tâ€|position 4 is point Gâ€|..**\***

Dagur: What is he mumbling about?

**Kurogane:** **\_**-shakes Faolan's shoulder-**\_** Hey, Faolan, you up?**\***

**Faolan:** **\_**-mumbles something-**\_** 13 in Pegasusâ€|.connected to Andromedaâ€|..**\***

Stoick: What is she talking about?

Fishlegs: About the constellation of Pegasusâ€|.

Tuff: How do you know?

Fishlegs: When we were little kids, she used to tell me about constellations.

**Kurogane:** They're not gonna wake up are they?**\***

**Fai:** Big Dog, you're so mean; you bothering the poor kids. You are a big Meany Big Dog. **\***

**Kurogane:** I SAID TO QUIT CALLING ME BIG DOG!**\***

**Hiccup:** **\_**-suddenly wakes up 'cause of Kurogane's yell**\_**- 16!

16! 16! THE ANSWERE IS 16!\*\*

\*\*Faolan: \*\*\_\*\*-falls of the chair because of Kurogane's yell\*\*\_\*\*-  
AHHH!-\*\*\_\*\*hits the floor\*\*\_\*\*-OWWWW!\*\*

\*\*Fai: Look at what you did Big Dog, you woke up the poor little  
kids.\*\*

\*\*Kurogane: Not my fault! (Me: cough, yes it is, cough)\*\*

\*\*Hiccup: Whose bright idea was it to yell so close to me?\*\*

\*\*Fai: Kuro-woof did it.-\*\*\_\*\*points to Kurogane; putting the blame  
on him- \*\*\_

\*\*(\*\*Me: And it actually is his fault.

Kurogane: HEY!\*\*)\*\*

\*\*Faolan:\*\*\_\*\* -glares at Kurogane while Fai helps her get  
up-\*\*\_

\*\*Hiccup: Can I not sleep without being woken up? \*\*

\*\*Kurogane: Well sorry, but you have training with me.\*\*\_\*\*-tosses  
Hiccup a sword that has the Night Fury symbol on it-\*\*\_

\*\*Hiccup: Still, could you at least wake me up without scaring  
me?\*\*

\*\*Kurogane: That was Fai's fault.\*\*\_\*\*-gives Faolan her sword with  
the Pegasus symbol on it-\*\*\_

\*\*Faolan: \*\*\_\*\*-sits on the chair and put her head on the table-\*\*\_\*\*  
5 more minutes.\*\*\_\*\*-closes her eyes-\*\*\_

\*\*Kurogane: No, we start training now.\*\*\_\*\*-lifts Faolan by the  
sweater she has on, her legs dangling-\*\*\_

Alvin: Is she always picked up like that when she doesn't want to do  
something.

Stoick: Sometimes.

\*\*Faolan: Come on, it's just 5 minutesâ€|\*\*

\*\*Fai: If you go, I'll make you a new cake I'm making.\*\*

\*\*Faolan: â€|..\*\*

\*\*Fai: Chocolate ice-cream cake, with strawberries; your  
favorite.\*\*

\*\*Faolan: â€|..Fineâ€|..\*\*

Snotlout: Really!? Just with that and she does what she's ordered to  
do?

Gobber: Even I didn't know that.

**\*\*Kurogane: Thanks.\*\*\_\*\*-puts Faolan down-\*\*\_**

**\*\*Fai: No problem Big Dog.\*\***

**\*\*Kurogane: \*\*\_\*\*-swings his sword at Fai but he dodges\*\*\_\*\*- QUIT CALLING ME BIG DOG!\*\***

**\*\*Fai: Oh-oh. I seemed to make Big Dog mad.\*\*\_\*\*-smiling and again, dodging Kurogane's sword-\*\*\_**

**Alvin: Temper.**

**Kid #2: Fai's so funny!**

**Kid #6: I know!**

**Adults: Awww.**

**\*\*Hiccup: Here we go again.\*\***

**\*\*Faolan: Kurogane-san gets mad so easily.\*\***

**\*\*Kurogane: Quit dodging! And quit calling me Big Dog!\*\***

**\*\*Fai: Why not? \*\***

**\*\*Kurogane: 'Cause I said so!\*\***

**\*\*Hiccup:\*\*\_\*\* -gets in between Fai and Kurogane- \*\*\_\*\*Lets just go, we're wasting time. \*\***

**Tuff: Wow, he got in between them and that stopped Kurogane.**

**\*\*Faolan: Besides, you get mad over nothing, Fai is innocent.\*\***

**\*\*Kurogane: No he isn't!\*\***

**All Kids: Yes he is!**

**\*\*Hiccup: Yes he is.\*\***

**\*\*Kurogane: What!?**

**>Fai: See Big Dog? You get mad over nothing.<strong>**

**\*\*Kurogane: I SAID TO QUIT CALLING ME BIG DOG!\*\***

**\*\*Hiccup and Faolan: Lets go\*\*\_\*\*-both start to pull Kurogane by the shirt; dragging him to the training arena while Fai laughs at him-\*\*\_**

**All little kids: \_-laughing while their parents smile at them-\_**

**\*\*At the training arena- \*\***

**\*\*Kurogane: That guy gets on my nerves.\*\***

**\*\*Hiccup: Temper.\*\***

**\*\*Kurogane:** Anyway, Hiccup; I want you to cover your eyes with that cloth I gave you. You'll walk to the forest starting from here, you can ask directions, you can stop and rest, but you can't take that blind fold off. Also, take your sword with you, you need to get used to having and carrying a sword around with you. **\*\***

**\*\*Hiccup:** Ok, but what is this lesson about?**\*\***

**\*\*Kurogane:** You will learn to tell what is living and non-living by not using your eyes. Faolan can already do this but you haven't learned this yet.**\*\***

**\*\*Faolan:** But the forest is on the other side from here. Will he have to get back here blind folded?**\*\***

**\*\*Kurogane:** He won't have to if he can tell living from non-living.**\*\***

**\*\*Hiccup:** Oh.**\*\***

Ruff: You think he can do it?

Astrid: Maybe.

Fishlegs: I agree with Astrid.

**\*\*Faolan:** So what am I learning today?**\*\***

**\*\*Kurogane:** Hmm? Well, it's better if I train the both of you at the same time, but Hiccup needs to finish this training first. So, right now, you'll work on yourâ€¦.uhâ€¦..what's the name again? The one that your brother uses in battles, you know those top things.**\*\***

**\*\*Hiccup:** It's called Beyblade, and I think you were talking about her bey.**\*\***

Everyone: Beyblade?

Snotlout: What's Beyblade and a bey?

**\*\*Kurogane:** Yeah that, you'll work on that Faolan.**\*\***

**\*\*Faolan:** Uhâ€¦about that, Gingka â€¦uhâ€¦.took mine and Hiccup's.**\*\***

Alvin: They got in trouble if they took it away.

**\*\*Kurogane:** â€¦.Why?**\*\***

**\*\*Hiccup:** We were training too much for his liking and Madoka's. Gingka didn't want us to exaggerate on training and Madoka didn't want us to damage our beys very badly.**\*\***

Dagur: Who's Madoka?

**\*\*Kurogane:** Madoka? You mean that girl that fixes beys when they break?**\*\***

Everyone: |

\*\*Faolan: Yeah, that's Madoka, and we didn't want to get her mad, so we gave them to Gingka|.\*\*

\*\*Kurogane: You're afraid of making her get mad?\*\*

\*\*Faolan: Not just me, Hiccup, Gingka, Dan and many others. She can scare the day lights out of you.\*\*

\*\*Kurogane: Please, like she could scare me. \*\*

\*\*Hiccup: That's what everyone said at first.\*\*\_\*\*-puts the blind fold on and starts his training-\*\*\_

\*\*Kurogane: I sure she's isn't that scary when she gets mad.\*\*\_\*\*-leaves-\*\*\_

\*\*Faolan: Kurogane-san, you definitely don't want to see nor get her mad.\*\*

Astrid: I have a bad feeling about this.

\*\*Later- \*\*

\*\*Kurogane: It was Fai's fault.\*\*

\*\*Fai: I just told Big Dog not to be a big Meany.\*\*

\*\*Kurogane: QUIT CALLING ME BIG DOG YOU WIZARD!\*\*

Dagur: Hold it, Fai's a wizard?

\*\*Dan: Can you two stop?\*\*

\*\*Fai: Tell that to Big Dog here, he's getting mad over nothing.\*\*

\*\*Jack: Temper.\*\*

\*\*Kurogane: Watch your mouth!\*\*

\*\*Max: Look who's talking!\*\*

\*\*Argument starts-\*\*

Fishlegs: I thought they wouldn't argue since they seem to go well with each other.

Ruff: Fishlegs, when it comes to having siblings; there will always be a day that they fight.

Tuff: Yeah, I mean, look at us; we always argue with each other.

\*\*New kid: Come on guys, enough already.\*\*

Alvin: Who's that boy?

\*\*Faolan: It'll be almost impossible when it gets like this

Yuki.\*\*

\*\*Hiccup: If this keeps up; Madoka's gonna get mad again.\*\*

\*\*Faolan: \*\*\_\*\*-sweat dropping and notices Madoka-\*\*\_\*\* I think it's too late.\*\*

\*\*Hiccup: Huh?-sees Madoka and pales-\*\*

\*\*Yuki:\*\*\_\*\* -notices Madoka and starts sweating- \*\*\_

Outcast #9: Why are they so afraid of her?

Viking #5: Yeah.

Outcast #7: What can 1 little girl do to boys older than her?

\*\*Faolan: \*\*\_\*\*-pulls Fai and Yuki out of the way-\*\*\_

\*\*Fai: Uhhâ€¦guys, you might want to stop.\*\*

\*\*Argument continues-\*\*

\*\*Madoka: \*\*\_\*\*-Dark red aurora appears-\*\*\_

Snotlout: This I got to see.

Tuff: Yeah.

Ruff: Right? Wonder what she will do?

\*\*Hiccup: Run for cover!\*\*

\*\*Hiccup, Yuki, Faolan and Fai: \*\*\_\*\*-hide behind a table that's on its side-\*\*\_

\*\*Madoka: ENOUGH! WHAT DO YOU THINK YOU'RE DOING!? I CAN'T DO ANY WORK WITH YOU DISTRACTING ME!\*\*

\_\*\*While she yells; the boys had to hold on to each other and objects to not be blown away.\*\*\_

Twins: COOL!

Alvin: Beard of Thor, what is she? A human or a Thunderdrum disguised as a human.

>Dagur: I think she's a Thunderdrum<p>

Stoick: From what just happened, she must be.

\*\*Yuki: \*\*\_\*\*-from behind the table-\*\*\_\*\* Is it over? \*\*

\*\*Hiccup: \*\*\_\*\*-peeks from behind the table-\*\*\_\*\* Yep, it's over.\*\*

\*\*Fai: \*\*\_\*\*-quickly stands up-\*\*\_\*\* (victoriously) And we survived Volcano Madoka! ^\_\*\*\*

Little Kids: \_\_-laughing-\_\_

\*\*Hiccup: More like Hurricane Madoka.\*\*

\*\*Faolan: -goes to Kurogane- Don't say I didn't warn you 'cause I did.\*\*

\*\*Kurogane: Shut up!\*\*

\*\*Hiccup: Got all of your anger out Madoka?\*\*

\*\*Madoka: -cheerfully- Yep! Oh, I'm done fixing Night Fury.\*\*\_\*\*\_hands Night Furry to Hiccup-\*\*\_

\*\*Hiccup: Yes! I have a battle with Gingka and Faolan later on, so Fury and I won't lose so easily.\*\*

\*\*Madoka: Now you're sounding like Gingka.\*\*

\*\*Hiccup: Runs in the family.\*\*

Gobber: So does their stubbornness.

Stoick: \_\_-glares at Gobber-\_\_

Gobber: What? It's true.

Stoick: No it isn't.

Spitelout: Yes it is brother.

Dagur and Alvin: \_\_-laughing while Stoick glares at them-\_\_

\*\*Madoka: And so does your stubbornness.\*\*

Gobber and Spitelout: See!?

\*\*Hiccup: I am not stubborn!\*\*

\*\*Madoka: \*\*\_\*\*\_gives him an 'I know you' look-\*\*\_

\*\*Hiccup: â€|..Ok so maybe I am, but not always.\*\*

Astrid: Maybe?

Ruff: He is stubborn.

\*\*Madoka: Sure, anyway, I'll see you later. Bye Hiccup.\*\*

\*\*Hiccup: Bye Madoka.\*\*

Snotlout: â€|..ok, first she's mad then she's happyâ€|..

Tuff: That is so weird.

\*\*Seiya: \*\*\_\*\*\_enters-\*\*\_\*\* Hiccup, Faolan, I need to talk to you two.\*\*

\*\*Hiccup: Coming dad.\*\*\_\*\*\_walks over and so does Faolan-\*\*\_

**\*\*Faolan: So what did you want to tell us?\*\***

**\*\*Seiya: Well, you two are going on a trip to do your training.\*\***

**\*\*Faolan: Huh?\*\***

**\*\*Hiccup: What?\*\***

**\*\*Seiya: All of your other brothers have also gone on the trip for training, so it's now your turn.\*\***

**\*\*Faolan: Oh...but what about dragon training? Isn't the final exam in 2 weeks?\*\***

**\*\*Hiccup: I overheard dad talk to Gobber about moving it, so the final exam should be in, like, 4 months from now, so that's solvedâ€¦but then again.\*\***

**\*\*Faolan: The illusions won't last for 4 months.\*\***

**\*\*Seiya: Just leave that to me, I think I know how to solve that.\*\***

**\*\*Hiccup and Faolan: Huhâ€¦.?\*\***

**\*\*~Dragon arena~\*\***

**\*\*Gobber: So the final exam will be in 4 months.\*\***

**\*\*Teens (except Hiccup and Faolan): WHAT!?\*\***

**\*\*Gobber: You heard; final exams are in the next 4 months.\*\***

**\*\*Fishlegs: Aren't you shocked?\*\***

**\*\*Hiccup: No, I overheard Gobber talk about it with my dad.\*\***

**\*\*Faolan: And Hiccup told me about it.\*\***

**\*\*Gobber: Oh, well, training is over, you may go.\*\***

**\*\*Teens: \*\*\_\*\*-leave-\*\*\_**

**\_\*\*(A/N: I'm just gonna rush through this part and it's a bit more different.) Hiccup and Faolan visit Toothless, make a saddle, Hiccup rides Toothless, discovers things about dragons, uses things like dragon nip in dragon training and so does Faolan, they become popular but the teens still bully him, some adults still don't care about them , Astrid gets jealous, Hiccup almost caught by Astrid, Hiccup tests the tail fin, Hiccup's harness gets stuck on the saddle, they sneak Toothless in the forge at night and are almost caught by Astrid, again, but they escape and Stoick returns.\*\*\_**

**\*\*~2 weeks later~ \*\***

**\_\*\*One of the Vikings spots a ship coming and alerts everyone. When**

they all got to the docks, the ship had already arrived and 3 boys came out; wearing hooded cloths. \*\*\_

The screen went blank as the next part loaded.

Night: -appears- I just want to say right now that there is a movie called 'How to train you Dragon 2'-

Everyone: WHAT!?

Snotlout: Are you serious?

Night: Yes, and some of these parts, like Hiccup putting on the tail fin on Toothless happened in the first movie 'How to train your Dragon'. So while it loads, you might be seeing some trailers or sneak peek of HTTYD2.

Ruff: HTTYD2?

Night: How to train your Dragon 2 and it will happen in the future.

Astrid: Hey Night, I have a question.

Night: What's your question?

Astrid: Faolan's aurora was white with a highlight of blue when she was training with Koga, but at the beginning, when they were in the containers, Faolan's aurora was dark purple and Hiccup's was white. Then Hiccup's turned dark purple and Faolan's turned white. How was it possible for her aurora to be a different color when she has a dark purple aurora?

Night: Wow, you're the only one who noticed. Well, she was able to have a white aurora because it was made from the happiness and love she had for the others. (AN: Just like Koga.)

Astrid: Ohâ€¦|.

\*\*So, what do you think? R&R please.\*\*

## 8. Chapter 8

\*\*Again; I'M BACK! And-\*\*

\*\*Tuff: And you still haven't told us what you meant when you said 'yes, yes they are'.\*\*

\*\*Me: Hiccup; Disclaimer, quickly!\*\*

\*\*Hiccup: NightPegasus13 owns nothing but her OCs, Pendra and her Ideas.\*\*

\*\*~2 weeks later~\*\*

\*\*One of the Vikings spots a ship coming and alerts everyone. When they all get to the docks, the ship has already arrived and 3 boys came out; wearing hooded cloths.\*\*

Stoick: Hey I remember them. They came about 5 or 4 months ago.

Viking #15: Yeah, you're right.

\*\*One of the boys (Koga): \*\*\_\*\*-turns around to see the chef and the rest of the village-\*\*\_

\*\*Stoick: Hello, I'm Stoick the Vast, Chef of this tribe.\*\*

\*\*Koga: Oh, \*\*\_\*\*-gives him a small bow and notices the teens-\*\*\_

\*\*Snotlout: Hi, I'm Snotlout, that's Fishlegs, Astrid, Tuff and Ruff.\*\*

\*\*Koga: Kon-ni-chi-wa mina, watashino namae wa, Koga Kido.\*\*

Everyone: Huh?

\*\*Another boy (Jack): Watashino namae wa, Jack Kido.\*\*

\*\*Last Boy (Max): Max Kido.\*\*

\*\*Vikings: Huh? \*\*

\*\*Hiccup: \*\*\_\*\*-comes from behind the teens and Faolan follows-\*\*\_\*\* Hey, what's going on?\*\*

\*\*Snotlout: What does it look like Useless.\*\*

\*\*Hiccup: Well sorry for-\*\*

\*\*Koga: Hiccup-kun!\*\*

\*\*Hiccup: \*\*\_\*\*-turns to see Koga-\*\*\_\*\* No wayâ€|\*\*

\*\*Faolan: Koga!\*\*\_\*\*-hugs him-\*\*\_

\*\*Vikings: \*\*\_\*\*-gasp-\*\*\_

\*\*Stoick: Faolan!\*\*

\*\*Koga: \*\*\_\*\*-spins her around and runs to the Vikings and Stoick's surprise-\*\*\_

\*\*Jack: Hiccup!\*\*\_\*\*-ruffles his hair-\*\*\_

\*\*Max: Hiccup! Faolan!\*\*\_\*\*-also ruffles his hair and Faolan's-\*\*\_

\*\*Hiccup and Faolan: Oi, mina!\*\*

\*\*Jack: Shibaraku desu.\*\*

\*\*Faolan: Hai.\*\*

Snotlout: What on earth are they saying!?

Ruff: We never did figure out what they were saying.

**\*\*Stoick: Hiccup, Faolan, what's going on?\*\***

**\*\*Hiccup: Huh? Oh, sorry dad.\*\***

**\*\*Boys: "otou-san?\*\***

**\*\*Faolan: Hai. Sorry about that.\*\***

**\*\*New voice: It's not your fault Faolan.\*\***

Tuff: Hey, isn't that Seiya's voice?

Spitelout: I think it is.

**\*\*Everyone: \*\_\*\*\_looks at the boat to see a man with brown hair-\*\*\_**

Gobber: Yep, it is him.

**\*\*Hiccup and Faolan: Seiya-san.\*\***

**\*\*Stoick: Excuse me, but would you tell me who you all are?\*\***

**\*\*Seiya: Of course; that's Koga, Jack, and Max Kido; my sons and I'm Seiya Kido.\*\***

**\*\*Spitelout: But, they called you 'Seiya-san'.\*\***

**\*\*Seiya: True but the last word, -san, mostly means Mr.; Miss.; Mrs. And so on. It also means that they give respect to us. \*\***

**\*\*Everyone: Ohh".."\*\***

Everyone: Ohh".."

Fishlegs: So that's what the word "san meant.

**\*\*Fishlegs: Excuse me, mister Seiya sir, why were they talking in a different language?\*\***

**\*\*Seiya: It's mostly a quiz to see if we can trust you.\*\***

**\*\*Snotlout: Wait, how do you know the Fishbones here?\*\***

**\*\*Koga: "THAT'S IT! LET ME STRANGLE HIM!\*\***

**\*\*Jack and Mac: \*\_\*\*\_hold Koga back-\*\*\_**

**\*\*Seiya: Enough Koga.\*\***

**\*\*Koga: Fine.\*\***

**\*\*Seiya: We know them because they've helped us 8 years ago and they helped us again 4 weeks ago. We got ship wrecked and they helped us fix our ship, we also told them not to say anything and if they got**

in trouble; we would say that we asked them to not say anything.\*\*

Gobber: Well, that explains why Hiccup and Faolan asked me if they could borrow my tools and take them for a while.

Dagur: They did?

Gobber: Yep, they returned it a few days later.

\*\*Stoick: Where are you from?\*\*

\*\*Seiya: That's a secret, besides, only few people know about it.\*\*

\*\*Stoick: I see, and that's your lands crest?\*\_\*\*pointing to the image of a Pegasus on the sail-\*\*\_

\*\*Jack: Well, more like the family crest, the island crest is more different.\*\*

Tuff: What is it anyway?

Snotlout: It's a horse.

Ruff: But it has wings.

\*\*Tuff: What is it anyway?\*\*

\*\*Snotlout: It's a horse.\*\*

\*\*Ruff: But it has wings.\*\*

Everyone (besides Snotlout and the twins): \_\_-laughing-\_\_

\*\*Astrid: I've never seen it before.\*\*

\*\*Fishlegs: Mister Seiya, what is it?\*\*

\*\*Seiya: It's Pegasus; the winged horse.\*\*

\*\*Vikings: Pegasus?\*\*

\*\*Spitelout: What is a Pegasus able to do?\*\*

\*\*Max: That's top secret.\*\*

\*\*Hiccup: Everything is top secret.\*\*

\*\*Jack, Max and Koga: It is NOT!\*\*

\*\*Faolan: Admit it already; it is.\*\*

\*\*Seiya: Again, their right; mostly everything is top secret, but we'll let you know our secret.\*\*

\*\*Teens: A secret?\*\*

Snotlout: What's the secret?

**\*\*Hiccup: Are you sure Seiya-san?\*\***

**\*\*Faolan: You know you don't have to, right?\*\***

**\*\*Seiya: Hey, it's your home and Stoick is your father, so he should know this.\*\***

Stoick: Exactly.

**\*\*Hiccup: You said that the last time we helped you.\*\***

**\*\*Faolan: And the time when we first met you.\*\***

**\*\*Seiya: Ok, so you have a point, but you know what I mean.\*\***

**\*\*Stoick: So what is the secret?\*\***

**\*\*Seiya: Jack, Koga, show them.\*\***

**\*\*Jack: \*\*\_\*\*-takes out a staff and with the tip of it; he slammed it to the floor; making ice appear around it-\*\*\_**

**\*\*Koga: \*\*\_\*\*-has a white aurora surround him-\*\*\_**

**\*\*Vikings: -gasp-\*\***

**\*\*Seiya: We are able to control elements.\*\***

**\*\*Snotlout: Cool, show me!\*\***

**\*\*Tuff: And me!\*\***

**\*\*Viking # 25: Me too!\*\***

Astrid: Now you started a rampage Snotlout.

Snotlout: Hey, it's cool.

Astrid: Everything is cool to you.

**\_\*\*With that, everyone was asking to be taught that.\*\*\_**

**\*\*Faolan: He can't.\*\***

**\*\*Snotlout: Says who?\*\***

**\*\*Faolan: Says Seiya-san if you let him continue.\*\***

Everyone (except Snotlout): **\_-laughing-\_**

Dagur: You got burned by Faolan.

**\*\*Seiya: Faolan has a point, I can't. You have to be born with it or be able to control it; it also takes years for you to master an element or more.\*\***

**\*\*Everyone: Oh manâ€¦!\*\***

**\*\*~A few hours later~ (Me: I really need to stop doing this**

--)\*\*

\_\*\*After more talk; Seiya and the rest of the village went to the Great Hall to talk. The teens were hanging or more like trying to hang around with Koga, Jack and Max. After a few minutes, Jack and Max had to leave so that they could go help their father with loading the boat, helping and answering some of the Vikings questions. Koga stayed behind with Hiccup and Faolan at the forge.\*\*\_

\*\*Snotlout: So Koga, you want to go hang out with us?\*\*

\*\*Koga: No, I want to spend some time with Hiccup-kun and Faolan-chan before I leave.\*\*

Viking #3: Ha, he rejected your offer.

Dagur: Epic fail.

\*\*Tuff: Why do you put â€"kun and the end of Fishbone name and â€"chan on Useless?\*\*

\*\*Koga: Quiet if you want to live another day! \*\*

\*\*Hiccup: Come on Koga, be nice. \*\*

\*\*Koga: I am. To answer your question; -kun is used for boys and â€"chan is used for girls. There's also something about them but I'm not gonna say.\*\*

\*\*Faolan: SEE!? Top secret!\*\*

\*\*Koga: It is not.\*\*

\*\*Jack: \*\*\_\*\*-enters-\*\*\_\*\* Hey guys, guess what?\*\*

\*\*Hiccup: What?\*\*

\*\*Jack: Dad said that we can take someone with us for like 4 months.\*\*

\*\*Koga: To Dad!\*\*\_\*\*-everyone runs to where Seiya is; The Great Hall-\*\*\_

\*\*\_The Great Hall- (Me: I seriously need to stop skipping)\*\*

\*\*Koga: \*\*\_\*\*-bursts in and the others follow-\*\*\_\*\* Dad! Is it true? Can we really bring someone?\*\*

\*\*Seiya: Of course, so who's the lucky kid or kids?\*\*

\*\*Spitelout: I say it's my son.\*\*

\*\*Viking #7: No, it's my son.\*\*

\*\*Viking #5: You're both wrong; its' my son.\*\*

Women: Men.

\*\*Gobber: Just let the kids say who it is.\*\*

**\*\*Jack, Max and Koga: Hiccup and Faolan!\*\***

**\*\*Everyone (Except for Seiya, Hiccup and Faolan): WHAT!?**  
**\*\***

**\*\*Stoick: I'm sorry, but they're not strong enough to go. Besides, they can't lift up a hammer or any other weapon and they haven't trained yet.\*\***

**\*\*Spitelout: Yeah, take someone else, like my son.\*\***

**\*\*Koga: No. We want Hiccup and Faolan to come.\*\***

**\*\*Seiya: Do you two want to come.\*\***

**\*\*Hiccup and Faolan: Hai!\*\***

**\*\*Vikings: Huh?\*\***

**\*\*Hiccup: Means yes.\*\***

**\*\*Stoick: I don't knowâ€¦.\*\***

**\*\*Seiya: Don't worry. Hiccup has a gift to build things with his hands, Faolan has a gift to spot things others don't see and both of them are fast learners.\*\***

**Ruff: Wait, we're gonna learn?**

**Tuff: No way am I gonna learn.**

**\*\*Max: Besides, the things we're gonna do might bore the others to death.\*\***

**\*\*Koga: Might?\*\***

**\*\*Max: You're right, it **\*\*\_\*\*will\*\*\_\*\*** bore them to deathâ€¦13! (A/N: It means that there are 13 stars in the Pegasus constellation)\*\***

**\*\*Hiccup and Faolan: Pegasus!\*\***

**\*\*Koga: Connected.\*\***

**\*\*Hiccup and Faolan: Andromeda. (A/N: Andromeda and Pegasus are connected by the same star)\*\***

**\*\*Jack: Zodiac.\*\***

**\*\*Hiccup and Faolan: 12\*\***

**\*\*Everyone (Except Seiya): Huh?\*\***

**\*\*Seiya: **\*\*\_\*\*-chuckling-\*\*\_\*\*** Again?\*\***

**\*\*Koga: What? It's fun.\*\***

**\*\*Seiya: Well, you two should go pack. \*\***

**\*\*Jack: To the boats!\*\***

\_The doors were suddenly open and many people entered; Draco, the other Viking tribes; the Kingdom of Corona and their friends, The Guardians and their helpers along with Pitch, The Dragons (Much to the Vikings dislike) The DunBrouch Clan and the Highlander's.\_

Night: \_-appears-\_ Ok, who spread the word about this!?

\_The ones who came in looked at an Outcast who looked at a Viking who looked at another Outcast who looked at another Viking who looked at a little kid who looked at Tuff and Snotlout who whistle innocentlyâ€|.way to innocently.\_

Night: \_-sights-\_ Fine, those of you who just came in can watch. Jack, Merida, Rapunzel, Flynn, and Toothless, you can go upstairs where Hiccup and Faolan are.

\_Toothless happily did as he was told and so did the others.\_

Night: Seriously Snotlout and Tuff, you two are starting to get on my nerves.

Kid #4: Umâ€|.excuse meâ€|..Miss. Night? Can I have something to eat and drink?

Night: Sure, I can't have the little kids suffer from hunger.\_-Night snaps her fingers and different types of food and drinks appear around everyone-\_

Kid #4: THANK YOU! ^-^

Night: Your welcome.\_-disappears-\_

\*\*Nightfall- \*\*

\_\*\*By nightfall, Hiccup and Faolan had finished packing up and were now leaving Berk. But they hid behind one of the rocks and turned around, by the time they reached Berk again, everyone was asleep and it was past midnight 'cause they had to be very careful not to be spotted. Max went with Hiccup to the cove to get Toothless.

\*\*\_

\*\*Hiccup: Toothless, where are you bud?\*\*

\*\*Max: Hold on a minute.\*\*\_\*\*-takes out a flashlight, turns it on and hands it to Hiccup\*\*\_\*\*- Here, this should make it easier to see.\*\*

\*\*Hiccup: Thanks.\*\*

\_\*\*SNAP!\*\*\_

\*\*Max: What was that?\*\*

\*\*Hiccup: Toothless, it's me; Hiccup.\*\*

\_\*\*Just as Hiccup said that, Toothless came over to Hiccup and growled when he saw Max.\*\*\_

Kids of Burge: COOL! A DRAGON!

**Hiccup:** It's ok bud, that's Max, my brother.

**Toothless:** -gives him a 'WHAT!?' look-

**Hiccup:** Well not blood related brother, but he's my brother in name. So, Toothless, Max, Max, Toothless.-**Hiccup** takes Max hand and puts it a few inches away from Toothless snout, and without hesitation; Toothless fills in the gap-

**Max:** Wow, this his your friend?

**Hiccup:** Yep, now let's get out of here.

**Hiccup** got on top of Toothless and Max got behind him. They both flew to the boat where the others were waiting for them.

-Later- (A/N: They manage to get some sleep)

**Jack:** COOL!

**Koga:** I know right?

**Faolan:** Hiccup, you so hypnotized them.

**Hiccup:** I think you right.

**North:** Look! It's Faolan and Hiccup!

**Tooth:** I know! Their teeth are so white! Like Jacks!

**Bunny:** And they have a lot of Hope.

**Snotlout:** Wait, you know them?

**North:** Of course, both of them are in the nice list.

**Vikings:** Nice list?

**North:** Yeah, the nice list has the names of kids who behave well and the naughty list has the names of kids who misbehave...like the teens. Snotlout and the twins are in the naughty list.

**Seiya:** Ok, time for you two to start your training.-pulls a lever that brings up weapons and a mini training arena- (A/N: Like the boat in Ninjago.)

**Hiccup:** This is so going to be a long day...

**Hiccup** and Faolan started their training and Jack, Koga and Max helped them out. They did push-ups, sit-ups, jumping jacks, did a play of jump-rope while still training and many other things. Time past by very quickly because when they looked up; the sun had already gone down.

**Jack:** Wow that was fast.

**Hiccup:** Yep, well 'night everyone.

**\*\*Faolan: 'Night.\*\***

**\*\*Koga: 'Night\*\***

**\*\*Max: Later everyone.\*\***

**\*\*Jack: See ya tomorrow.\*\***

**\_\*\*Everyone went to their rooms and went to sleep, well, everyone except Faolan. She pulled the lever down and the training arena went down again. Once that was done she looked up at the sky to see billions of stars shine in the night sky.\*\*\_**

Women and girls: It's so beautiful.

**\*\*Seiya's room-\*\***

**\_\*\*Seiya was in his desk righting something down, and then he stopped and put his pen down.\*\*\_**

King of Corona: Why did he suddenly stop?

North: I have this bad feelingâ€¦in my belly.

**\*\*Seiya: What do you want Pitch.\*\***

Everyone (except Pitch): **\_gasp-\_**

**\*\*Pitch: \*\*\_\*\*-appears-\*\*\_\*\* My, that's some attitude of yours. Can't I just drop by and say hi?\*\***

**\*\*Seiya: Quit playing around, you don't just \*\*\_\*\*'drop by' \*\*\_\*\*.\*\***

**\*\*Pitch: Then I'll tell you why I came; why not let me take Hiccup with me. He isn't one of you.\*\***

Guardians: What do you mean!?

Pitch: Just look.

**\*\*Seiya: \*\*\_\*\*-gets mad and stands up, hands on the table-\*\*\_\*\* You will never have him! He will never be like you nor will he be your prince of Darkness!\*\***

**\*\*Pitch: That boy will come with me eventually, whether you like it or not.\*\*\_\*\*-leaves by becoming a shadow-\*\*\_**

**\*\*Outside-\*\***

**\_\*\*Pitch sends nightmares to Jack, Max, Koga and Hiccup, as well as the kids in Berk. Faolan was able to sense Pitch's Nightmares.\*\*\_**

**\*\*Faolan: What are you doing here Pitch?\*\***

Astrid: Wow, she has sharp senses.

**\*\*Pitch: You're just like your father. Also, why is Hiccup even with**

you? He isn't like you; he's darkness, like me.\*\*

\*\*Faolan: He isn't like you at all.\*\*

\*\*Pitch: What prof do you have?\*\*

\*\*Faolan: You.\*\*

\*\*Pitch: How is it that I'm prof?\*\*

\*\*Faolan: He controls darkness, but the darkness controls you.\*\*

\*\*Pitch: â€|..Clever aren't you.\*\*\_\*\*-leaves while ridings a Nightmare-\*\*-

\_\*\*Faolan suddenly hears crying from the kids of Berk and she senses her brothers tossing and turning from the nightmares they're having. She raises her hands and a white light comes out, it goes to Berk and spreads; going to kids and replacing the nightmares to good dreams. Faolan goes to each of her brothers' rooms and puts a hand on their heads; which makes the nightmares go away. When she finishes, she goes to her room and sleeps.\*\*\_

Sandy: \_-makes sand images above his head that go too fast-\_

Everyone (except the Guardians): Huh?

Bunny: He said "I'm happy that Faolan was able to get rid of the nightmares the kids were having."

\*\*\_10 days later-\*\*

\_\*\*10 days have passed since Hiccup and Faolan left Berk and they were now back home to Elemental. Seiya had told them to do laps around the lake that was close to the castle.\*\*\_

\*\*Hiccup: Done. \*\*

\*\*Faolan: \*\*\_\*\*-falls faced up and looks at the sky-\*\*-\*\* â€|..Looks like it's gonna rain.\*\*

\_\*\*Just as Faolan said that, it starts to rain heavily and hard.\*\*\_  
\*\*\_

\*\*Faolan: Scratch that, it's raining.\*\*

\*\*Hiccup: Let's go.\*\*

\_\*\*Hiccup and Faolan start running home but because it was raining so much; mud had appear so it was making it harder to run. Faolan even fell a couple of times and hurt her ankle. A few minutes later, they reached the castle and went inside.\*\*\_

\*\*Koga: There you are.\*\*

\*\*Hiccup: Uhâ€|hi, we are gonna-\*\*

\*\*Faolan: \*\*\_\*\*Ah-Cho!\*\*\*\_

**\*\*Koga: Yeah, you're both gonna take a bath and I'm gonna tell dad to check your temperature.\*\***

**\*\*Hiccup: Fine.\*\***

**\*\*Later-\*\***

**\*\*Ryo: Yep, you got a fever Hiccup.\*\***

**\*\*Seiya: And so does Faolan, not to mention that her ankle is swollen and she almost twisted it\*\*\_\*\*.-wraps Faolan's right ankle with a cloth-\*\*\_**

**\*\*Faolan: OWW!\*\***

**\*\*Ryo: How long were you two out in the rain?\*\***

**Tooth: Please let it be a few minutes.**

**\*\*Hiccup: Uhâ€¦.about an hour because it was difficult to run in the thick mud.\*\***

**Bunny: Sorry Toothy, you didn't get what you wanted.**

**\*\*Ryo: I thought so. Hmmâ€¦I want you two to go to bed and get some rest.\*\***

**\*\*Faolan: But I still need to finish my training.\*\***

**\*\*Hiccup: Yeah and I need to study.\*\***

**\*\*Seiya: No studying or training, you go straight to bed.\*\***

**\*\*Hiccup and Faolan: No.\*\***

**\*\*Sandy: \*\*\_\*\*-enters and has a question mark above his head-\*\*\_**

**\*\*Seiya: Hi Sandy, the kids got sick and they don't want to go to bed.\*\***

**\*\*Ryo: If they don't it's gonna make it harder for them to recover.\*\***

**\*\*Hiccup and Faolan: \*\*\_\*\*-try to sneak away-\*\*\_**

**\*\*Sandy: \*\*\_\*\*-throws a ball of sand at them and they start to get sleepy-\*\*\_**

**\*\*Faolan: Sandy\*\*\_\*\* yawn\*\*\_\*\* you're such a traitor.\*\***

**\*\*Seiya: Come on you two, let's go.\*\***

**\*\*At their rooms -\*\***

**\_\*\*Hiccup and Faolan were in their beds already fast asleep.\*\*\_**

**\_\*\*Scratch!\*\*\_**

**\*\*Ryo: Someone's at the door.\*\***

**\_\*\*Seiya opens the door to see Toothless walk in and jump on Hiccup's bed, sleeping at the end of his bed.\*\*\_**

Kids: AWWW! That's adorable!

**\*\*Seiya: I should have known that Toothless wouldn't leave Hiccup or Faolan alone.\*\***

**\*\*Ryo: Let's go, they need to get some rest.\*\***

**\_\*\*Ryo and Seiya leave.\*\*\_**

Snotlout: **â€¦**..Ah ha-ha-ha!

Everyone: **\_**-looks at Snotlout as if he's gone mad-**\_**

Snotlout: Ok, that's a nice story you made up about the two of them. Night. Know; tell the truth, we know that this never happened.

Night: -appears- Nope, this actually happened, you can ask the Guardians, Seiya, Ryo, Jack, Max and everyone else.

Tooth: It's true.

Bunny: She's right, this all happened.

Vikings: WHAT!?

Night: Told you.

**\*\*The look on their faces! Priceless!\*\***

**\*\*Snotlout: I still don't believe it.\*\***

**\*\*Me: Want me to contact their bothers so you can discuss it with them?\*\***

**\*\*Snotlout: Noâ€¦.\*\***

**\*\*Me: Good, anyway R&R please.\*\***

## 9. Chapter 9

**\*\*Again; I'M BACK! And-\*\***

**\*\*Ruff: And you still haven't told us what you meant when you said 'yes, yes they are'.\*\***

**\*\*Me: Hiccup; Disclaimer, quickly!\*\***

**\*\*Hiccup: NightPegasus13 owns nothing but her OCs, Pendra and her Ideas.\*\***

**\*\*Next day at the living room-\*\***

**\*\*Hiccup: Why is the room spinning?\*\***

**\*\*Jack: Remind me how long they were in the rain.\*\***

**\*\*Gingka: An hour. Are you better Faolan? ...Faolan?\*\***

**\*\*Faolan: \*\*\_\*\*-sleeping next to Fai but in sitting position-\*\*\_**

**\*\*Gingka: \*\*\_\*\*-lightly shakes her shoulder-\*\*\_\*\*  
Faolan.\*\***

**\*\*Faolan: Hmm? What?\*\***

**\*\*Gingka: Are you feeling better?\*\***

**\*\*Faolan: Yeah, I- \*\*\_\*\*Ah-Choo! (Me: If I spelled it wrong, sorry, but she sneezed right here)\*\*\_**

**\*\*Gingka: I'll take that as a no.\*\***

**\*\*Faolan: Uhâ€|no, no, I said \*\*\_\*\*â€"to her self-\*\*\_\*\* Cachou, ah-boo, bamboo, kuku, Rajuâ€|\*\*\_\*\*-back to Gingka-\*\*\_\*\* Yeah, I got nothing. \*\***

**Queen of Corona: Do they always do that?**

**Stoick: I really don't know.**

**Bunny: That's sad, really sad.**

**\*\*Fai: \*\*\_\*\*-puts his hand on Faolan's forehead-\*\*\_\*\* Your fever's gone up.\*\***

**\*\*Jack: \*\*\_\*\*-puts his hand on Hiccup's forehead-\*\*\_\*\* And so has Hiccup's.\*\***

**\*\*Hiccup: I thought it went down.\*\***

**\*\*Gingka: I'll go tell dad.\*\***

**\*\*Jack: I'll go get the medicine.\*\*\_\*\*-Jack and Gingka leave-\*\*\_**

**\*\*Hiccup: Yeah, take your time.\*\*\_\*\*-lays down, pulls a blanket over him and goes to sleep-\*\*\_**

**\*\*Faolan: \*\*\_\*\*-falls asleep on Fai's lap facing away from him and Fai pulls a blanket over her-\*\*\_**

**\*\*~30 minutes later~\*\***

**\*\*Ryo: Hiccup.\*\***

**\*\*Toothless: \*\*\_\*\*-wakes up his rider-\*\*\_**

**\*\*Hiccup: Hmm? Yeah?\*\***

**\*\*Fai: Here, drink this.\*\*\_\*\*-hands him a bottle of water and medicine\*\*\_\*\*-\*\***

\*\*Hiccup: I'm not even gonna ask if I need to.\*\*\_\*\*-drinks the medicine first then the water-\*\*\_

\*\*Gingka: You too Faolan.\*\*

\*\*Faolan: \*\*\_\*\*-drinks her medicine and water-\*\*\_

\*\*Jack: \*\*\_\*\*-whispering to Ryo-\*\*\_\*\* Dad, their fever, it's getting higher.\*\*

\*\*Gingka: \*\*\_\*\*-whispering-\*\*\_\*\* Let's take them to their containers; the sickness won't be able to reach them there or affect them more.\*\*

\*\*Ryo: Then take them there.\*\*

\*\*Jack and Gingka: Ok\*\*\_\*\*.-take Hiccup and Faolan to their containers-\*\*\_

\*\*\_Room with the containers-\*\*

\_\*\*Gingka helps Faolan get in her Pegasus container that was on the right side from Hiccup's. Once she was inside; Gingka pressed a button that made the lid close on top of the container and had Faolan sleep instantly. Gingka pressed a few more buttons and the Pegasus container moved upwards, (like in Bakugan New Vestroia when Ace, Shun and Marucho get captured) and the container was glowing because of the light that was inside.\*\*\_

\*\*Hiccup: Wait.\*\*

\*\*Jack: What's wrong?\*\*

\*\*Hiccup: Can you do me a favor and change Toothless' tail fin?  
\*\*

\*\*Jack: Why?\*\*

\*\*Hiccup: It'll help him fly without me being on his back.\*\*

\*\*Jack: Well, you might want to tell that to Toothless here or he won't let me change it at all.\*\*

\*\*Toothless: \*\*\_\*\*-hits Jack on the head with his tail-\*\*\_

\*\*Jack: HEY!\*\*

\*\*Hiccup: \*\*\_\*\*-chuckles-\*\*\_\*\* Hey bud; can you let Jack change your tail fin? I'll be here for a while to recover so I won't be able to fly with you and you don't want to stay here and not fly now do you?\*\*

\*\*Toothless: \*\*\_\*\*-shakes his head; no-\*\*\_

\*\*Hiccup: So you'll let him change it, right?\*\*

\*\*Toothless: \*\*\_\*\*-shakes his head; yes-\*\*\_

\*\*Hiccup: Good.\*\*

**\*\*Toothless: \*\*\_\*\*-nudges him on his hand and leaves; waiting for Jack at the door-\*\*\_**

**\*\*Jack: \*\*\_\*\*-laughing- \*\*\_\*\*Don't worry about him Hiccup; I'll do my best to make sure he doesn't get in to much trouble while you're asleep.\*\***

**\*\*Hiccup: Thanks.\*\***

**\*\*Jack: No problem, now you need to get better so you can go flying again.\*\***

**\_\*\*Once Hiccup was inside the Night Fury Container, Jack did the same thing Gingka did with Faolan.\*\*\_**

**\*\*\_3 days Later at Night-\*\***

**\_\*\*A woman with a hooded cloth covering her face was shown in the screen.\*\*\_**

**Queen of Corona: Hey, isn't thatâ€|?**

**King of Corona: I think it's Gothel.**

**\_\*\*She quickly but silently was making her way around the hallways to get to her destination. This woman stayed in the shadows so that she wouldn't be caught and eventually, she made it to where she wanted to be; the same place Hiccup and Faolan were sleeping. She opened the doors quietly and went in front of Hiccup, since he was the closes to the door. She went in front of him for a while until she decided that he wasn't the one she was looking for so she went in front of Faolan. There, she took her hood off to reveal; Mother Gothel.\*\*\_**

**Kingdom of Corona: \_-gasp-\_**

**Guard of Corona #1: It IS her!**

**\_\*\*Gothel looks older than younger and as she gets closer to Faolan, Hiccup's hand start to twitch. But she's to focus on Faolan to notice.\*\*\_**

**\*\*Gothel: \*\*\_\*\*-singing-\*\*\_\*\* Flower gleam and glow\*\***

**\_\*\*As Gothel starts to sing, Faolan's aurora appears, lighting the room even more.\*\*\_**

**\*\*Let your power shine\*\***

**\_\*\*A part of Faolan's aurora heads to Gothel, circling her.\*\*\_**

**\*\*Make the clock reverse,\*\***

**\_\*\*Gothel touches the white aurora.\*\*\_**

**\*\*Bing back what once was mine\*\***

**\*\*What once was mine.\*\***

\_\*\*When she finishes singing, Faolan's aurora disappears and Gothel turns young again, but not young enough for her liking. \*\*\_

Astrid: Ok, that was creepy.

Fishlegs: It is more than just creepy, it was supper creepy.

\*\* -Living room- \*\*

\_\*\*Fai is sitting in the couch reading with Toothless sleeping next to him on the ground; Gingka was polishing his bey; Koga, Max and Jack were playing cards. Fai's head shot up and his eyes suddenly went to the door and Toothless head went up, eyes already opened.\*\*\_

\*\*Fai: Did you guys notice? Just a moment agoâ€¦|. \*\*

\*\*Gingka: \*\*\_\*\*-stops polishing his bey- \*\*\_\*\* Yeahâ€¦|that powerâ€¦|. \*\*

\*\*Max: That was Faolan's power just a moment ago. \*\*

\*\*Jack: Her powers can't be used right now. She can use it to recover faster, butâ€¦|.. \*\*

\*\*Koga: That was too much power for her to use right now. \*\*

\*\*Toothless: \*\*\_\*\*-growls- \*\*\_

\*\* -Room with Containers- \*\*

\_\*\*Gothel sings again, which isn't good for Faolan since she's sick.\*\*\_

King of Corona: What is it with you being young?

Gothel: That's for me to know and for you to find out.

\*\*Gothel: -singing- Flower gleam and glow\*\*

\_\*\*Once again, Faolan's aurora appears and lights the room even more than before. Hiccup's aurora also appears but Gothel was too concentrated on turning younger to notice anything else around her.\*\*\_

\*\*Let your power shine\*\*

\_\*\*A part of Faolan's aurora circles Gothel and she reaches out to touch the white aurora.\*\*\_

\*\*Make the clock- \*\*

\_\*\*Hiccup's aurora gets in the way of Gothel. When Gothel touched Hiccup's aurora, she turned a bit older which shocked her and made her withdraw her hand back.\*\*\_

\*\*Gothel: How did heâ€¦|. ? \*\*

\_\*\*Hiccup's aurora circles Faolan, covering her and her aurora from Gothel. As Hiccup's aurora grows larger and larger, he covers Faolan more and more. Gothel started to sing again when Hiccup's aurora covered Faolan up to her neck, but no matter what she did; Faolan's aurora was always stopped by Hiccup's and was lead in another direction. Finally, Faolan and the Pegasus container were covered from head to toe by Hiccup's aurora, but his aurora kept growing more and more; until the sirens were turned on. Hearing the sirens, Gothel decided it was best to leave, even though she didn't get younger as she wanted to.\*\*\_

\_The screen went blank and a 2 year old was seen unplugging a plug, moving some cables and then holding a laptop that was too big for her to carry.\_

Night: \_-appears with her hair in a bun and a shirt that's been covered in paint- \_\*\*ROSE!\*\*

\_The little girl, that Night called Rose, jumped in surprised and ran to the door but Night stopped her.\_

Night: What do you think you're doing by unplugging that plug, tangling the cables and holding my laptop young lady?

Rose \_(What I'll call her in Fan fiction)\_: \_-gives her a look saying 'nothing'-\_

Night: \_-takes the laptops away from Rose- \_Would you quit getting my things!? You're in big trouble when I tell mom about this.

Rose: \_-gives her a "no I won't" look-\_

Night: ¡.MAMA! ROSE ESTA TOCANTO MIS COSAS OTHRAVES!

Night's mom: Rose, estas en gran problemas! Ven aqui este instante chamaquita!

Rose: \_- glares at Night and leaves the room -\_

Astrid: Who was that?

Night: My little sister, she has this habit of getting my things without permissionand now she tangled all the cables. It'll take me hours to untangle them! (Me: And she really does get my things)

Tooth: So, what now?

Night: Well, you might have to watch it with Hiccup and the others since it'll take me time to get this one going againand she just had to do it when I was working on my project! Now I'll never finish that painting on time!

Fergas: So, where is the other room?

Night: Follow me.

\_Night leads the group to a room that was right above them. When Night opened the doors, Hiccup, Faolan, Jack, Merida and Rapunzel were doing a pillow fight with each other and with

Toothless.\_

Night: Alright, who stated it?

Hiccup: No one.

Merida: We're just doing it for fun.

Elinor: \_-thinking- That's not what a princess should be doing!\_

Night: Ohâ€¦.anyway, the others are gonna join you 'cause my sister disconnected the other one.

Jack: What!?

Night: You heard me!

Rapunzel: I don't think it's a good idea. Especially with, \_you know who\_.

Night: Don't worry; I'll just put a barrier that only those that mean no harm can pass through it. Now, everyone; take a seat.

\_Once everyone was seated the video started again.\_

\_\*\*The boys and Toothless enter, only to see Hiccup start to lose control.\*\*\_

\*\*Fai: Hiccup's heart beat is going faster!\*\*

\*\*Max: Hiccup!\*\*

\*\*Jack: Hiccup, It's ok, they're gone. No one's gonna hurt you or Faolan.\*\*

\_\*\*Toothless rushes over to Hiccups side and starts talking to him in his Dragon language. Hearing Toothless, Hiccup's hands start to twitch more and more. You can then see what Hiccup is looking at.\*\*\_

\*\*Hiccup's View\*\*

\_\*\*Hiccup is standing alone in a dark place, no light is shown nor a single soul, except for Pitch Black.\*\*\_

\*\*Pitch: Join me Hiccup and I can remake you a better life. You can be young again and live happily with your father and make friends. All you have to do is to going me.\*\*

\*\*Hiccup: Even if I did join, I know it's not real. What happened has happened, and I can't change that.\*\*

\*\*Pitch: â€¦Why is it that you are so difficult to convince!？\*\*

\*\*Hiccup: I think I got that from Faolan.\*\*

Faolan: Hey!

Hiccup: What? It's true.

Faolan: No it isn't!

Jack: Yes it is.

Merida: Rapunzel and I tried to make her wear a dress, but she just wouldn't let us.

Rapunzel: And when she was singing during the concert, it took us 2 hours to get her ready.

Faolan: Bullies.

**\*\*Pitch: I will convince you to join me!\*\***

**\*\*Hiccup: If my dad can't keep me inside the house for 1 minute, how do you expect me to join you? (A/N: Mostly saying that, if he doesn't listen and obey his father, then Pitch won't be any different)\*\***

Everyone (except Pitch): -give out an: Ooo- Ooo!

Bunny: The kid got you there mate.

Pitch: Shut up rabbit.

Jack: Nice one Hiccup.-\_gives him a high-five\_-

Hiccup: Thanks.

**\*\*Pitch: â€|.I hate you.\*\***

**\*\*Hiccup: I hate you too.\*\***

**\*\*Back to reality-\*\***

**\_\*\*Hiccup's power subsides and the containers open, along with Hiccup's and Faolan's eyes.\*\*\_**

**\*\*Max: Are you two ok?\*\***

**\*\*Hiccup: Yeah, but he won't ever leave me alone until I join him, right?-\*\*\_\*\*pets Toothless head\*\*\_\*\*-\*\***

**\*\*Ryo: -\*\*\_\*\*enters with Seiya\*\*\_\*\*- Sadly, yes. He won't give up until you accept.\*\***

**\*\*Hiccup: Well, there's no way I'm joining him that easily.\*\***

**\*\*Ryo: You're right my boy.-\*\*\_\*\*ruffles his hair\*\*\_\*\*- \*\***

**\_When Ryo said 'my boy', Stoick got mad and jealous. Mostly because Ryo and Hiccup got along well; Father 'n' son, the other was because Hiccup couldn't handle a playful ruffle on the head by a Viking but was able to handle one by Ryo.\_**

**\*\*Seiya: Who was the one that broke in?\*\***

**\*\*Koga: We don't know dad.\*\***

**\*\*Fai: I have an idea who it was.\*\***

**\*\*Faolan: Me too.\*\***

**\*\*Hiccup: And me.\*\***

**\*\*Jack: Who?\*\***

**\*\*Hiccup, Faolan and Fai: -\*\*\_\*\*in sync\*\*\_- Gothel.\*\***

**\*\*Koga: Are you sure?\*\***

**\*\*Faolan: I'm not sure; I'm positive it was her.\*\***

Hiccup: Hey Gobber, now she's sounding like you.

Gobber: -\_chuckling while Stoick gets jealous-\_

**\*\*Ryo: What makes you say that?\*\***

**\*\*Hiccup: Does that prove it was her?-\*\*\_\*\*points to the open window-\*\*\_\*\* Gothel is the only one who would leave through a window and leave it open like that.\*\***

**\*\*Max: I would bet 20 bucks that she left through that window dramatically. (A/N: You know, swinging her cape around, like in Tangle)\*\***

Gothel: Hey!

Hiccup: Face it; you do leave through a window dramatically.

Rapunzel: She does, and I know because I've lived with her.

**\*\*Fai: -\*\*\_\*\*goes to the window\*\*\_- Hey! there are finger print here.\*\***

**\*\*Gingka: -\*\*\_\*\*brings over a devise that scans the finger prints-\*\*\_\*\* Yep, it matches, but we need more evidence to be sure.\*\***

**\*\*Faolan: She was singing that song, you know, the one she used on Rapunzel to get younger again. I know that song any ware.\*\***

**\*\*Ryo: Alright, I'll see what I can do. Taking someone else's power isn't good news, especially if it was someone like Gothel.-\*\*\_\*\*leaves\*\*\_-\*\***

**\*\*Seiya: Boys, I need to have a word with Hiccup and Faolan.\*\***

**\*\*Boys: Yes father.-\*\*\_\*\*all the other boys leave\*\*\_-\*\***

**\*\*Hiccup: Dad? What's going on?\*\***

\_Again, Stoick gets jealous.\_

**\*\*Seiya: Nothing that should worry you. Sensei Wu called today and I**

ask him if it was ok if he can train you with the others. Wu said he be happy to, so you'll be leaving in 2 days, you two understand?\*\*

\*\*Hiccup and Faolan: Yes dad.\*\*

\*\*Seiya: Toothless, you're also going with them. Take care of them for me.\*\*

\*\*Toothless: -\*\*\_\*\*gives Seiya a nod that says 'I will'\*\*-\*\*-\*\*

Teens: Sensei Wu?

Dagur: Who's Sensei Wu?

Hiccup, Faolan and Jack: A friend of Seiya.

\*\*Outside of the castle\*\*-\*\*

\_\*\*6 men with hooded cloths are seen heading to the castle. The one in the front took his hood off, but you couldn't see his face, since it only showed half of his face, from his nose up to his eyes, was cover by his hair.\*\*\_

Snotlout: Who are they?

\*\*Man #2: So this is the place?\*\*

\*\*Man #1 (or more like Drago's V.O): Yes, this is where they live.\*\*

Vikings: -gasp-

Stoick: Why are you there?

Drago: You'll see why.

\*\*AND THAT'S THE END OF THIS CHAPTER! :D\*\*

\*\*Stoick: So why did he go there?\*\*

\*\*Me: That's for me to know and for you to find out.\*\*

\*\*Hiccup: -reading next chapter- Really?\*\*

\*\*Me: Yep, and don't spoil it. Also; Review, Follow and Favorite please.\*\*

## 10. Chapter 10

\*\*FINALLY! I was able to update!:D\*\*

\*\*Hiccup: Finally, after 10 years later.\*\*

\*\*Me: Hey! I was doing my best to update.\*\*

\*\*Hiccup: Sure.\*\*

**\*\*Me: Meany. \*\***

**\*\*Hiccup: Whatever.\*\***

**\*\*Me: I'm very sorry for the supper late update. It's gonna be harder for me to update cuz I don't have internet in my house, the chores, school and the constant bothering by some people. (A.k.a. Family) \*\***

**\*\*Nightlights: NightPegasus13 owns nothing but her OCs. Enjoy.\*\***

**\*\*~In the computer room~ \*\***

Teens: Wow!

Mildew: What are those things?

Jack, Hiccup and Fal: It's called a computer.

Vikings: Aâ€|.what?

Night: \_\_-enter-\_\_ Let me explain. (1 hour later after explaining) Ok, now let's continue.

**\*\*Hiccup: Here you go bud.\*\*\_\*\*~gives Toothless a fish then goes back to typing~\*\*\_**

**\_\*\*Rapunzel comes on the screen with Merida.\*\*\_**

Snotlout: How did you two fit in that little screen!?

Faolan: \_\_face palms\_\_

Merida and Rapunzel: Uhhâ€|.

Hiccup: Don't try to explain, trust me, it's impossible.

**\*\*Rapunzel: Hey Hiccup.\*\***

**\*\*Merida: HI Hic.\*\***

**\*\*Hiccup: I guys, so you're coming to train with Sensei and the others? \*\***

**\*\*Merida: Sure am.\*\***

**\*\*Rapunzel: So am I. Jack is coming too right? \*\***

**\*\*Hiccup: I think he will come, after all, Mother Nature told us to.\*\***

Everyone (except those who know her): Mother Nature? Who's Mother Nature?

**\*\*Merida: Yea, we 4 are responsible for the seasons, so we do have to obey herâ€|but I find it unfair.\*\***

**\*\*Hiccup: Why? \*\***

**\*\*Merida:** Because winter last most of the year, and Jack controls winter.\*\*

**\*\*Rapunzel:** Where is Jack anyway?\*\*

Faolan: Care to answer that one Jack?

Jack: Nope, you'll have to wait and seeâ€¦except for Bunny.

Queen of Corona: â€¦Why?

Jack: You'll see.

**\*\*Merida:** â€¦Now that you mention it, I haven't seen him in 2 days.  
**\*\***

**\*\*Hiccup:** Probably pulling a prank on Bunny.\*\*

**\*\*At the Warren from the outside-\*\***

â€¦

â€¦

**\*\*Bunny:** JACK!\*\*

Everyone (except Bunny): \_\_-laughing-\_\_

Bunny: That wasn't funny Jack.

Jack: Then explain why everyone's laughing?

Bunny: Shut up Frostbite.

**\*\*Back at the computer room-\*\***

**\*\*Rapunzel:** Poor Bunny.\*\*

**\*\*Merida:** Poor Bunny? More like poor Jack when Bunny gets his hands on him.\*\*

**\*\*Hiccup:** Maybe not if Jack's with Tooth when Bunny finds him.\*\*

**\*\*Merida and Rapunzel:** True.\*\*

**\*\*Rapunzel:** So how's it going?\*\*

**\*\*Hiccup:** Everything's ok, got sick but I'm better now.\*\*

**\*\*Merida:** What about Toothless? How is he?\*\*

**\*\*Hiccup:** He's good, though he manages to trick and prank me without me noticing.\*\*

**\*\*Merida:** I have an idea where he got it from. Do the trick and pranking remind you of anyone?\*\*

**\*\*Rapunzel:** Yep, good old Jack Frost himself.\*\*

**\*\*Hiccup: Toothless, I need to keep you away from Jack for a while.\*\***

Hiccup: I REALLY need to keep him away from you for a while.

Jack: Joy killer.

**\*\*Merida: You should.\*\***

**\*\*Hiccup: Anyway, I got to go, it's almost time for dinner and I have a little training to do after that.\*\***

Astrid: You train?

Hiccup: Yeah.

Snotlout: Not possible, you can't even lift up a sword.

**\*\*Rapunzel: Why is it that you train a lot? Don't you think Kurogane is going a bit too far with the constant training every day?  
\*\***

**\*\*Merida: Yeah. For as long as I can remember, you train every day whenever you can. Whether it's raining, snowing, sunny or anything else, you go non-stop.\*\***

**\*\*Hiccup: Kurogane isn't the one that's making me train that much.\*\***

**\*\*Rapunzel: But isn't he your sword teacher?\*\***

**\*\*Hiccup: He is but he also makes sure that I don't overdo it when I train with him.\*\***

**\*\*Merida: Then why do you train more than you have to? You know that it's bad to keep going non-stop. It can bring consequences.\*\***

**\*\*Hiccup: I have my reasons.\*\***

North: Like?

Hiccup: I rather not say anything.

Stoick: Why?

Hiccup: \_\_silent\_\_

**\*\*Merida: Ok, just be careful, knowing you; you're gonna tire yourself to sleep.\*\***

**\*\*Rapunzel: She has a point.\*\***

**\*\*Hiccup: Don't worry, I'll be fine.\*\***

**\*\*Rapunzel: Alright, take care of yourself Hiccup. See you later.\*\***

**\*\*Merida: Bye Hiccup and I have my eyes on you.\*\***

\_\*\*Merida and Rapunzel both log out and leave hiccup alone to himself.\*\*\_  
\_

\*\*\_With Faolan-\*\*

\_\*\*We see Faolan walking in the hallway with her eyes closed and her hands in the pockets of her pants.\*\*\_  
\_

\*\*Faolan: â€|.The Dragons are coming, like always and right on schedule.-\*\*\_\*\*stops and opens her eyes- \*\*\_  
\_

Pitch: How do you know they're coming?

Faolan: Not telling you.

\_\*\*Screen changes to the dragons twice as many than before leaving Dragon Island and heading to Berk.\*\*\_  
\_

\_All the Vikings got nervous about that many dragons heading towards Berk, but they then remembered that they were watching the past. They were all curious at what happened to the other half.\_

\_\*\*Just before the dragons got to Berk, a barrier that was around Berk was activated and it stopped some of the dragons from reaching Berk. Those who didn't and couldn't pass that barrier were forced to go get food from another place.\*\*\_  
\_

\_The Vikings sighted in relief that they didn't have to fight that many dragons and they then wondered how and where did that barrier come from.\_

\_\*\*-Flashback on the barrier-\*\*-\*\*\_  
\_

\_\*\*Fai enters a room with Ryo and Seiya already inside.\*\*\_  
\_

\_\*\*Fai: What's going on?\*\*\_  
\_

\_\*\*Ryo: Well, now that Hiccup and Faolan returned to their original form or powers; the barrier that Hiccup put around Berk has gotten stronger.\*\*\_  
\_

\_\*\*Seiya: Looks like the dragons will have a harder time getting to Berk.\*\*\_  
\_

\_\*\*Fai: Well that's good news.\*\*\_  
\_

\_\*\*-End of flashback- \*\*\_  
\_

\_Some of the Vikings remember that there was a day that not man dragons attacked the Village and it's been like that until today. So they now know the reason for not many dragons attacking Berk.\_

\_\*\*Screen changes to the Vikings that were in battle against the dragons and at the same time (back with Hiccup) Hiccup gets up but as soon as he does, he is surrounded by a dark green aurora. He starts to have trouble breathing which alerts Toothless but he isn't able to do anything to help Hiccup.\*\*\_  
\_

\_\*\*Once the dragons leave and the battle is finished; the aurora

around Hiccup disappears; Toothless appears next to him to give him something to support himself while he regains the ability to breathe normally and stand up by himself again. \*\*\_

\_The Guardians, Pitch, Rapunzel, Merida and Dragons realized what was going on. Hiccup gave away his strength to the Vikings, so, in other words; the Vikings strength belonged to Hiccup.\_

Tuff: What just happened?

Ruff: One minute your fine, then you're not then you're ok.

\*\*Hiccup: â€|If only you guys knewâ€|..if only you knew. \*\*

Stoick: If only we knew what?

Hiccup: You'll see what I meant later.

\_\*\*From outside of the room, Fal is leaning in front of the door listening to what he just said without him noticing. Hiccup's voice then comes to Fal's mind\*\*\_\*\*.\*\*

\*\*Faolan (Hiccup's V.O in her head): \*\*\_\*\*If it helps protect Berk, then I will do it.\*\*\_

Dagur: What did you do? Was it good or bad?

Hiccup: I think it's in between.

Vikings: Think?

Hiccup: Never mind.

\*\*Faolan: -\*\*\_\*\*knocks on the door to let Hiccup know\*\*\_\*\*- Hiccup, it's time to eat.\*\*

\*\*Hiccup (from the other side of the door): Ok, I'll be there in a minute.\*\*

\*\*Faolan: Ok.\*\*

\*\*\_At the dinner table-\*\*

\_\*\*Screen changes to the dinner table that is filled with food and all of the Nightlight Family. The table was very long and it was very noisy with all of the talking\*\*\_\*\*.\*\*

Jaime: Man, your family is big!

Sophie: You have a big family Hiccup!

Hiccup: That's just half of them.

Kids of Berge: Huh?

Faolan: We have more family members.

Gobber: Really!?

Hiccup: Yep, the others were all around the world traveling, working, and etcetera and some of them were at work when this happened.

Teens: You're kidding.

Hiccup: Nope.

Vikings: -\_shocked-\_

\*\*Hiccup: Hey Sho, can you pass me the salt please.\*\*

\*\*Sho (from Beywheelz): Sure, here.-\*\*\_\*\*passes him the salt\*\*\_\*\*-

\*\*Hiccup: Thanks.\*\*

\*\*Ryo: -\*\*\_\*\*enters\*\*\_\*\*- Sorry I'm late.\*\*

\*\*Faolan: Don't worry about that dad.\*\*

\*\*Gingka: Yeah, as long as you come it's fine.\*\*

\*\*Hiccup: Not to mention, you rarely come and eat with the entire family. \*\*

\*\*Seiya: So you finally have time. Huh?\*\*

\*\*Ryo: Sorry. I've been very busy with work and been trying to get a day off or at least a month of vacation, but because of the new tournaments been held out, there's been a lot of work.\*\*

\*\*Hiccup: Well, can't blame you there, but you could have asked us to help you.\*\*

\*\*Fai: He has a point dad; I can help you out today.\*\*

\*\*Dan: I'm free.\*\*

\*\*Jack: Dibs on making plans if there are any.\*\*

\*\*Koga: I'll help.\*\*

\*\*Ryo: I don't know, you don't know much about Beyblade.\*\*

\*\*Hiccup: Come on dad, we're all willing to help; you might as well accept it.\*\*

Stoick: Why is it that you call him dad? (Me: looks like Jealousy took over him again)

Hiccup: Cuz I can.

\*\*Ryo: Alright, but I'm gonna be there to make sure everything goes as it should be. \*\*

\*\*Mokona: Mokona's surprised that Ryo isn't tired. Ryo's been working non-stop and doesn't get a lot of sleep.\*\*

\*\*Fai: Hyuu~! Dad's very awesome!\*\*

**\*\*Kurogane: What's with the Hyuu? Why not just whistle?\*\***

**\*\*Fai: Well I never really learned how to so I figured that Hyuu would do.\*\***

Snotlout: He's so stupid, bet he can't even fight. I mean, he looks like a hiccup, he's so thin.

\_Hiccup, Jack and Faolan give him a death glare while Jack shoots ice at him that's below 0\_

**\*\*Mokona and Fal: -\*\*\_\*\*cheerfully\*\*\_\*\*- HYUU~! 3\*\***

Dagur: Why are you copying him?

Faolan: Cuz I can.

**\*\*Kurogane: Now look at what you've done.\*\***

**\*\*Hiccup: Is Kuro-san jealous that Mokona and Faolan look up to Fai and do things he does?\*\***

**\*\*Kurogane: NO!\*\***

**\*\*Fai: Aww. Don't be mad Kuro-puu. You still have your fan-girls.\*\***

**\*\*Kurogane: DON'T CALL ME THAT!\*\***

\_\*\*Mokona's\*\*\_\*\*eyes open and out comes a plate with chocolate cake. Yuko then comes out in a projector from Mokona's red jewel on its forehead\*\*\_\*\* (A/N: It's from Tsubasa; Fondant Au Chocolate)\*\*

Kids: Cool! :D

Mildew: Who in Thor's name is that?

**\*\*Hiccup: \*\*\_\*\*-head on his left palm and left elbow on the table\*\*\_\*\*- Yuko's|.\*\***

Hiccup: Does that answer your question?

Jack and Fal: -\_try their best to not laugh out loud\_-

**\*\*Yuko: Yes Hiccup? \*\***

**\*\*Hiccup: What is it that you want for White Day? And how long will it be until White Day?\*\***

Drago and Alvin: White Day?

Fishlegs: Hiccup, what's White Day?

Hiccup: On Valentine's Day, a girl gives chocolate to a boy and on March 14 the boy will give a gift back to that girl.

**\*\*Yuko: Can't I give chocolate to a friend?\*\***

**\*\*Hiccup: Yuko, we all know you. If you help someone or give**

something away, you expect payment in return. Since its Valentine's Day, you're giving us chocolate so that on White Day, we would have to give you something, weather we want to or not.\*\*

\*\*Yuko:   |You know me too well, Hiccup.\*\*

\*\*Hiccup: -\*\*\_\*\*un-impressed face\*\*\_- I've visit and talked to you for years. I can sometimes read you like a book.\*\*

\*\*Faolan: Besides, Watanuki has told us plenty about you, and also when we're in your clutches.\*\*

\*\*Watanuki (in the background): I'm telling you. It's got to be a trap! And once you're her clutches.\*\*

\*\*Maru and Moro (In the background): -\*\*\_\*\*sing song voice\*\*\_- In her clutches! In her clutches! 3 3\*\*

\*\*Yuko: -\*\*\_\*\*turns to them-\*\*\_\*\* Will you all \*\*\_\*\*SHUT UP\*\*\_\*\*?!\*\*

Jack: You know, I had a feeling that Yuko made Watanuki make the Chocolate.

Hiccup: I agree with you.

\*\*Hiccup: So it's true.\*\*

\*\*Yuko:   |Maybe  |. \*\*

\*\*Max: So  |. \*\*

\*\*Dan: What are we gonna have to give you for White Day?\*\*

\*\*Yuko: Anything will do, considering that you all come from different worlds, liquor would be nice though. But I do expect to get something from each and every one of you.\*\*

\*\*Watanuki (in the background): I knew it! She's a pushy salesman!\*\*

\*\*Maru and Moro (in the background): -\*\*\_\*\*sing song voice\*\*\_- Pushy Salesman! Pushy Salesman! 33\*\*

\*\*Yuko: -\*\*\_\*\*tick mark while turning to them-\*\*\_\*\* We can \*\*\_\*\*HEAR\*\*\_\*\* you over here! \*\*

\*\*Everyone: -\*\*\_\*\*sweat drop-\*\*\_

\*\*Yuko: Anyway, hope you enjoy the chocolate.\*\*

\*\*Everyone (except Kurogane): Thanks for making the chocolate Watanuki!\*\*

\*\*Watanuki (in the background (you are able to see him)): Your Welcome! \*\*

\*\*Mokona: -\*\*\_\*\*shuts off the communication-\*\*\_

\*\*Everyone (except Kurogane): -\*\*\_\*\*eating the

chocolate\*\*\_\*\*-\*\*

\*\*Koga: This is good.\*\*

\*\*Percy: Very good.\*\*

\*\*Fai: Another new thing for me to make. \*\*

\*\*Hiccup: Watanuki out did himself for sure.\*\*

\*\*Gingka: That's for sure; I bet no one can resist not eating it.\*\*

\*\*Faolan: Wellâ€¦| (\*\*\_\*\*everyone turns to Fal)\*\*\_\*\* grumpy over there isn't eating it.\*\*

\_\*\*Everyone turns to were Kurogane is. He is facing away from them and is grumbling about how Yuko would never be nice to give something away and that he doesn't trust her.\*\*\_

Rapunzel: Kurogane sure does get mad very easily.

Faolan: -\_tries to not laugh but fails-\_

Everyone: -\_gives her a weird look\_-

Faolan: Sorry, but, do you guys remember what happened when Kurogane refused to eat it?

Hiccup: Oh yeah.

Jack: -\_laughing\_- I still can't believe he fell for it!

Sandy: \_-makes a question mark-\_

Jack: Ok, so since Kurogane â€¦\_breaks out laughing\_- I'm sorry! It was just to- \_-laughs again-\_

Hiccup: Just watch.

\*\*Sho: Hey Kurogane, don't you want a bite?\*\*

\*\*Kurogane: â€¦|..-\*\*\_\*\*grumbling-\*\*\_

\*\*Dan: Soâ€¦|..why are you grumbling?\*\*

\*\*Kurogane: There's no way that witch would give something for free so I'm not eating it.\*\*

King of Corona: She's a witch?

Hiccup, Jack, Merida, Rapunzel and Fal: Yes.

Tooth: She's more than just a witch, right?

Jack: Yep.

Bunny: What was she again?

North: I think she was a-â€¦|Diamond-â€¦|.Dime-â€¦|Dimental-â€¦|.

Sandy: \_\_question mark\_\_

Hiccup: She's a Dimensional Witch that-

Faolan: \_\_covers his mouth with her hand\_\_

Stoick: A Dimensional Witch that what?

Faolan: Nothing important.

**Faolan: \_\_whispering to Hiccup\_\_- He's sometimes so child-ish.**

**Hiccup: \_\_nods\_\_**

**Fai gets up and walks over to Kurogane. The screen shows the back of Kurogane and Fai's hand poking his head to get his attention. When he doesn't turn around; Fai gently hits him in the head. Now, when Kurogane turned around to tell him to leave him alone; Fai shoved a piece of chocolate to his mouth, forcing him to eat it. (A/n: he said "Hyyu~!" when force feeding Kurogane)**

**Kurogane: \_\_yelling at Fai\_\_- TRY THAT AGAIN AND I'LL BITE YOUR HAND OFF!**

**Fai and Faolan: Aww:3 Don't be mad Kuro-cutie.**

Hiccup, Jack, Merida, Rapunzel, and Faolan: \_\_laughing\_\_

**Jack: \_\_singing\_\_- He ate Yuko's food!**

**Rai (Cont. for Jack): \_\_singing\_\_- That means he likes it!**

**Kurogane: Would you shut up!?**

**Percy: Ha! Can't believe you fell for it Kurogane.**

**Hiccup: It's even sadder since he's a, so called, ninja. He should have seen that coming.**

**Koga: Yep, that was a simple trick.**

**Mokona: Hyyu~! Mokona's telling Yuko that Kuro-pun did eat the chocolate.**

**Kurogane: Don't call me that! And that Wizard forced me to eat it!**

Stoick: He's a **\_\_Wizard?!\_\_** Why are you with a wizard?!

Hiccup: 1: yes he is a wizard. 2: he's our teacher for magic; yes, I do have magic, you'll see it later on. 3: Why do you care if I'm with a wizard? 4: I too am a wizard and so is Faolan. 5: It doesn't matter what we are, we all get along well. 6: I'm with a wizard cuz he's my brother, deal with it.

**The Vikings were shocked to see this side of him. He would mostly say something sarcastic and he wouldn't talk back to his father the**

way he just did.\_

**Hiccup:** Admit it Kurogane-san, the chocolate tastes great.\*\*

**Kurogane:** -\*\*\_\*\*grumbles-\*\*\_

**Faolan and Fai:** He's so child-ish. ^\_^^\*\*

**Kurogane:** I'm not child-ish! Ã'\_Ã"\*\*\*

**Hiccup:** You are right now.\*\*

**Everyone (except Kurogane):** -\*\*\_\*\*laughing-\*\*\_

\_Again; the Vikings were shocked to see this side of Hiccup and Fal. Gobber had been the only one to see him smile, but that rarely happened. However, it did make Gobber happy to see him smile, even if he wasn't around or that it wasn't someone from Berk that made him smile.\_

\_\*\*Everyone gets up and pick up their plates, cleaning the table, taking out the trash and washing the dishes, all of them working as a team\*\*\_\*\*.\*\*

**Hiccup:** Hey Fal, I'm going on ahead to the store to get something then I'll go to the training room.\*\*

**Faolan:** Ok, I'll just finish cleaning the table and I'll see you there.\*\*

**Hiccup:** Ok.-\*\*\_\*\*leaves-\*\*\_

**Faolan:** Hey dad, we might drop by tomorrow to help you out. Is that ok?\*\*\*

**Ryo:** Sure, just be careful during training.\*\*

**Faolan:** We will. \*\*

**Ok,** so you can look at the video when Fai forced Kurogane to eat the chocolate in one of the Tsubasa episodes that I don't know which one it is. If you want to, you can read the comic book of Tsubasa; volume 5 (I think) Sorry, long time since I read it. Or you can watch it on YouTube, If you put **\_\*\*"The Ultimate~ Hyuu!"\*\*\_\*\*** The part that I wrote about is in that video, you might see it through half way of the video. It may not be funny for you but it was form me, Fai, Mokona and the list goes on.\*\*

**Faolan:** Still can't believe he fell for it.\*\*

**Me:** I can watch that happen all day and not get bored. Right Fai?\*\*\*

**Fai:** Right.\*\*

**Hiccup:** You guys might not mind but someone will. And you might want to hide; Kurogane has SÃ'hi (the name of his other sword, SÃ'hi means \*Blue Ice\*) with him. \*\*

**\*\*Kurogane: I'LL GET YOU FOR WHAT YOU DID WIZARD!\*\***

**\*\*Fai: -\*\*\_\*\*hides behind me- \*\*\_**

**\*\*Kurogane: -\*\*\_\*\*tries to hit me with his sword-\*\*\_**

**\*\*Me: STOP.\*\***

**\*\*Kurogane: -\*\*\_\*\*freezes-\*\*\_**

**\*\*Me: If you value Ginryu so much, that I have in my room, I would advise to not hit me nor Fai with that sword of yours.\*\***

**\*\*Kurogane: â€| -\*\*\_\*\*leaves to slice something else in half-\*\*\_**

**\*\*Me: Well, I am very sorry to make you all wait, but it's kind of hard to try to finish this chapter when \*\*\_\*\*someone\*\*\_\*\* (cough mom cough) keeps bothering meâ€|..along with school.\*\***

**\*\*Hiccup: R&R, Favorite and Fallow please.\*\***

## 11. Chapter 11

**\*\*I'M BACK AND NOT DEAD! ^\_^ Disclaimer please.\*\***

**\*\*Faolan and Hiccup: NightPegasus13 owns nothing but her OC's.\*\***

**\*\* -Outside of the Castle- \*\***

**\_\*\*We see Hiccup walking with a black backpack with red stripes on his back. He seems to be thinking of something as he continues to walk.\*\*\_**

**\_\*\*(\*\*\_\*\*Flashback â€"Hiccup's View-)\*\***

**\_\*\*Hiccup is sitting next Yuko who is drinking.\*\*\_**

**\_\*\*Hiccup: Dimensions? So, basically what you're saying is that there're other worlds I don't know.\*\*\_**

**\_\*\*Yuko: Yes. The reason why I'm telling you this is because you might and will meet people that are the same, yet different from those that you've known and meet at Berk.\*\*\_**

**Alvin: What in Thor's name is she talking about?**

**\_\*\*Hiccup: What do you mean by 'the same, yet different' Yuko-san?\*\*\_**

**\_\*\*Yuko: Let's say that you might see some of the Vikings in the Beyblade world, but they're not the same people you know from your world.\*\*\_**

**Tuff: Oh, I get itâ€|.wait, what did I understand?**

**Everyone: -\_face palm-\_**

\_\*\*Hiccup: I still don't understand Yuko-san.\*\*\_

\_\*\*Yuko: In the world you live in, and let's take the Viking teens as an example, exist. They're young teens in the Viking world, training to become worriers, butâ€| they exist in other worlds too. The teens that you knowâ€| they come from a different world and are living different livesâ€| however, they share the same SOULS.\*\*\_

\_\*\*Hiccup: Does that mean that on different worlds there are other versions of me?\*\*\_

\_\*\*Yuko: Correct. Also, I believe that you already meet a person that looks like someone from your worldâ€| am I right?\*\*\_

\_\*\*Hiccup: Yes, and because I've meet them, you are explaining this to me. Is it a coincidence that you're telling me this on the same day I find a person that's looks like someone I know?\*\*\_

\_\*\*Yuko: No. There is no such thing as coincidence in this world. The only thing that's there is "Hitsuzen".\*\*\_

\_\*\*Hiccup: Inevitable?\*\*\_

\_\*\*Yuko: Yes.\*\*\_

\_\*\*(End of Flashback)\*\*\_

\*\*Hiccup: -\*\*\_\*\*low whisper-\*\*\_\*\* â€|Hitsuzenâ€|\*\*

\_\*\*Hiccup enters the store only to be tackled by a dog, a germen shepherd to be exact.\*\*\_

\*\*Hiccup: Ok, Ok, Ok, I'm happy to see you too Blade. Now please get off me.\*\*

\_\*\*Blade gets off him as Hiccup gets up and goes to the back of the store with Blade right next to him, but he is soon greeted by another Gobber who is sharpening a word.\*\*\_

Vikings: GOBBER!?

Stoick: What are you doing there!?

Gobber: I wasn't ever there! I didn't even know about the place.

Hiccup: That's not the Gobber in front of us, that's just a version of him from that place.

Tooth: Is that what Yuko meant earlier?

Hiccup: Yep.

\*\*Gobber: Hiccup! Nice to see you.\*\*

\*\*Hiccup: Nice to see you too Gobber. How's it been?\*\*

\*\*Gobber: Busy, and Blade missed ya.\*\*

\*\*Hiccup: Yeah, I noticed when I came in.\*\*

**\*\*Gobber:** Well you can't blame him; you did give him a home here with me. So what brings you here?**\*\***

**\*\*Hiccup:** Just came to get some swords, bows 'n' arrows, and so on.  
**\*\***

**\_\*\*Hiccup** grabs the weapons from a stand that are locked up with a sign that says 'N.L. ONLY' and puts them in his backpack.**\*\*\_**

**\_Everyone** is amazed at the weapons.**\_**

Gobber: You made them?

Hiccup: Some of them, like half, the others were made by Faolan.

Fishlegs: How long did it take to make them?

Hiccup: Not much, it all depends on the weapon.

Ruff: Cool, can I have one?

Jack: Didn't you see the 'N.L. ONLY'?

Gothel: What does 'N.L.' mean anyway?

Merida: N.L. represents for Nightlights

Rapunzel: So only Nightlight members can use them.

Faolan: Unless you have permission from them can you use one of our weapons.

Snotlout: Can I have one?

Hiccup: NO, you'll kill yourself with it. It's not just any normal or fancy weapon.

Astrid: What do you mean?

Hiccup: You'll see when we use them.

**\*\*Gobber:** You got training with Kurogane?**\*\***

**\*\*Hiccup:** No, I have him tomorrow; this is just practice with some of us.**\*\***

**\*\*Gobber:** Ohâ€¦ Is Fai going to teach you guys tomorrow with Kurogane and maybe Shina?**\*\***

Hiccup, Merida, Rapunzel and Jack: NO!

**\*\*Hiccup:** 0\_0 **-\*\*\_\*\*drops a mini knife and turns to him-\*\*\_\*\*** NO!  
**\*\***

Dagur: What's wrong with him teaching you in the same day as the other one?

Jack: I'm not saying anything.

Hiccup, Merida and Rapunzel: Agreed.

**Gobber: No need to scream lad.**

**Hiccup: - picks up mini knife- Sorry, but it's a bad idea to have Fai be near him during training, especially when he gets bored which is always and when Faolan and Mokona are also there.**

**Gobber: Why?**

**Hiccup: Let's just use the word Disaster.**

**-Back at the castle-**

**Faolan and Mokona are in the living room. Faolan's head on her palm while Mokona is on her head.**

**Faolan: I'm bored.**

**Fai comes in running with Kurogane close behind with a sword in his hands.**

**Kurogane: NOW YOU'VE DONE IT!**

Hiccup: Wonder what he did this time?

**Mokona: Uh-oh, Kurgy's mad again.**

**Kurogane: Don't call me that!**

**Faolan: What happened this time?**

**Fai: Ah the inventions here are so amazing. Hey Fal-chan, Mokona, don't you think Kuro-woof looks better with his nails done?**

**Both Faolan and Mokona look at Kurogane's nail to see that they've been painted dark red.**

Everyone: -laughing-

Hiccup: So that's what he did?

Faolan: Yep.

**Faolan and Mokona: -burst out laughing-**

**Kurogane: THIS ISN'T FUNNY!**

**Fai: Now, now Kuro-pretty, we know you're shy to have your nails done.**

**Kurogane: SHUT UP!**

**Faolan: It looks pretty, right Kuro-cutie?**

**Mokona: -jumping up and down- Kuro-pretty,**

Kuro-pretty!\*\*

\*\*Fai: Kuro-pretty indeed.\*\*

\*\*Kurogane: THAT'S IT!\*\*\_\*\*-wings his sword at Mokona and Fai-\*\*\_

\*\*Faolan: -\*\*\_\*\*serious\*\*\_\*\*- Now, now, no need to get madâ€¦.\*\*

\_\*\*Kurogane turns to her along with Mokona and Fai who are still smiling.\*\*\_

\*\*Faolan: â€¦| -\*\*\_\*\*serious then cheerfully-\*\*-\*\*\_\*\* Kuro-wan-wan.  
^\_\*\*\*

\_\*\*That makes Kurogane mad and he wings his sword at them, but they keep dodging.\*\*\_

\*\*Fai and Faolan: -\*\*\_\*\*cheerfully\*\*\_\*\*- Missed, missed, missed and missed. ^\_\*\*\*

\*\*Mokona: -\*\*\_\*\*cheerfully\*\*\_\*\*- Kurgy has a terrible aim.\*\*

\*\*Kurogane: HOLD STILL!\*\*

Faolan: But if I hold still, then Kuro-puu is gonna hit me and it'll hurt.

Hiccup: Now you sound like Fai.

Faolan: And you sometimes act like Kurogane. ^\_^

Hiccup: 0\_0â€¦|..-- Shut up.

Faolan: I stand correct. ^\_^

\*\*Fai: -\*\*\_\*\*smiling\*\*\_\*\*- Oh dear, it seems we got Big Dog mad.\*\*

\*\*Faolan: -\*\*\_\*\*smiling\*\*\_\*\*- He's so mad like a mad dog.\*\*

\*\*Kurogane: -\*\*\_\*\*chases after them while they still smile and run-\*\*-\*\*\_

\*\*Faolan: Run for your lives!-\*\*-\*\*\_\*\*leaves a messy room, followed by a smiling Fai and Mokona-\*\*-\*\*\_

\*\*\_Back at the store with Hiccup-\*\*

\*\*Hiccup: I can already see them fighting.\*\*

\*\*Gobber: Since they get bored easily you can't blame them. No wonder Kurogane gets uncomfortable.\*\*

\*\*Hiccup: Speaking of uncomfortable I'd like a new conversation please.\*\*

**Gobber:** Ok, how's it going with the ladies?

**Hiccup:** |Bye Gobber.

**In a rush, Hiccup quickly leaves the store, leaving a chuckling Gobber behind.**

**Snotlout:** I'll tell you how it's going for him; terrible, a girl can't even look at him.

**Hiccup:** Correction, I girl can't stand to look at you, much less even be near you.

**Teens:** OOOHHH!

**Jack:** You got burned.

**Faolan:** Well it's true anyway.

**As Hiccup walk back to the palace he bumps into a little girl. She looked 9 years old, had short blond hair, blue eyes, a red shirt, blue skinny jeans and red shoes.**

**Hiccup:** Hey Alice, what are you doing here?

**Alice:** HI Hiccup, I came looking for you to give you this.**-hands him a box of chocolate-**

**Hiccup:** **-takes the box-** For me?

**Alice:** **-nods-** Happy Valentine's Day Hiccup.

**Hiccup:** Thanks Alice. I also have something for you.**-gives her a box of chocolate-**

**Alice:** Thanks Hiccup.

**Hiccup:** Did you come alone?

**Alice:** No, I came with sis. She's right there.

**Hiccup turns around to see Astrid coming out of the store. Astrid had her hair in a ponytail, had a yellow shirt, blue jeans, and blue sneakers.**

**Hiccup:** Before you scream her name, that's not this Astrid, that's just a version of her from that place.

**The teens were shocked to see how Astrid looked; Astrid herself couldn't believe that was her.**

**Astrid:** Hey Hiccup.

**Hiccup:** Hey Astrid, so what are you two doing today?

**Astrid:** We just went to do some shopping for Valentine's. That reminds me.**-hands him a box of chocolate-** This is for you.

**Hiccup:** Thanks, this is for you, they're **Fondant Au Chocolate.**

I made enough for your entire family.\*\*

\*\*Astrid: Thanks.\*\*

\*\*Hiccup: So did Snotlout try to give you a stuffed teddy bear with chocolate?\*\*

\*\*Astrid: Yes, why can't he understand that I don't like him?\*\*

\*\*Hiccup: Cuz he's stubborn.\*\*

\*\*Ruff: Hey Hiccup, Astrid.\*\*

Hiccup: I'll say it once again, they're not the once that are right here, they're just versions of them.

\*\*Hiccup: Hey Snotlout, Ruff, Tuff and 'Legs.\*\*

\*\*Tuff: Sup Hiccup.\*\*

\*\*Fishlegs: Hey Hic.\*\*

\*\*Snotlout: Hi Hiccup.\*\*

\*\*Tuff: So, how much chocolate did you guys get?\*\*

\*\*Astrid: I didn't really count them, but I can't even enter my own room and nether can Alice.\*\*

\*\*Snotlout and Fishlegs: Me too.\*\*

\*\*Ruff: Nor can we.\*\*

\_\*\*Astrid, Alice, Ruff, Tuff, Snotlout and Fishlegs look at Hiccup.\*\*\_

\*\*Tuff: What about you Hiccup?\*\*

\*\*Hiccup: I don't really know. Let's go to my house, I need to get some things for training.\*\*

\*\*\_At Hiccup's house- (It's in the forest and its 2 stories high)\*\*

\_\*\*When they all arrived and entered, Hiccup's house was filled with chocolate, they couldn't find a single place to sit.\*\*\_

Snotlout: HOW IS IT THAT USELESS GO THAT MANY!?

Hiccup: I have my way with girls.

Snotlout: And mind telling us what it is?

Hiccup: Not telling cuz it's my secret.

\*\*Fishlegs: Once again, Hiccup has more than the rest of us.\*\*

Dagur: Hold on, 'Once again'? So this happened before?

Hiccup: Yep.

**\*\*Ruff: Ha! I win. You know what that means Tuff.\*\***

**\*\*Tuff: Yeah, yeah, I got to pay you and do your chores.\*\***

**\*\*Hiccup: Ha! Got them.\*\***

**\*\*Alice: What did you get?\*\***

**\*\*Hiccup: My sword and shield.\*\***

**\_\*\*Hiccup shows them a sword that's fit for him; it has the Night Fury Symbol on the handle but the sword is inside its case. The shield is completely gray with the Night Fury Symbol. (A/N: The shield form Defenders of Berk)\*\*\_**

**\*\*Tuff: Cool!\*\***

**\*\*Ruff: I know right?\*\***

Ruff: I don't know how, but we seem to get along well with Hiccupâ€|well, our versions do.

**\*\*Hiccup: Want to come with me to my home?\*\***

**\*\*Everyone: Huh?\*\***

**\*\*Astrid: We're in your house.\*\***

**\*\*Hiccup: This is just my house when I have vacations.\*\***

**\*\*Everyone: OHHâ€|. \*\***

**\*\*Fishlegs: What are we going to do in your house Hiccup?\*\***

**\*\*Hiccup: Well, I thought I let you guys have some fun in my place; maybe eat some food that's already been made.\*\***

**\*\*Alice: Can we sis?\*\***

**\*\*Astrid: Sure.\*\***

**\*\*Ruff: Then it's decided.\*\***

**\*\*Tuff: We go to Hiccup's house!-\*\*\_\*\*runs out the door-\*\*\_**

**\*\*Snotlout: Where's he going?\*\***

**\*\*Ruff: He doesn't even know where Hiccup's house is.\*\***

**\*\*Hiccup: Give him a minute.\*\***

â€|

â€|

**Tuff:** -\*\*\_\*\*enters-\*\*\_\*\* Uh, sorry, you lead Hiccup.\*\*

**Everyone:** -\*\*\_\*\*laughing-\*\*\_

**-At the Castle-**

**Everyone (besides Hiccup):** -\*\*\_\*\*shocked-\*\*\_

**Fishlegs:** Hold on, you live here?\*\*

**Hiccup:** Yup.\*\*

**Alice:** As in \*\*\_\*\*live\*\*\_\*\* here?\*\*

**Hiccup:** Yup.\*\*

**Ruff:** As in \*\*\_\*\*staying\*\*\_\*\* here?\*\*

**Hiccup:** Yup.\*\*

**Astrid:** As in \*\*\_\*\*sleep\*\*\_\*\* here?\*\*

**Hiccup:** Yup.\*\*

**Snotlout:** As in \*\*\_\*\*eat\*\*\_\*\* here?\*\*

**Hiccup:** Yup.\*\*

**Tuff:** So this is your \*\*\_\*\*home\*\*\_\*\*?

**Hiccup:** Yup.\*\*

Jaime: Are all your answers going to be 'yup'?

Hiccup: Maybe.

**Everyone:** Soâ€¦you're â€¦.\*\*

**Hiccup:** Yup, I'm a Nightlight, 2\*\*\*\*nd\*\*\*\* youngest of the entire family.\*\*

**Tuff:** Then who's the youngest?\*\*

**Hiccup:** Faolan and also the only girl.\*\*

**Everyone:** WHAT!?

**Ruff:** Faolan too!?

**Astrid:** And you didn't tell us becauseâ€¦?.

**Hiccup:** Well, it was a test for you guys. I wanted to see if you were going to be my friends by who I am, not what I am. Normally, if people found out the truth, then they'll want to be my friends just because I'm a Nightlight. Those who know keep it a secretâ€¦and you guys passed, so can you keep a secret about my true identity?

**Everyone:** -\*\*\_\*\*nods-\*\*\_

Gobber: So they didn't become your friends because you were a Nightlight?

Hiccup: Nope, they never knew until that day.

**\*\*Fishlegs:** But wouldn't they know? I mean, people do come in here so wouldn't they have seen you?**\*\***

**\*\*Hiccup:** The cloths are different and when I'm inside I go by RyÃ»-Ã´.**\*\***

Drago: RYÃ»-Ã´!? SoÃ´|.yourÃ´|..

Hiccup: Yep that was me.

**\*\*Ruff:** What does it mean? **\*\***

**\*\*Hiccup:** It mean's Dragon King. (A/n: I think, can't really remember)**\*\***

Stoick: \_-angry\_- Who gave you that name?

Hiccup: -\_proud-fully-\_ Well, it was decided by both of my dad's, Ryo and Seiya, Shina-san, Sensei Wu, The Guardians, Saori-san/Athena, the Nightlights, The Ninja, and many others.

Faolan: But it was actually thanks to\_ her\_ and the others agreed on it.

Everyone: Her?

**\*\*Fishlegs:** So by changing cloths and having a different name makes you seem like a different person.**\*\***

**\*\*Hiccup:** Exactly, when people are inside, the others usually call me RyÃ»-Ã´ but when I'm outside or when no one is inside the castle, they call me either Hiccup or RyÃ»-Ã´. The same goes for them, when they're outside, they either dress differently, act different or change their names. But we also cast a spell on everyone, so instead of seeing me they just see a boy that has the same voice as me, only some can see through the spell and those are the ones who know our true identity.**\*\***

**\*\*Tuff:** But why RyÃ»-Ã´?**\*\***

**\*\*Hiccup:** Well, you know how no one is allowed to go behind the castle?**\*\***

**\*\*Fishlegs:** Yeah.**\*\***

**\*\*Hiccup:** Well, behind there, we have the forest but there are also, dragons and many other creatures that are rescued and live there.**\*\***

**\*\*Snotlout:** But what's so special about it? I mean there are many all around the kingdom. **\*\***

Pitch: So you're saying that the creatures live with humans?

Hiccup: Yep, get that wax out of your ears and listen.

**Hiccup:** Well, that's because all of them are already trained and they enjoy living with us. The ones in the back of the castle still need to be tamed and trained. They decide if they want to be free in the wild or live among us.

**Tuff:** Are they all dragons?

**Hiccup:** No, the one thing they all have in common is that they're mythical creatures.

Queen of Corona: Mythical Creatures?

Jack: Yeah, like Phoenix.

**Hiccup:** You guys can go see them, all of them now that they can trust those that are my friends. They can tell since you have my scent and the other mythical creatures.

**Astrid:** But how does this explain on how you got your name?

**Hiccup:** Well, I trained all of these dragons and I have an over protective dragon friend. I also seemed to get along with all of them so that's how I got my name.

**Everyone:** Ohhâ€¦

**Hiccup:** Well, you want to go and play with them?

**Alice:** Can we?

**Hiccup:** Sure, just don't cause any destruction unless you're in the sky.

**Snotlout:** Why are you saying that while looking at us?

**Hiccup:** Cuz I meant that to you, Ruff and Tuff. Now go and have fun.

**The teens and Alice** all rush towards the back of the castle happily and excitedly, leaving Hiccup outside by himself. Hiccup then starts to walk towards the training room with a small smile on his face.

**Hiccup:** The other reason why I was given that name was because it was powerful than my real one. And it's all thanks to you Yuko or should I say mom.

Everyone (except those who know):  
â€¦Huh?

**(Flashback)**

**Hiccup, Faolan and Ryo** enter a shop that has the shape of the Moon on it. (A/N: Yuko's shop.) Both Hiccup and Fal are like 5 or 6 years old. When they enter, they're greeted by 2 young girls who lead them to Yuko who is outside in the back and drinking.

**Yuko:** Ryo Hagane, it's nice to see you again. And who are these

lovely young children?\*\*\_

\_\*\*Ryo: Nice to see you too. I'd like you to meet 2 of my children. The girl is my real daughter in blood and the boy is my son in name, he's been taken in by the Nightlights when we found my daughter. Hope you two enjoy your stay while I take care of some things.-leaves- \*\*\_  
\_

\_\*\*Yuko: Hello there. You wish to know my name?\*\*\_

\_\*\*Hiccup and Faolan: No. We want to know your name; not wish.\*\*\_  
\_

\_\*\*Yuko: My clever children you are.\*\*\_  
\_

\_\*\*Hiccup: You're known to grant wishes but a price must be paid.\*\*\_  
\_

Snotlout: Hold it, she grants wishes?

Hiccup: â€|.yes.

Stoick: So that's what you were going to say. (A/N: In the chapter before this one)

Snotlout: In that case, I wish to be rich and famous.

Faolan: Did you not hear about payment?

Snotlout: I have enough money.

Hiccup: Her definition of payment is different.

Drago: They're right.

\_\*\*Faolan: You said 'You WISH to know my name'; if you'd answer we're going to have to pay you.\*\*\_  
\_

\_\*\*Yuko: You're very clever indeed. My name's Yuko, Yuko Ichihara and these children are Maru and Moro. Can you tell me all of your known names?\*\*\_  
\_

\_\*\*Hiccup: My real name is Harry Hiccup Haddock lll, I usually go by Hiccup. I'm known as Hiccup Starlight Nightlight when away from my village. \*\*\_  
\_

\_\*\*Faolan: I was known as Faolan Haddock, but my real name is Faolan Hagane. I'm known as Faolan Starnight Nightlight when not in the village.\*\*\_  
\_

\_\*\*Yuko: Both of your names are strong, but not strong enough for the power that you possess. Faolan, your real full name is Faolan Hoshimi Hagane; but you like to go by Fal for short.\*\*\_  
\_

\_\*\*Faolan: Yes.\*\*\_  
\_

Drago: YOU TOO!?

>Faolan: Yep, I was there too.<p>

Sandy: -\_question mark\_-

Faolan and Hiccup: Our answer will be the same as last time; you'll see later on

\_\*\*Yuko: Hiccup, your name makes your powers be sealed and that makes you become weak.\*\*\_

\_\*\*Hiccup: Weak?\*\*\_

\_\*\*Yuko: Yes, Words have life and Names have power. The name you have makes you weak and doesn't allow you to summon your powers. Depending on how the Vikings call at you will depend if you can summon your powers or not. \*\*\_

\_\*\*Hiccup: What do you mean?\*\*\_

\_\*\*Yuko: If the Vikings call out your name with negative, it won't allow you go use your real strength, both physically and mentally. Yet, you were able to use some of your true strength even if they called you with anything negative. Faolan is different though, if they call her with anything positive then she's able to use her strength, but if they call her negatively, then she can't use her strength at all. However that can change over time and she can summon her true strength whenever she wants. \*\*\_

\_\*\*Hiccup: That's good.\*\*\_

\_\*\*Faolan: But what about Hiccup?\*\*\_

\_\*\*Yuko: If he keeps his name then it won't change him at all. He needs a name that is fit for him. I'm happy to know that he managed to move on even in the condition he's in, you are a strong one and I'm glad that you were able to move on Hiccup.\*\*\_

\_\*\*Hiccup: Then, can you name me?\*\*\_

Vikings: WHAT!?

\_\*\*Yuko: -Shocked and surprised- Eh!？\*\*\_

\_\*\*Hiccup: I want you to name me, you care about us by telling us what you know and by saying that your happy that I made it this far. You act like a mother that neither of us were able to have.\*\*\_

\_\*\*Faolan: And we both see you as our mother.\*\*\_

Vikings: -\_shocked-\_

\_\*\*Yuko: -shocked but then smiles warmly- I have a perfect name for you Hiccup.\*\*\_

\_\*\*Hiccup: What's my new name?\*\*\_

\_\*\*Yuko: Well, there are many names for you but I prefer RyÃ»-Ã´, meaning Dragon King. It fits you perfectly, considering that you've attracted a baby and grown dragons to you.\*\*\_

\_\*\*We see many dragons lay down near Hiccup and a baby dragon rests on his lap.\*\*\_

Dagur: Is she the one you meant by 'it was actually thanks to her'?

Hiccup and Faolan: Yep.

\_\*\*Faolan: Your right mom, it does fit him perfectly.\*\*\_

\_\*\*Yuko: So does yours, you'll grow more power-full by spending time with your family, the Nightlights. There are also many names for you, just like me and Hiccup, my dear Fae. \*\*\_

\_\*\*Faolan: Fae, I like my new known name.\*\*\_

\_\*\*Hiccup: What does that name mean?\*\*\_

\_\*\*A Phoenix lands next to Faolan and a baby Griffin sleeps in her lap. \*\*\_

\_\*\*Yuko: A fairy orâ€|magical creature. You my dear Fal, attract Mythical Creatures, just like your brother.\*\*\_

\_\*\*Yuko uses her hand to move Faolan's head on her lap and Hiccup's on her right shoulder. They're not sleepy, but Yuko puts her hands over their eyes; once she removes them, they are sound asleep leaving Yuko smiling down at them.\*\*\_

\_\*\*Yuko: You'll both attract other animals, spirits, people and many others because of your kindness.\*\*\_

\*\*(End of Flashback)-Inside training room-\*\*

\*\*Hiccup: \*\*\_\*\*-to himself-\*\*\_\*\* Fal is a perfect nickname for Faolan; Yuko must have heard it from Fai.\*\*

\*\*Faolan: Hi Hic.\*\*

\*\*Hiccup: Is that a new nickname for me?\*\*

\*\*Faolan: Yep.\*\*

\*\*Hiccup: Thanks Fal.\*\*

\*\*Faolan: Ah, you're using that nickname Fai made form me and the one Yuko know uses on me.\*\*

Rapunzel: So Fai was the one who gave you that name

Faolan: Yep, but I gave Hiccup his own nickname.

\*\*Hiccup: What? It fits you perfectly. From now on, I'm calling you Fal. Now let's get everything ready.\*\*

\*\*Faolan: -\*\*\_\*\*nods-\*\*\_

â€|.

\*\*Me: Ok, from now on, I'll be calling Faolan, Fal.\*\*

\*\*Faolan: Why?\*\*

**\*\*Me:** Cuz it easier to say your name. Plus, turns out it's a boy's name so I'm using Fal. Even if it's still a boy's name, it sounds a bit like a girl if you ask me.\*\*

**\*\*Fal:** Fine my new name is Fal, but why didn't you change it sooner?\*\*

**\*\*Me:** Well, since you're not exactly a girly-girl and seemed more like a tom-boy, the name seemed to fit you well.\*\*

**\*\*Fal and Hiccup:** Ohâ€|\*\*

**\*\*Me:** Anyway, I'll be writing RyÃ»-Ã´ like this: Ryu-o because it's faster. I'm very sorry for the late, very late update. Also, that house that was in the forest is where Hiccup lives before he heads back to Berk. It's close to the tunnel that leads him to Berk and back to Elemental. R&R, Favorite and Fallow please.\*\*

## 12. Chapter 12

**\*\*Me:** Ok, so this is the next chapter and I am very, supper sorry for the very late update. I've been busy lately and when I do have the time, I get called to help my mom with chores and other things. So again, I am very sorry\*\*

**\*\*Hiccup:** I'm sure they forgive you\*\*

**\*\*Me:** Since I didn't update since last year, I doubt itâ€|. I AM SO SORRY I MADE YOU ALL WAIT THIS LONG! I'M SO VERY SORRY!\*\*

**\*\*Hiccup:** â€|That aside, NightPegasus13 owns nothing but her OC's and her creative imagination; meaning the Nightlights and other things\*\*

**\*\*Me:** Hey, you know they're awesome\*\*

**\*\*Hiccup:** Sure they are\*\*

**\*\*Me:** Also, I'll be answering some questions that have been given to meâ€|and that I have been meaning to answer but couldn't because of school so I'll be answering them at the end of the story. Enjoy.\*\*

**\*\*Li:** youâ€|.give upâ€|..yetâ€|.??\*\*

**\*\*Hiccup:** Notâ€|..aâ€|..chanceâ€|..\*\*

**\*\*Li and Hiccup** had been training with each other since they started, which was hours ago. Everyone else were on the benches as they look at them battle. Li and Hiccup lifted their swords to charge at each other again, but they dropped them and fell to the ground from tiredness. \*\*

**Snotlout:** WEAK!

**Fal:** -throws a book that she randomly got out and hits him in the face-

Snotlout: Ow!

Hiccup: Shut it Snotlout! We've kept fighting for over 5 hours! So obviously we would fall like that!

**\*\*Syaoran: They over did it again\*\***

**\*\*Jack: When don't they?\*\***

**\*\*Hiccup: Iâ€|.demandâ€|..aâ€|.re-â€|.matchâ€|.!\*\***

**\*\*Li: Iâ€|..agreeâ€|..\*\***

**\*\*Fal: Rematch your life, you guys are done for today. \*\***

**\*\*Li and Hiccup: But-\*\***

**\*\*Fal: No but's, you guys are done and that's that. Don't even think about arguing with me\*\***

Fal: -at Hiccup- One of these days; you're gonna regret not listening to me

Rapunzel: It's not his fault he's a guy

Hiccup: Hey! What's that supposed to mean!?

Merida: It means that men would never learn anything

Jack: That's an insult to all men!

Hiccup: Yeah!

Fal: -glare-

Hiccup and Jack: -they shut up and sit down-

**\*\*Li and Hiccup: â€|..Fine\*\***

**\*\*Hiccup: But I still would have won\*\***

**\*\*Li: No you wouldn't\*\***

**\*\*Hiccup: Yes I would\*\***

**\*\*LI: No you wouldn't!\*\***

**\*\*Hiccup: Yes I would!\*\***

**\*\*Li: Could not!\*\***

**\*\*Hiccup: Could too!\*\***

**\*\*Li: Could not!\*\***

**\*\*Hiccup: Could too!\*\***

Gobber: Since when are you so child-ish?

Hiccup: It happens more when I'm with Li or Syaoran, usually

Li

Jamie: Why?

Hiccup: Because both of them are my friend rivals, you know, frenemies, but in a good way.

**\*\*Both Hiccup and Li butt head each other as they glare, sparks flying, and growl to one another. You can even see green auroras surrounding them; Hiccup's being a darker green than Li.\*\***

**\*\*Koga: Great, another Natsu and Grey\*\***

**\*\*Gingka: -sarcastically-â€|Joy oh joyâ€|..\*\***

**\*\*Natsu: Hey! You make it sound like it's a bad thing!\*\***

**\_\*\*Screen is paused and the back ground turns grey, except for Natsu.\*\*\_**

**\*\*Hiccup's V.O: This is Natsu Dragneel also called 'Salamander'. He's part of a guild called Fairy Tail, his' power is Fire Dragon Slaying, and he's one of the strongest wizards in Fairy Tail. Natsu has been looking for his dad, Igneel who is actually a fire dragon that taught him Dragon Slaying and the one who adopted him\*\***

**\_\*\*Image of Igneel and little Natsu next to him\*\*\_**

Vikings: WHAT!?

Dagger: You're saying that a dragon took care of that kid like he was its own child?!

Hiccup: yeah, but he's not the only one. There are more people I know that have been raised by a dragon; some of them are in the same guild as Natsu

**\*\*Gray: That's because it is you idiot\*\***

**\_\*\*Screen is paused and the back ground changes to grey except for Grayâ€|.. \*\*\_\*\*(A/N: â€|.I'm gonna be honest, I got myself confused a bit when I wrote this part so it's ok if you were confused)\*\***

**\*\*Hiccup's V.O: This is Gray Fullbuster, he's also part of Fairy Tail and also a strong wizard like Natsu, but, Gray isn't a dragon slayer, he uses Ice instead of fire. He has a habit of taking his clothes off, except for his boxers, without knowing, not to mention, he is Natsu's rival and they often get into fights, they also start guild fights were everyone in the guild, Fairy Tail, fight each other but in a friendly way.\*\***

**\*\*Natsu: What you say Ice freak!？\*\***

**\*\*Gray: You hear me fire breath!\*\***

**\*\*By that, both Natsu and Gray were in the same position as Hiccup and Li: forehead to forehead, glaring and growling at each other with their own auroras surrounding them. Because of the name calling and others thinking it was them,(like Natsu calling Gray 'Popsicle' and**

Jack thinking it was him because he too uses ice) all the guys started glaring and growling at one another with auroras on each of them. It wasn't long before they all started fighting and hurled objects at each other, not much to Fal's surprise; being used to see them fight with each other.\*\*

Tuff: Dude, this is awesome!

Astrid: Aren't you gonna stop them

Fal: Nah

Fishlegs: How come?

Fal: It's normal for them to fight like this

North: It's their own way of getting along

Tooth: Yeah, and like Hiccup said; it's actually Natsu and Grey that started it

Hiccup: Obviously, since they always start them in the guild

Jack: Yeah, but this time, it was you and Li who started it

Hiccup: Yeah but, Natsu and Grey were the ones that got everyone else to join, Li and I where only doing it to each other

\*\*Fal turned to her right to find a red-head entering the training room; Erza. Fal knew her for a long time now and knew that it was never a good idea to get her mad. Since the boys were busy fighting, they didn't see Erza enterâ€¦..which was bad news for them.\*\*

\*\*Fal: Hey Erza\*\*

\*\*Erza: Hey Fal. \*\*\*\*What are they doing?\*\*

\_\*\*Screen pausesâ€¦..again\*\*\_

\*\*Hiccup V.O: This is Erza Scarlet, she's also part of Fairy Tail, she's called the Queen of Fairies and Titania, she is the strongest female in the guild, it's never a good idea to get her pissed off or destroy her strawberry cakeâ€¦ EVER! Everyone in the guild found that out the hard wayâ€¦..even the Nightlights. Also, none of them are members of the Nightlights but they are treated as if they were.\*\*

Hiccup, Fal, Jack, Merida, Rapunzel and the Guardians all paled at 'found out the hard way'â€¦ they will never forget that, even if they were just watching it happen.

Ruff: Oh, what did she do?

Dagur: A girl like her can't be that scary

Alvin: Can she?

Jack: You have no ideaâ€¦.

Astrid: Man, she must be really scary

Tuff: What is she do? Does she point a sword at you or something?

Rapunzel: You don't want to know that

Ruff: Is she really strong?

Merida: Yeah, she's very strong. Strong enough to defeat every Viking without breaking a sweat

Vikings: \_\_-Shocked-\_\_

Snotlout: You can't be serious!

Merida: I'm serious \_â€"looks at Hiccup, Jack and Fal\_- right guys?

Hiccup: Y-yeahâ€|.

Fal and Jack: D-ditto

Pitch: So what did she do to make you scared of her?

Jack and Hiccup: You don't want to know

**Fal: They just started fightingâ€|..again. So, do you-**

**Fal stopped mid-sentence when a snowball from Jack hit her in the face and Erza.**

**Fal: 0\_0â€|. anyway, as I was saying; do you- -\*\*\_\*\*hit by a mud ball from Rai-\*\*-\*\*\_\*\* â€|..do you- -\*\*\_\*\*hit by water from Percy-\*\*-\*\*\_\*\* Ok that's it! Stop fighting already will ya!?**

**But of course, they boys didn't hear her at all, causing a huge aurora of darkness made from annoyance to surround Fal and Erza, now THAT the boys felt. They all stopped and tensed when they sensed a dark aurora in the room. They were all sweating as if there was no tomorrow and were as pale as a paper. Slowly, oh so very slowly with a horrified look, they all turned their heads to a pissed off Fal and Erza.**

**Syaoran: O-ohâ€|h-hey Erzaâ€|.**

**Kai: W-we d-didn't see you c-come inâ€|.**

**Sho: Y-yeahâ€|..**

Jack: You see!? She's very scary!

Ruff: She's only glaring at you, and so is Fal

Tuff: Yeah, I don't see why you're so scared of her

Hiccup: You'll see why soon

**Erza: I noticed, are Natsu and Gray here?**

**The guys moved out of the way, still in their fighting poses, to**

reveal a scared Natsu and Gray, both of them having their arms over the other's shoulders.\*\*

\*\*Gray: H-hey Erza, Natsu and I were just hanging out like the best of pals, right Natsu?\*\*

\*\*Natsu: A-aye!\*\*

\*\*Fal: -murmuring- Great, here come's Happy number 2\*\*

Viking #23: Who's Happy?

Hiccup: Happy isâ€|.wellâ€|..you'll know when you see him

\*\*Erza: Good, I knew you two would get along, eventually. Where's Li and Hiccup?\*\*

\*\*Li and Hiccup: H-hereâ€|\*\*

\*\*Erza turned to look at Hiccup and Li, much to Natsu's and Gray's relief as they let go of their breath they were holding, now that Erza's attention wasn't on them anymore.\*\*

\*\*Erza: You two haven't been causing any problems like Natsu and Grayâ€|.-death glare- Are you?\*\*

\*\*Hiccup: N-No! We've been on our best behavior! Right Li, old buddy, old pal?\*\*

\*\*Li: A-aye!\*\*

\*\*Fal: -sights- And there goes Happy number 3\*\*

\*\*Erza: Good, ah, before I forget, Fal, Yuko was looking for you and Hiccup \*\*

\*\*When Erza turns her back on all the boys, they all glare at each other again with their auras surrounding them. Natsu, Gray, Li and Hiccup's aura's being bigger than the rest.\*\*

\*\*Fal: About what?\*\*

\*\*Erza: I'm not really sure; she didn't exactly tell me why she wanted to see you and Hiccup \*\*

\*\*Erza turns around to look at the boys but they all stopped glaring and started hugging each other like the best of friends before she looked behind her shoulder. When she turned her back on them and looked at Fal, the guys returned to glaring and auras surrounding them, only to quickly fade when Erza turned to look at them again. Once again when Erza turned her back on them, they started glaring and quietly growling at each other.\*\*

All kids: -giggle-

\*\*Fal: Hmm, Yuko being Yuko, she probably wants us to get her more Sake (A/N: a type of liquor)\*\*

\*\*Erza: Yeah but that's what she makes Watanuki do.\*\*

**\*\*Erza looks at the boys; only to find them hugging and smiling at each other, she turned her back on them, missing the glares that they were now sending at each other again.\*\***

**\*\*Fal: Well, yeah, but then again, Yuko is very unpredictable  
\*\***

**\*\*Erza: True\*\***

**\*\*Out of nowhere, a table comes to Fal and Erza's way, but since Erza was in front of Fal and closer to the boys; the table hit her head and snapped in half. \*\***

**Everyone (Except for the ones who know her): -shocked that she didn't faint of the blow and that the table broke in half-**

**\*\*The room was completely silenced; it was so quiet that you can hear a pin fall to the ground. Fal had her mouth opened in shock, her face covered in a shadow. In the back, the boys were frozen as a statue in fighting positions, all of them sweating and they're faces completely pale. Erza turned her head to the boys with a very, very,  
\*\*\_\*\*extremely\*\*\_\*\* deathly glare that the boy's bodies were completely pale, even their clothes had no color except for white.\*\***

**\*\*Erza: Who. Threw. That?\*\***

**\*\*All of the boys instantly pointed to Natsu and Gray, who grew paler as they were caught red handed. Erza was instantly in front of them, making Natsu and Gray shiver violently from fear while the others quickly went behind Fal for protection, since she gets along with Erza. Not to mention, Erza doesn't want Fal to be afraid of her, she sees Fal like a younger sister. \*\***

**Dagur: Oh, what is she going to do? Kill them?**

**Ruff: No! Don't tell us!**

**>Snotlout: Yeah! We wanna see it!<p>**

**\*\*Erza grabs Natsu's and Gray's hair and make them butthead each other, hard. Not to mention, they were butt headed when Erza sent them flying forward, their feet in the air; and she did it by pulling them with their hair! The others winced at the force, they swear they heard a loud 'crack' when Natsu and Gray were forced to butthead each other by Erza. Right now, both of them were on the floor unconscious with swirly eyes, red bumps started to form of their foreheads and you could see their soul leave their bodies with wings and happy faces, only for it to quickly come back to them. \*\***

**Fishlegs: Where they ok?**

**Hiccup: Yeah, it's not the first time it's happen to them**

**Fal: Besides, they had worse than that hit**

**\*\*When Natsu and Gray snapped out of it, they rubbed their foreheads and looked at Erza\*\***

**\*\*Gray: Why do you keep hitting us like that?\*\***

**\*\*Erza: Because you need to behave that's why\*\***

**\*\*Hiccup: That will never happen\*\***

**\*\*Gray and Natsu: HEY!\*\***

**\*\*Hiccup: You both know its true so don't argue\*\***

**\*\*Suddenly, Kurogane comes charging in, scaring everyone inside the training room because of the doors slamming open and hitting the wall, hardâ€|.poor wall.\*\***

**\*\*Kurogane: HICCUP!\*\***

**\*\*Hiccup: What?\*\***

**\*\*Kurogane holds up his black cape that's been torn to shreds and is covered in slime. Toothless is next to Kurogane holding a piece of the cloth in his mouth while looking at Hiccup with a smile on his face, looking innocent.\*\***

Mildew: You see that!? Dragons are nothing but trouble

Hiccup and Fal: Shut up Mildew!

**\*\*Kurogane: HE WAS CHOOING ON MY CAPE!\*\***

Tooth: He's still eating it

**\*\*Fal: You do know that he's still has it on his mouth right?\*\***

**\*\*Kurogane: SHUT UP!\*\***

**\*\*Hiccup: Did you leave it hanging around?\*\***

**\*\*Kurogane: What if I did?\*\***

**\*\*Hiccup: If you leave it hanging around like that, he's going to mess with it. So it's really your fault for leaving it there\*\***

**\*\*Kurogane: IT'S NOT MY FAULT! IT'S THE DRAGONS!\*\***

**\*\*Natsu: Yeah right. Hiccup warned you when he brought him here. Putting the blame on the dragon, be ashamed of yourself man.\*\***

Fishlegs: Is he saying that because it's true or because his father was a dragon and he defends any dragon?

Hiccup: It's both

**\*\*Kurogane: Shut it Natsu!\*\***

**\*\*Erza: You know that Natsu's right; Hiccup did warn you. Men, you are so irresponsible, putting blame on someone else when it was obviously your fault.\*\***

**\*\*Kurogane: -anime tick mark-What did you say kid!?\*\***

**\*\*Erza: -anime tick mark- You heard me! And I'm not a kid!\*\***

**\*\*Kurogane: You are one if I say you are!\*\***

**\*\*Erza and Kurogane now butthead each other with enormous red auroras, Kurogane's being a bit redder with tiny hints of black in his aurora.\*\***

**\*\*Gray: Oh sure, we can't make a havoc\*\***

**\*\*Natsu: But she can whenever she wants\*\***

**\*\*Jack: That's just not fair\*\***

**\*\*Hiccup: I agree\*\***

**\*\*Erza and Kurogane keep glaring at each other, they even started name calling. The others felt like it was child-ish since they're mostly rarely child-ish like they are right now, especially Kurogane. They couldn't help but sweat drop at the scene as the two keep up the glare.\*\***

Hiccup: You know, it used to be Mira and Erza that would fight, much like Natsu and Gray when they were younger, only, Erza and Mira don't fight anymore

Fal: Oh yeahâ€¦|..

Snotlout: Who's Mira?

Hiccup: She's a member of Fairy Tail; she's very nice to be honest

**\*\*Fal: Should we do something?\*\***

**\*\*Hiccup: Unless we want to get in-between their fight and get harmed by both of them, I suggest we leave them alone and not interrupt at all.\*\***

**\*\*..\*\***

**\*\*..\*\***

â€¦|

**\*\*Rai: Let's leave them alone\*\***

**\*\*Koga: Good idea\*\***

**\*\*Li: Yeah\*\***

**\*\*Percy: Ditto\*\***

**\*\*Dan: Couldn't agree with you any more\*\***

**\*\*Gingka: Right\*\***

**\*\*While everyone keeps on agreeing with Hiccup, Jack asks of what to**

do next since they all knew that it would be hours before they finished fighting. While they discussed on what to do, Toothless sneakily goes up to Jack and grabs his stick with his mouth, then quickly yanks it out of his hands and runs out the door.\*\*

\*\*Jack: Wha-!?! Toothless! Give that back!\*\*

\*\*Since some of the guys that were behind Jack, tried to stop Toothless but he was able to dodge them all very easily.  
\*\*

\*\*Syaoran: After him!\*\*

\*\*Everyone, except for Kurogane and Erza who are still fighting, ran after Toothless who had now left the room. While the boys chased him, Fal stopped at the door.\*\*

Pitch: Lazy?

Fal: No!

Pitch: Then why didn't you run with the others?

Fal: You'll see, now shut up!

\*\*The screen changes view, so you can see Fal in the door way of the training room. Just then, Toothless is shown running past the door, closely followed by the guys. Fal leans on the door when Toothless returns, running to the other side of the hallway, again, followed by the guys. It keeps going, Toothless goes left and is followed by the guys, then he goes right, then left. Right, left, right, left, right, left, right, left, right-â€¦..well, you get the idea. Toothless passes Fal again, followed by the boys who stop and try to catch their breath, then break into a run and follow Toothless again.\*\*

\*\*Time skip; 1 hour later, brought to you by potatoes-\*\*

\*\*All the guys were on the floor panting, and trying to get up again. Toothless is running in circles around them, not even tired from their 'little chase'. He stops in front of Jack, who weakly raises his hand to grab his staff back, only to have Toothless run again, making Jack drop his hand with a '\*\*\*\_\*\*thud'\*\*\*\_\*\*.

Stoick: How is it that it's not tired?

Hiccup: I don't knowâ€¦..And Toothless isn't an 'it'!

\*\*Rai: Can'tâ€¦..\*pant\* runâ€¦|ANYMOREâ€¦|!...\*pant\*\*\*

\*\*Sho turns to the doors of the training room to see Fal standing there, making him believe she didn't help the guys chase Toothless\*\*

\*\*Sho: Heyâ€¦|.. \*pant\*â€¦|Whatâ€¦|..gives!?!...How comeâ€¦|..\*pant\* you didn'tâ€¦|..\*pant\* help usâ€¦|.catchâ€¦|..TOOTHLESSâ€¦|...!?!...\*pant\*\*\*

\*\*Fal: Because I knew we wouldn't be able to catch him, he was playing with you guys\*\*

**\*\*Everyone: What!?!\*\***

Hiccup: Now you tell us!

Fal: You're exaggerating

**\*\*Fal: Also, now that I have your attentionâ€¦..You're all a bunch of I-DI-OTS!\*\***

**\*\*Koga: â€¦..Huhâ€¦..?..\*\***

**\*\*Gingka: â€¦..Whyâ€¦..? \*pant\*\*\***

**\*\*Fal: -face palm- You seriously don't know why?\*\*\***

Hiccup: He just asked why. Does that answer your question?

**\*\*Everyone: No\*\***

**\*\*Fal: -sigh- Why didn't you guys use your powers to catch Toothless?\*\*\***

Queen of Corona: You can do that?

Hiccup: Yup

Fal: But apparently; they forgot

Hiccup and Jack: Shut up Fal!

**\*\*It took a minute for the information to sink in, and when it did; they all started groaning in disbelieve. How they forgot they had powers that they could use to catch Toothless was beyond Fal. They all spent an hour chasing Toothless when it could have taken a few minutes by using their powers. Some of the guys slammed their heads to the floor while others looked at her in disbelieve.\*\*\***

**\*\*Natsu: Are you kidding me!?!\*\***

**\*\*Sho: Oh, come on!\*\***

**\*\*Max: Seriously?!\*\***

**\*\*Percy: Why didn't you tell us!?!\*\***

**\*\*Fal: I was going to tell you, if you had let me tell you, but you were all busy chasing him.\*\*\***

Astrid: Gee, what a great excuse

**\*\*While Toothless was sitting and looking at them complain, Hiccup shot his hand up, making vines come out of the ground and surround Toothless, binding him to the ground so he wouldn't escape. Jack got up and took his staff, and then Hiccup released him, allowing him to go and find something else to entertain him, since his game of 'catch' was over.\*\*\***

Snotlout: -laughing- Your powers are plants!?

Hiccup: No, that's just a part of it

**\*\*Jack: It would have been nice to know that information, 1 hour ago!\*\***

**\*\*Fal: Hey, you got your staff back, stop complaining or the next time something like this happens, I won't say anything or help you at all\*\***

**\*\*Jack: â€|.fine\*\***

Jack: I still say you should have told us sooner

Fal: Quit your whining

**\*\*Time skip to Hiccup and Fal walking in the hallway-\*\***

**\*\*Hiccup and Fal are walking side by side in the hallway; Hiccup having his hands in his pockets while Fal has hers on her vest.\*\***

**\*\*Hiccup: Hey, did you hear? He's back\*\***

Everyone: Huh? Who's back?

**\*\*Fal: What? Really?\*\***

**\*\*Hiccup: Yup, I heard he'll be back today\*\***

**\*\*Fal: We should go find him; I really miss him, even though you're here\*\***

Astrid: What's that supposed to mean?

**\*\*Hiccup: â€|.I feel unloved for some reason\*\***

**\*\*Fal: Hahaha, I didn't mean it like that\*\***

**\*\*As Hiccup and Fal keep on walking, they eventually entered the living roomâ€|which was huge; since the family was big and they lived in a castle. That's when Hiccup saw someone talking to his older brother Max and it made him look sad.\*\***

**\*\*Stoick: Ah, Ryu-o, Fal, it's nice to see you again\*\***

Vikings: STOICK!?

Hiccup: Again, that is Stoick's version from there; it's not this Stoick that's with us.

**\*\*Fal: You too\*\***

**\*\*Hiccup: Like wise\*\***

**\*\*That's when they spot a boy with amber hair come into the living room. It was Hiccup! But, this Hiccup had blue eyes instead of green. He wore blue jeans, a green shirt with a dark brown vest, red and black shoes, a wristband that had a dragon design on it and a necklace with a dragon scale in the shape of a dragon wing. (A/N: I'm**

gonna call Elemental Stoick; E-Stoick (E for Elemental), blue eyed Hiccup; E-Hiccup and Berk Hiccup will be simply Hiccupâ€¦.ok?  
Ok)\*\*

Vikings: Another Hiccup!?

\*\*E-Hiccup: Hey guys\*\*

\*\*Hiccup: Hey Hi-\*\*

\*\*Fal: Hiccup!\*\*

\*\*Fal lunges herself at the blue eyed Hiccup and almost send him falling to the floor. The green eyed Hiccup just shakes his head at Fal's child-ish behavior, but he couldn't help but smile at the scene. \*\*

\*\*Hiccup: Hey Fal, you might want to let go of him, it looks like he'll faint any moment now\*\*

\*\*Fal looks at him with a pouting face but none the less, releases the other Hiccup; allowing him to breathe again, much to his relief.\*\*

\*\*E-Hiccup: Thanks Hiccup\*\*

\*\*Hiccup: No problem, you know she just misses you\*\*

\*\*E-Hiccup: I know, but man, for a thin girl; that woman's got a grip. \*\*

Jack: And you do

Fal: You make it sound like it's a bad thing

Snotlout: Because ti probably is

Hiccup: Shut up Snotlout, no one's talking to you

\*\*Max: Tell me about it.\*\*

\*\*Hiccup: Ditto\*\*

\*\*Fal: You know you love me\*\*

\*\*Hiccup: -playfully rolls his eyes at her- So how's it been?\*\*

\*\*E-Hiccup: It's been good; Dad finally accepted me becoming a trainer\*\*

\*\*Fal: Sweet\*\*

\*\*Hiccup: Yeah, so which species are you starting with?\*\*

\*\*E-Hiccup: You guys should know the answer\*\*

\*\*All three: Dragons\*\*

Dagur: So he's going to train dragons like you?

Hiccup: Yup

**\*\*E-Stoick: I still say it's a bad idea\*\***

**\*\*Max: Oh come on Stoick, the kid is growing up and living his life. You know you can't control him\*\***

**\*\*E-Stoick: I know, I know, but I'm still not happy with this idea, what if something goes wrong?\*\***

**\*\*E-Hiccup: Gee dad; I can feel the trustâ€|NOT\*\***

**\*\*E-Stoick: I'm just worried you'll get hurt\*\***

**\*\*E-Hiccup: Dad, there will always be a day in life that I will get hurt\*\***

**\*\*Max: Haha, you know that you're just making it worse with that line right?\*\***

**\*\*E-Stoick: He really did, now I'm even more worried\*\***

**\*\*E-Hiccup: Shut up Max, you're not helping\*\***

**\*\*Max: But you're the one who's making it worse for yourself\*\***

**\*\*E-Hiccup: No I'm not\*\***

**\*\*E-Stoick: You actually are\*\***

**\*\*E-Hiccup: You're just saying that so I can't train dragons\*\***

**\*\*E-Stoick: Because you can get hurt\*\***

**\*\*E-Hiccup: Dad, I'm not a kid anymore\*\***

**\*\*E-Stoick: You still are to me\*\***

**\*\*E-Hiccup: Dad!\*\***

**\*\*Hiccup watches how the Stoick and Hiccup in front of him are getting along, how This Stoick doesn't want his Hiccup to get hurt, something his father didn't do to him; he didn't care for him like this Stoick did. His father didn't show this kind of worry for him like this Stoick.\*\***

When Stoick looked at his, he instantly felt guilty. He and Hiccup never had that type of bond before; they couldn't even talk without starting an argument.

**\*\*Fal looked at Hiccup and immediately understood what was going through his mind. He wished his father was like that, he wants his father to care for him, something that he hasn't done since his mother died. Fal puts her hand on his shoulder, causing him to look at her. She gives him a small smile, saying that everything is going to be ok; this makes him smile back at her. \*\***

\*\*E-Stoick: Ah, I've got to get going. Know, Hiccup-\*\*

\*\*E-Hiccup: I'll be careful I promise\*\*

\*\*E-Stoick: -Looks at Hiccup- Ryu-ho, take care of him for me please?\*\*

\*\*Hiccup: -smiles- Will do\*\*

\*\*E-Hiccup looks at his father as he leaves in disbelief and calls out to him. Fal just looks at them with an amused face.\*\*

\*\*E-Hiccup: Oh come on dad. I'm older than him! \*\*

\*\*Hiccup: Only by a few hours\*\*

\*\*E-Hiccup: So? That still means I'm older\*\*

\*\*Fal: Hahaha, you guys look like you're siblings\*\*

\*\*Both Hiccups: Are we not?\*\*

\*\*They hear chuckling coming from the door and when they turn around they find a woman with brown hair and blue eyes like E-Hiccup's.\*\*

Vikings: VALKA!?

Stoick was sure he was going to cry at the sight of his dead wife, but he held in the tears.

\*\*Fal: Hey Valka! \*\*

\*\*Valka: Hello you three.\*\*

\*\*E-Hiccup: â€|..Hey momâ€|..\*\*

\*\*Valka: Are you sulking?\*\*

\*\*E-Hiccup: NO!\*\*

\*\*Fal: It's because Stoick told Hiccup, you know, Ryu-ho, to take care of him, and then they started arguing about how one of them is older than the other\*\*

\*\*Both Hiccups: Hey!\*\*

\*\*Fal: Hahaha, you guys act like twins\*\*

\*\*Both Hiccups: No we don't!\*\*

Tooth: You guys actually do

Hiccup: Tooth!

Teens: Agreed

\*\*Valka: Ah, looking at them together at the same time makes me feel

like a mother again\*\*

\*\*Both Hiccups: Eh? Why?\*\*

\*\*Valka: Because, it feels like I have twin sons\*\*

\*\*Both Hiccups: But we're not really twins\*\*

\*\*Fal: Yup, they're twins alright\*\*

\*\*Valka: couldn't agree anymore, it just makes me happy\*\*

\*\*Both Hiccups: -spot Max laughing while holding his stomach,  
glaring- What are you laughing at!?  
\*\*

\*\*I\*\*

\*\*AM\*\*

\*\*SO\*\*

\*\*S00000000000000000000000000000000\*\*

\*\*S00000000000000000000RRRRRRRRRRRRRRRRRRRRRRYYYYYYYYYYYYYYYYYYYYYYY!\*\*

\*\*I got really busy with vacations with my family, then we moved houses, then I've been helping my aunt and her family with an even that's going to happen in church, so, yeah, I didn't get enough time to work on this chapter. That and I had writers block.\*\*

\*\*Anyway, DauterFeralVigilanteDragonLady, you asked me where I get all these characters, the answerâ€|uh, answers, is: Movies, Anime, and books. I'll name some of the Movies or books that I got the characters fromâ€|..I think it's going to be longâ€|But here they are;\*\*

\*\*~Percy Jackson and the Olympians  
>-How to train you Dragon<br>-Rise of the Guardians

>-Tangle<br>-Brave  
>-Max Steel<br>-Saint Seiya Omega  
>-Bakugan<br>-Beyblade Metal Fusion/Masters/Fury

>-Beywheelz<br>-Ninjago  
>-Fairy Tail<br>-Tsubasa Chronicles  
>-Tai Chi Chasers<br>-Dinosaur King\*\*

\*\*I believe those are all of them, now, Fal is my OCâ€|.also, I might add other characters from other series, I'm not sure if I will though.\*\*

\*\*Hiccup: You've got a habit of adding other characters and mixing them with others don't you?\*\*

\*\*Me: Yup, don't know why\*\*

\*\*Fal: Must be all those crossover stories you read\*\*

\*\*Me: Could be. Anyway, R&R please and again, I'm sorry for the super

late update.\*\*

### 13. Chapter 13

â€|

\*\*Hiccup: Uhâ€|Nightâ€|? \*\*

\*\*Me: â€| \*\*

\*\*Fal: Is she in shock or something? - \*\*\_\*\*waves hand in front of Night- \*\*\_

\*\*Hiccup: I don't know \*\*

\*\*Fal: hey, Night \*\*

\*\*Me: â€| \*\*

\*\*Fal and Hiccup: NIGHT! \*\*

\*\*Me: Huh? What? Sorry, I was thinking \*\*

\*\*Fal: Of? \*\*

\*\*Me: What to write on this chapter and the next one \*\*

\*\*Fal and Hiccup: â€| \*\*

\*\*Me: Writers block \*\*

\*\*Fal and Hiccup: Ohhhhh \*\*

\*\*Me: Anyway, I'm very sorry that I've been updating very late. I have writers block and haven't been able to use the computer much lately so I wouldn't be surprise if months pass before next updateâ€|..which I'll be very sad if I let that happen. On with the story! \*\*

~~~~~HTTYD~~~~~

\*\*Both Hiccup's where walking together in the hallway with Fal, though; Fal was laughing while both Hiccup's glared at her \*\*

\*\*Hiccup: It's not funny Fal \*\*

\*\*Fal: Yes it is \*\*

Fishlegs: Why is she laughing?

Hiccup: It's because she still found it funny when the other Hiccup and I glared at Max and, at the same time, said what is he laughing at

Fal: You know you love me

\*\*Both Hiccup's: I hate you \*\*

**\*\*Fal: Love you too \*\***

Fal: See?

**\*\*Both Hiccup's were grumbling, making cute pouting faces, which only made Fal laugh more.\*\***

**\*\*Fal: OH, I almost forgot. Erza said that Yuko wanted to see us Hiccup\*\***

**\*\*E-Hiccup: Eh? Who? Me or him?\*\***

**\*\*Fal: The Berk Hiccup. How about I just call you Hicster?\*\***

North: It feels like you're calling him a Hipster

Fal: I kind of was

**\*\*Hiccup: It feels like you're calling him Hipster. Since the "ster from Hipster is at the end\*\***

Jack: You do realize that it would include you as well, right?

Merida: Yeah, especially since it's a name for the blue eyed Hiccup and you're name is also Hiccup

Hiccup: "How did I not realize that!?

Fal: Hahaha

Hiccup: Not funny Fal!

Fal: If it wasn't; I wouldn't be laughing

Hiccup: Shut up!

**\*\*E-Hiccup: Do I look like a Hipster to you?\*\***

**\*\*Fal: Well-\*\***

**\*\*E-Hiccup: Don't answer that.\*\***

**\*\*Fal: Then how about Hiccy Boo?\*\***

Everyone and I mean everyone except for Hiccup burst into tears of laughter

**\*\*Both Hiccups give a look of disgust at the name, which only makes Fal laugh even more. The faces they both made were priceless, even more since they both look like twins, even though they're not.\*\***

More laughter from everyone except for Hiccup

**\*\*E-Hiccup: I think you ate too much sugar\*\***

Hiccup: No, she's just been near Fai too long

Fal: You make it sound like it was a bad thing and what makes you

say I was near Fai? It could have been Jack since he's a trouble maker

Jack: HEY!

Hiccup: True that Jack also makes nicknames for others-

Jack: Like Merida's, which is Red

Merida: Shut it White cap!

Hiccup: -But his are simple nicknames, Fai makes weird nicknamesâ€¦like Kuro-wan-wan

-Someplace else-

Kurogane: It's Kurogane!

Syaoran: Eh?

Li: Umâ€¦Kurogane-sanâ€¦who are you yelling at? (A/N: -san is supposed to mean; Mr., Miss., and all those others that are usually used on teachersâ€¦..you know what I mean!)

Kurogane: The wizard called me by a weird name again!

Syaoran: But Fai-san isn't with us

-Back with Hiccup and the others-

Fal: â€¦..Since when are you a detective?

Hiccup: Uhâ€¦..since never? It's just obvious by the way you randomly make nicknames that are similar to the ones Fai makes

\*\*Fal: Hahahahaha, how about I just call you Nii-san, it means 'big brother' (Me: I think it doesâ€¦..can't really remember anymoreâ€¦..Don't judge me!)\*\*

\*\*Hiccup: Hey, if you ask me, its' better than Hiccy Boo and Hicster-\*\*

\*\*E-Hiccup: You got yourself a deal Fal.\*\*

Fal: Hey! My nicknames aren't that bad!

Rapunzel: Wellâ€¦..sometimes

Fal: Besides, it's Snotlout who makes the horrible nicknames

Snotlout: Hey!

\*\*Fal: ok, anyway, we need to get going Hiccup.\*\*

\*\*Hiccup: Yeah, we'll see you later Hiccup, I mean, Ni-san, I mean Hicster, I meanâ€¦..never mind\*\*

\*\*E-Hiccup: I know what you meant, see ya later guys.\*\*

\*\*With that, they parted ways as E-Hiccup took a different hallway than Fal and Hiccup. They both eventually reach a door and open, revealing Yuko; sitting on a chair with a small table next to her and a cup of sake on top of it. Yuko turns around and gives them both a smile.\*\*

\*\*Yuko: I was wondering when you would come\*\*

\*\*Hiccup: What's wrong?\*\*

\*\*Yuko: It's nothing serious; I just need your help \*\*

\*\*Fal: On?\*\*

\*\*Yuko gets up and looks over at the door that is on their left for a moment before turning to look back at them, giving them a small smile but with a serious face.\*\*

\*\*Yuko: A man would be coming soon to make a wish, but the thing he wants is something you have\*\*

Snotlout: Useless doesn't have anything!

Fal throws him a book that she randomly got out from who knows where and hits him in the face.

\*\*Hiccup: Something we have?\*\*

\*\*Yuko: Yes, and it's the ability to befriend dragons, as you would put it\*\*

\*\*Fal: But why would he want that?\*\*

\*\*Yuko: I'm afraid I'm not allowed to tell you that. Don't forget that there are things that you aren't allowed to know yet\*\*

\*\*Hiccup: Alright, we understand, but, how would he be able to get our ability?\*\*

\*\*Fal: Now that you mention it, this man getting our ability to befriend dragons isn't something that's easy. You have to learn and train to do it, but simply wanting it to be given to you, now that's something different\*\*

\*\*Hiccup: Yeah, it's not like it's something that can be grabbed and given to someone else\*\*

Ruff: Why don't you just use magic?

\*\*Yuko: That's why we're using magic\*\*

\*\*.\*\*

\*\*..\*\*

â€|

\*\*Hiccup: Why is it that I keep forgetting that we can use magic?\*\*

Dagur: Probably because you barely use it since there hasn't been many scenes of you using it

**Fal:** Probably because we don't use it much like that others, especially since we're always in Berk and we weren't allowed to let them know about it

Everyone: -Looks at Dagur-

Dagur: Hey, it was obvious that they didn't use it much

**Hiccup:** That's probably why

**Fal:** But Yuko-san, why do you need me? Hiccup is the one who does the bonding better than me

**Yuko:** True, but you bond with mythical creatures, and a dragon is considered a mythical creature

**Fal:** Oh

**Maru and Moro enter the room with a clear bubble like sphere on each of their hands. Maru went to Fal while Moro went to Hiccup. Some white-ish light left their body and entered the spheres, indicating that some of their powers were known in the spheres. The room seemed to move a bit for Hiccup and Fal because of their loss of magic.**

**Yuko:** Ah yes, you'll be feeling a little dizzy because of the amount of magic you lost.

**Hiccup:** It would have been nice to know that a few minutes ago

**Yuko:** Thank you for your help, I'll send you back the price for the power to train dragons when I get it

**Hiccup:** Ok, but we'll be at Sensei Wu's for a while to train

**Yuko:** That's alright; I'll give it to you when you come back

**Fal:** K, later Yuko

**Both Fal and Hiccup wobble to the door; Fal hitting her foot with the wall and gave an 'ow' which made Maru and Moro giggle. Once both of them were gone; Watanuki came in the room**

**Yuko:** Bring them in

**Watanuki nods his head at her and leaves the room only to return a few minutes with a group of men, the ones who came to make a wish.**

Stoick: So what were you doing there?

Drago: You'll see

**\*\*Yuko:** So you're Drago. I assume that you came here to have your wish granted, a wish to be able to tame dragons**\*\***

Dagur: So that's how you were able to control them!?

Drago: Pretty much, yeah

Stoick: And you two gave it to him!?

Hiccup: Hey, we didn't know who Yuko was going to give it to, remember she said she couldn't tell?

**\*\*Drago:** That is correct**\*\***

**\*\*Maru and Moro are on either side of Yuko with the sphere in their hands with the power to tame dragons inside that they got a few minutes ago, Yuko looking at the man with a smirk on her face\*\***

**\*\*Yuko:** I can grant your wish and as you can see; I already have what you want; however, a price must be paid for your wish to come true**\*\***

**\*\*Drago:** How much?**\*\***

**\*\*Yuko:** You have to pay the thing that's most precious to you**\*\***

**\*\*--With Hiccup and Fal--\*\***

**\*\*We see Hiccup next to Fal's door leaning on the wall with his arms crossed and a bag at the bottom of his feet. Hiccup then knocks on the door\*\***

**\*\*Hiccup:** Come on Fal! You've been in there for an hour! Hurry up!**\*\***

**\*\*Fal:** -from inside the room- Hey! Girls always take their time, you're just exaggerating; it hasn't even been 10 minutes!  
**\*\***

**\*\*Hiccup:** Just hurry up already!**\*\***

**\*\*Fal:** -from inside the room- I swear Hiccup, you rush me one more time; I'm going to go so slow, tomorrow's going to come!**\*\***

Jack: I still can't believe you actually did that

North: Ah, but Fal is very unpredictable!

Bunny: She really is

Astrid: What? What did she do?

Tooth: They guys were rushing her and Fal warned them if they did it one more time; she would stay there until 2 days passed

Jamie: Did she really do it!?

Hiccup: Yeah, how she survived in there without food for 2 days; I

will never know

Queen of Corona: Did you really do that Fal?

Fal: Yup, you'd be surprised what I can do when I'm serious

**\*\*Hiccup starts mumbling how girls take way to long but doesn't rush Fal again. He remembered the last time he and the guys rushed her when she gave them a warning; she didn't come out until 2 days passed, they had no idea how she survived without foodâ€¦Maybe she hid some food in there. When Fal did come out with her sideways backpack, Hiccup already starts walking away\*\***

**\*\*Fal: Hey! Wait up!\*\***

**\*\*Hiccup: If they leave without us; it's your entire fault!\*\***

**\*\*Fal: We still have like 30 minutes left!\*\***

**\*\*Hiccup: I know that!\*\***

**\*\*Hiccup's and Fal's walk eventually turned out to be a race, Fal winning since she was fast. Once they reached their destination, which was in front of the castles doors; they saw Jack, Merida and Rapunzel with their bags and talking to each other, it seemed like Hiccup and Fal were the only ones left.\*\***

**\*\*Fal: See? Told you we still had time\*\***

Gobber: And they are going to start fighting

Stoick: You sure?

Gobber: Just watch

**\*\*Hiccup: Shut up Fal! I knew that!\*\***

**\*\*Fal: No you didn't!\*\***

**\*\*Hiccup: Yes I did!\*\***

**\*\*Fal: Did not!\*\***

**\*\*Hiccup: Did too!\*\***

**\*\*Fal: Did not! \*\***

**\*\*Hiccup: Did too!\*\***

**\*\*Fal: Did not!\*\***

**\*\*Hiccup: Did too!\*\***

**\*\*Fal: DID NOT!\*\***

**\*\*Hiccup: DID TOO!\*\***

Gobber: Ya see?

Stoick was a bit shocked and a bit ashamed of himself for not knowing

his own childrenâ€¦|..well, his own son since Fal wasn't really her daughter since she wasn't born a Haddock

**\*\*Rapunzel: What's wrong?\*\***

**\*\*Fal: Hiccup won't admit that he was wrong when he said we were going to be late and we're not!\*\***

**\*\*Merida: So that's why you're fighting, isn't it?\*\***

**\*\*Hiccup: Exactly!\*\***

**\*\*Jack: You guys are still yelling!\*\***

**\*\*Fal and Hiccup: We know!\*\***

**\*\*Jack: Then why are you still yelling!？\*\***

**\*\*Fal and Hiccup: We don't know!\*\***

**\*\*Jack: THEN STOP YELLING!\*\***

**\*\*Fal and Hiccup: WE KNOW!\*\***

Flint: Then why haven't you stopped yet?

Everyone turns around to find a man heading to a seat next to Rapunzel and sitting next to her

Jack: Where were you?

Flint: I WAS taking a nap but Night found me and brought me here, said the rest of you guys would be here as well.

Rapunzel: Well, that explains why we didn't see you or heard you for some time now

Flint: Yup, now about my question? Why didn't you guys stop yelling?

Hiccup: We were in 'sibling fighting mode' and we sometimes start yelling-

Merida: \_Sometimes\_?

Hiccup: Ok, most of the time, but when we start yelling at each other like that, we tend to forget that we are still yelling and it takes us a while to stopâ€¦|..well; Fal easily stops when someone mentions anime

Fal: Anime!? Where!?

**\*\*Merida: Hey, who wants to watch anime?\*\***

**\*\*Fal: Anime!? Where!？\*\***

Hiccup: See?

Fal: Hey! At least the word that makes me stop isn't flying!

Hiccup: Flying!? When!? WHEN!?

**\*\*Jack: Seiya said we might be Flying to Sensei Wu's\*\***

**\*\*Hiccup: Flying!? When!? WHEN!?\*\***

Fal: See?

Hiccup: Shut up Fal

**\*\*Rapunzel: Well, that stopped them from fightingâ€¦and a bit of yellingâ€¦I think\*\***

**\*\*Fal: So where not watching anime?\*\***

**\*\*Hiccup: Or going flying?\*\***

**\*\*Fal and Hiccup: Or watching anime and flying?\*\***

**\*\*Merida: Oh, we'll still be watching anime\*\***

**\*\*Jack: And Seiya did say we might be flying\*\***

**\*\*Rapunzel: But we're not sure yet\*\***

**\*\*Fal: OHhhhhhhhhhhâ€¦oh.\*\***

**\*\*Hiccup: Hey, have you guys seen Toothless? He's supposed to come with us-\*\***

**\*\*That's when Hiccup was instantly tackled by Toothless himself. Hiccup started laughing when Toothless started licking his face, being happy to see him and excited to go to Sensei Wu's. Everyone started laughing at their friends, it was pretty funny. Hiccup now got Toothless off of him and got up, rubbing Toothless under his chin which made him purr.\*\***

**\*\*Hiccup: Hey bud, ready to go?\*\***

**\*\*Toothless only nods his head and gives him a toothless smile, which makes Rapunzel give out an 'aw' at his cuteness, so cute that it made Fal and Merida give out an 'aw' as well, and it was shocking since they were both tomboys! Well, Fal more than Merida since Fal as always dressed in jeans.\*\***

**\*\*Seiya came out and stood behind them. Jack was the first to notice and smiled at him. This got the others to turn and greet Seiya, who greeted them in return.\*\***

**\*\*Seiya: Ok, so, Wu's students will be coming to pick you up in their ship\*\***

**\*\*Hiccup: You mean their ship that can fly!?\*\***

**\*\*Seiya: That's the one\*\***

**\*\*Hiccup, being an inventor, loved working with machines and other engineering things, and being on a machine as cool as the ship; made Hiccup smile so brightly it was blinding. You could see little stars in Hiccups eyes, indicating that he was itching to be in the**

ship.\*\*

Everyone had to cover their eyes from the glow of Hiccups smile. Stoick never saw Hiccup like this, then again, he wasn't around much, but he was sure Gobber never saw him like that either.

\*\*Fal: Whoa, Hiccup, your smile is blinding!\*\*

\*\*Everyone started laughing while Fal put her hand in front of her face to shield her eyes from Hiccups glowing smile that could blind her (Not literally) while Hiccup kept on smiling\*\*

\*\*HTTYD~HTTYD~HTTYD~HTTYD~HTTYD~\*\*

\*\*Me: â€¦..\*\*

\*\*Fal: Night, are you sure you're ok?\*\*

\*\*Me: â€¦.I'M STILL ALIVE!\*\*

\*\*Fal and Hiccup: -jump back in surprise at my sudden outburst-\*\*

\*\*Hiccup: Huh?\*\*

\*\*Fal: Soâ€¦..Why did you yell 'I'M STILL ALIVE!' like that?\*\*

\*\*Me: Because I got my phone!\*\*

\*\*Hiccup: And this is important becauseâ€¦.??\*\*

\*\*Me: There was a leak in the school that could set it on fire from what I was told. It happened during my last class that the alarm went on; it was weird since we shouldn't be expecting a practice fire drill so soon after the last one, that, and the drills don't happen so close to the end of school. So anyway, they took us out of the school and we stayed outside until school was over but they still didn't let us go in. That's when we were told we couldn't go back inside. Some did manage to go in and get their stuff and leave school but I wasn't able to get my things so I had to go home without my backpack, homework, headphones and my phone. My PHONE for crying out loud! I didn't think I'd survive without it! But I got it back the next day at school.\*\*

\*\*Hiccup: When was this?\*\*

\*\*Me: A few days ago. Is was on September 29. But enough about me, let's continue! \*\*

\*\*AnimeFreak132002\*\*\*\*: Ok, you asked if I could add Rogue and Sting from Fairy Tail into the story; I will, I just need to find the right place to make them come out, I don't know howâ€¦..BUT I WILL! Your other question was if I could pair up Rogue and Fal, I will try to do my best on making Fal be with someone, it might probably be Rogue like you said, I'm not clearly sure yet. But like I said; I'll try my bestâ€¦mostly since I'm not good with pairing people, but I'll try to make it possible! ^^\*\*

\*\*DauterFeralVigilanteDragonLady\*\*\*\*: You asked if Hiccup and

E-Hiccup are really twins. The answer is no, they just look like twins and act like they are but they're not, though, I sometimes wish they wereâ€¦Gah! I just crushed my own dreams by myself! I have no idea how I did that! How does one even crush their own dream?! Is that even possible!? \_\*\*\*

\*\*(Hiccup: Since you did it to yourself, I'm thinking it is possible\*\*

\*\*Me: Shut up Hiccup! You're not helping!)\*\*

\*\*Toothleslover123\*\*\*\*: Sorry to make you wait for the ninja to show up but I will put them in the next chapter, I promiseâ€¦that and a little surprise with it, but I'm not saying what it is, I just hope you guys like it. I've been thinking about it for some time now.  
^\_^^\*\*

\*\*Ikariandcontestshippingforever\*\*\*\*: So, you told me I should add characters from bleach, trust me, I would put them in the story but sadlyâ€¦I haven't watch bleach yet, so I don't know any of the characters. ^^' I'm so sorry about that! \_ \*\*

\*\*Anyways, I'm sorry I made you all wait this long, for, like, almost 2 month now, but I did my best to try to make this chapter long. Until next time! Read, Review, Follow, and Favorite please! Now, I'm out of here before my mom catches me on the computer for too long.\*\*
